Shelburne and Markdale met in lacrosse for the first time this season last Friday week. Result: Shelburne 4, Markdale 3.

Dundalk voted on Monday last on the question of Municipal ownership of a proposed Electric Light Plant. We have not heard the result yet.

South Grey Local Union of Christian Endeavor meets in Annual Convention in Durham on Thursday, July 6th. A great meeting is expected.

Hot For The West.—Three (3) cheap excursions are to be run by the C. P. R. to the Northwest. The dates fixed are June 27, July 13, and July 28. Apply to R. McFarlane, Jr. Agent here, for further particulars.

MONDAY JULY 3.—This is the date fixed upon by the Durham committee of local sports for the annual Dominion Day Celebration, and those who can spare only one day should make up their minds to spend it here. Big prizes will draw the best competitors, while our fine grounds are the best in the county for a day's outing. See bills for particulars.

OUTMEAL MILL.—Is the latest industry talked of. A gentleman from Tilsonburg was here a few days ago and interviewed Mr. James Edge as to the free site the Edge Estate offers. Mr. Knapp showed him around and he likes the locality. We understand Mr. Parker offers a free site with a dam privilege on his property at the Park.

A SAD BEREAVEMENT.—Last Saturday Mr. and Mrs. John Wilson, Dromore were called upon to endure a very heavy affliction in the loss of their youngest daughter, Bella, at the early age of 20 years. Three weeks ago she took hemorrhage of the lungs and this continued and so weakened her that death has followed. We extend to the mourners heartfelt sympathy.

A "DRY CANTINE."—Owing to irregularities on the first night of the London Camp Gen. Hutton gave orders abolishing the canteen in all summer encampments. Some complaints have been heard, but surely when Lord Wolsley abolished liquor-drinking in the army in Egypt, finding it a detriment to discipline and stamina, Gen. Hutton should not be blamed. It is a step in advance. All praise to him.

STOPPED THE TRAIN.—Papers both east and west of us record the stoppage of trains by multitudes of caterpillars on the rails. In a run through the country a few days ago their ravages on the forest are plainly apparent, and of course all hope of checking them there is futile. Incessant care of orchard and other valuable trees must be exercised, for a few years of foliage denuding in early summer will likely kill the trees.

BAPTISTS ASSEMBLY.—Owen Sound Baptist Association is holding its annual meeting this week in Daywood, North Grey. Quite a number of the Baptist laity from Mulock, Glenelg and Durham are in attendance as well as the Clergy. Among those who are intending to be present from Mulock are Miss K. McKinnon and her brother Duncan, Miss Flora and Mr. D. McDonald, Mr. Neil McCallum, Pastor Burns and Mrs. Burns. From Durham there is present Rev. Mr. McGregor, Rev. Mr. Stewart, Mr. Chas. Brown and Miss Nettie Brown.

VOLUNTEERS ATTENTION.—A member of Mount Forest Company refused to respond to the call of his captain and country to turn out for summer practice at London. He had refused to Captain Coyne rather ungraciously, and the latter used the power placed in him to compel him. Consequently two constables made his arrest as he was on duty with his cream wagon, and he was compelled to go to London, bear the costs of the arrest and pay his own railway fare too. It pays to be civil and to understand fully one's obligations.

Ben Nevis Camp meets on Friday June 23rd next.

Berger's Pure English Paris Green, 20c lb. at MacFarlane's Drug Store.

It is said that the soldiers who had taken Hood's Sarsaparilla s'ood the long marches in Cuba much better than the others.

Laidlaw has sold 30 wheels this season. Intending purchasers should see his large stock.

COAL TAR.—Coal Tar, 25c a gallon at Parker's Drug Store.

MONDAY, July 3rd, is the date of the Durham Races and other sports. No day was ever worked up as this is being done. Ask Secy. Black.

"Hogg and Hyde," is the most appropriate firm name we have seen for some time. Paisley owns them, and they buy cattle, hogs, etc.

SCHOOL PICNIC.—Teacher, pupils and friends of S. S. No. 9, Glenelg, Miss Large, teacher, have picked upon Friday, June 30, as the date of their annual picnic. A grand concert is to be given in the evening.

WOOL.—Nearly every waggon, buggy or horse-drawn country vehicle contains a bundle of wool these days. The hoarse, steam boat whistle of J. A. Hunter's woolen mills indicates activity, and though wool is cheap, large quantities are being offered.

ANNUAL PICNIC.—The Allan Park school picnic is to be held this year on Friday, June 30, on the usual fine grounds near the river. Teacher D. McDonald is making all due preparation, and as he is as well-supported as ever success is again assured.

