Sale of a Farm
The Acheson farm on Concession 20, Egremont, was sold on Monday by Auctioneer Carson at a fair figure. Mr. S. Patterson is the lucky buyer and he will now have a nice compact farm. We beg to congratulate Mr. S. Lucas, Wright and Batson were the Vendor's Solicitors.

Lacrosse Match
Last Friday evening Hanover and Durham teams lined up on the grounds here for a friendly game. Both teams were fully manned and an interesting game was put up, though the visitors made it too interesting for our boys, for they secured only one of the four goals. Our boys have room to improve on combination work, and indeed so little combined practice have they had this season, that defeat is to be looked for till "practice makes perfect."

AFTER MUCH TRIBULATION.—We learn to-day, Tuesday, that Miss Maggie Adams, Egremont, has passed away. For 10 years back she has been a great though patient sufferer, and to her death will be a happy release. She was a young lady of great native intelligence and her skill and handiwork was often in evidence at fall shows. The REVIEW extends sympathy to the bereaved ones.

Examinations.
This week the Entrance and Leaving Examinations are in progress and 90 candidates are on hand to struggle with "papers." About one third of these are from Durham School 60 are writing for Entrance the remainder for Leaving while next week 17 will try the more serious "exam." of Part I of form II Insp. Campbell presides this week assisted by Messrs Allan and Mills while Mr. J. W. Brown Hanover takes charge next week. Mr. Campbell taking the heavy end of the work at Meaford High School.

Judge McCallum
We understand that Mr. A. B. McCallum, of Paisley, has been elevated to the bench, although his appointment has not been officially announced. He is to be the Judge for the newly created District of Manitoulin. There is nothing going better than a judge-ship, for it carries with it both honor and salary. Length of days is his too for a judge never dies, except occasionally for sheer lack of having nothing else to do. But it is remarkable how well most men can keep up under the strain of doing nothing. Well, we extend to Mr. McCallum our most hearty congratulations. If ever a man earned a political appointment that man is A. B. McCallum. For the last 20 years, both in season and out of season, he has always been ready to respond to the call to arms, and he was no mean fighter either. In fact there were few better equipped political speakers in the Province, and perhaps there is not a county in the Province where his voice has not been heard. But his political career is ended at last, and he has nothing more to do but enter into the joys of a well-merited reward.—Telescope.

Soon Left Her.
"I was taken with a swelling in my feet and limbs. I was not able to walk for four months. I read about Hood's Sarsaparilla and procured a bottle. Before I had taken it all the swelling left me. I took three bottles of Hood's and have not been troubled with swelling since." REBECCA SEEVERS, Chatham, Ont.

Aitken, near Holstein, to Miss Mary, daughter of Mr. Wm. Allan, Egremont; Mr. Thos. Henderson, Egremont, to Miss Ferguson, Pricerville, and Mr. Jno. A. Beaton, Glenelg, to Miss Mary C. McLachlan, of the same township. To one and all we offer congratulations and good wishes.

Garden Party
A very successful garden party in connection with the Methodist church was held on the parsonage lawn Tuesday night. About a dozen small tables were scattered over the lawn, and at these Ice Cream, Strawberries, Cake and Coffee were served by willing helpers. A very sociable and pleasant time was passed by all, and it is reckoned the best they ever had.

Varney Social
The members of the Varney Methodist church had a pleasant little social on Monday evening. There was a very fair attendance. Mr. Irwin, Editor of the Chronicle, was made Chairman and was in his happiest mood. The entertainers were Miss Jessie Laidlaw, Miss Maud Irwin, who sang and recited respectively, and four members of the Orchardville choir, Mr. and Mrs. Bilton, Mrs. Tuck and Mr. Wm. Dickson. Miss Meredith accompanied on the organ. The Varney choir of course rendered good service. Rev. Mr. Kitching made a few well chosen remarks. Mr. Wm. Allan made an address expressive of the regret felt at parting with Mr. Kitching whose good qualities they all admired. Refreshments were served by the ladies at the close.

THE STANDARD BANK.
Last Thursday's Globe had a timely article reviewing the "year in Banking" which summarizes the reports of three banks whose annual reports appear in that issue. We quote in full its reference to the Standard Bank of which our local financial institution is a branch and are pleased to see that the "Standard" is up to the standard in all that pertains to a thriving banking business: "The Standard Bank managers make a report that adds another to the unbroken record of prosperity for the year. Another branch has been opened at Ailsa Craig. The net profits have been sufficient to pay the usual dividends of 8 per cent., \$80,000 in all, to transfer the sum of \$25,000 to the rebate of interest on notes discounted, to reduce office, safes and furniture accounts by \$10,000, to write off \$10,968 for the loss by burglary at the Bowmanville branch, and to bring up the balance carried forward to \$101,525. The total current discounts at the end of the year were \$5,970,568 and in the list of assets Dominion Government and other first-class bonds are recorded at \$1,964,411 and loans on call on Government, municipal and other first-class bonds at \$81,174. Deposits aggregate \$7,145,298, of which \$5,917,651 are interest bearing. In these statements there is a reflection of the general prosperity which the Dominion has enjoyed, and the figures will be interesting to the business community as well as to the shareholders."

Monday, July 3
Don't forget that Dominion Day in Durham means Monday, July 3. County callers will find stores open on Saturday as usual. As most celebrations are being held on Saturday, there is likely to be a uniting of visitors for Monday, and without doubt the large prizes offered by the Turf Club will draw some good horses to Durham. The Calithumpian procession in the forenoon promises to be something unique. The Lime Juice Stock Co. will give one of their famous entertainments in the Town Hall in the evening.

IN MEMORIAM.—Last Thursday, the family of Mr. H. McNab, Con. 5, Glenelg, were called upon to mourn the loss of another member in the person of daughter and sister Mary. Deceased has not been in robust health for a long time, and despite careful nursing of loving friends her illness terminated fatally. It is not quite a year since her sister died, and to the aged father and surviving members of the family deep sympathy goes out. The funeral on Saturday was very largely attended. Rev. Mr. McGregor conducted the services in an appropriate manner.