OWEN SOUND.—We beg to acknowledge a complimentary Press Budge for the official opening of McLaughlin Park and Balmly Beach Summer Resort in Owen Sound, on Saturday, July 1, 1899. The Governor General has tendered the services of his famous Body Guard, one of the finest organizations in Canada, and some of the leading political stars of the Dominion are to be present. It will be a great day.

ABOUT CATARRH.—It is caused by a cold or a succession of colds, combined with impure blood. Its symptoms are pain in the head, discharge from the nose, ringing noises in the ears. It is cured by Hood's Sarsaparilla which purifies and enriches the blood, and soothes and rebuilds the tissues and relieves all the disagreeable sensations.

Are you going? Where? Why? to Guelph O. A. C. by the Farmers' Institute Excursion, on June 21st (next Wednesday). This is a very common style of talk and the Farmers' Institute seem to be in for a big success. They will have one passenger anyway: Mr C C McFayden, who has secured his ticket, (the first one sold) on Monday night, June 12. Nothing like being on time.

Mrs. George Mighton of town met with an accident on Friday that might have been even more serious, at the home of her son-in-law Mr. James Watson, Normandy. While they were about to leave for Durham, she became frightened by a fractious horse and jumped from the rig, and was run over, and also tramped by the horse. A broken collar bone and several bruises will take some time to mend.

A NOVEL CATERPILLAR REMEDY.—Mr. John Smith, of the tannery, hit upon a novel and effective plan to prevent caterpillar destruction. He procured some of the usual "tanglefoot" fly paper, and circled five or six of his fine shade trees with it, sticky side out, then getting at the tree with a broom he brought them to the ground. In an hour or two they commenced to swarm up the tree, but could not cross the tanglefoot, and we saw hundreds around the lower fringe, vainly trying to cross the Rubicon. This remedy, applied early in spring would surely be effectual. Make a note of it.

THE LATE WALTER HASTIE.—Monday evening a well known representative of a Durham that is past, passed over to the greater number. Until within a few weeks ago his familiar form was occasionally seen on our streets, but a partial stroke of paralysis has since confined him to his room at Mr. Wm. Slatcher's, where he died. Deceased was long a prominent figure in the commercial life of Durham, as an employee of Mr. Dalglish and others and also as a merchant on his own behalf. His fellow citizens at one time honored him with the position of Mayor. Mr. Hastie was born in Edinburgh, and was a great reader and a more than ordinarily intelligent man. He had reached the great age of 85. A nephew, Mr. Collins, Walkerton is over to make funeral arrangements. A son and daughter of deceased are chief mourners. His daughter is here from Toronto. His son is in Brit. Columbia.

BY-LAWS READ.—At a meeting of Council held on Saturday night the Furniture Co. By-laws were read a 3rd time and a confirmatory meeting to be held to-day, Wednesday. Success to the concern.

A very interesting event took place at the residence of Mrs. Wm. Ledingham in Bentinck, on Wednesday when her second daughter Miss May E. was united in marriage to Edward Boyce of Bentinck, by Rev. John Little, of Chatsworth, assisted by Rev. William Graham. The guests numbered twenty five. The REVIEW extends felicitations.

The Durham stage and horses came to grief on Tuesday. Driver Elliot stopped in front of the post office and was delivering the mail bag. The horses started for the Campbell House stable and in turning upset the rig and becoming frightened ran away, their course being north to Little's hardware, where they separated from the rig and turned south taking the sidewalk at Taylor's stumbling several times on the way, before being caught near John Collins'. One fell and was trampled on by the other. One had a bone in the hip broken and the other was internally injured, and both were cut and bruised. It is questionable if the animals will ever again be of much use. The stage was somewhat worse of the mishap—Chatsworth Banner.

Our lacrosse boys will cross sticks in Hanover to-morrow (Friday) with the club of that town.

Nine thousand persons witnessed and we suppose nine million persons read about the great prize fight last week, when Jeffries, an American "knocked out" Fitzsimmons in eleven rounds, thus winning the world's heavy-weight championship.

PASSED HONORABLY.—Many in Durham will remember Archie Smith grandson of Mr. and Mrs. J. M. Hunter. He has lately passed for his B. A. degree at Winnipeg University standing first in the general course, thus securing the coveted scholarship. The REVIEW congratulates him warmly. The Brandon Sun of June 2nd has this to say of him: "One of the cleverest and most successful students who graduated this year at the University of Manitoba, is A. W. Hunter Smith son of Mr. John E. Smith. Archie has taken a brilliant course throughout winning high honors each year, and this year he graduates with the bronze medal in the general course."
