JULY

THE C. E. CONVENTION.

A Large Attendance in Splendid Weather.

Last Thursday, after several days of showery broken weather, broke into a beautiful day, just the kind to tempt many to take to the dustless roads and enjoy a drive in our pure atmosphere cleared by heavy rainfalls. At the forenoon session in the Presbyterian Church, the building was about half full, but at afternoon and evening sessions its seating capacity was inadequate and the aisles were crowded. It is estimated that about 400 were

Presbyterian and Methodist churches intend having a union picnic on the 21st in Petrie's grove.
Rev. Mr. and Mrs. Miller and children have gone for their holidays to Mrs. M's parents in Alliston and other places. It is hoped they will both feel better after their holiday.
We are sorry that Willie Orchard, who fell of a barn last week breaking two small bones in his foot, is not progressing very rapidly.
Mr. George Hint, of Letter Breen, visited at Ge. Freeman's on Sabbath.
Mrs. Wm. Mitchell, who was visiting her parents, Mr. and Mrs. Thomas Keith, for a few weeks, returned to her home in Allenford last week.

Boothville.
The teacher, pupils and friends of Boothville school have every reason to be proud of the success that attended their picnic. It was one of the best picnics ever held in Egrement. The scholars were in training for a few weeks, and their march around the grounds and singing attracted much attention. The banks were rified of their 6 months' savings, for pennies by the score and 5-cent pieces by the dozen were exchanged for the 70 lbs of candies, a large bunch of bananas and lots of other toothsome things.
The large dancing platform was kept busy all day, so were the young ladies who sliced up about 40 loaves of bread to feed the large crowd assembled there. Particular mention is due to Mr. Jacques, the high rope walker who performed some fine performances on the wire. We believe it is Mr. Jacques' delight to perform on the wire. The income of the gate and booth was \$52. Mr. Graham is engaged for another year.
Mr. Duncan McLeod, of Minto is visiting his daughter M. S. Neil Clark.

Drummore.
We are pleased to learn of the success of the operation lately performed on Mr. John McKenzie at Grace Hospital and that he is getting along finely. Mrs. McK. returned Saturday, from waiting on him at Toronto.
Mr. Walter Cleave, Bristol, Eng., after a two week's visit among friends and making new and pleasant acquaintances returned to Sydenham on Saturday.
D. P. Coleridge has his wind engine erected and his stock is well supplied with water. (Especially last week when the rain lasted.)
A fine black wire fence has been erected round the school grounds and improvements are contemplated.
Mrs. J. Leith and Mr. and Mrs. T. Knox paid Mrs. (D.) J. D. Leith and child, of Inverness, a visit recently, near Singhampton, where she is at present on a visit to her parents.
Miss Charlotte Baxter came home from Toronto last week for a visit.
Mr. Thomas Henderson and his bride attended Amos Church on Sunday. Tom looking the well-matched boy he always was.

By the way, the sound of marriage bells is in the air again. Who will be the lucky boy this time? Perhaps it was the ring of the palm-master's shovel we heard setting an example to his men sitting under the shade of a friendly maple discussing every subject under the sun—except good roads.
The weather of late has been very unfavorable for haying. Some have started howerer, and next week we expect the hum of the mower will be general. Wm Isaac, who intends to be first this year, cut through Saturday's rain we understand, though some don't approve of cutting hay in that condition.
Miss S. Isaac we are sorry to learn, is nursing one of Job's comforters, which though painful, is not serious.
Miss R. Adams returned to the city, Tuesday. Miss Lizzie will remain with her mother for some time.
A community is pleased to learn of the recovery of Mrs. Lothian from her recent illness. Her self helpful and sympathetic in affliction, her convalescence gives pleasure to all.
Mr. and Mrs. Joseph Snell, Warton, are visiting at their respective parental homes.
John Snell had the misfortune to have one of his fingers badly jammed the other day. Under Dr. Sneath we hope he may not be laid up long.
Miss Eliza Wilson is at the parental home for the holidays.
Misses Maggie and Katie Hay arrived home the other day from Toronto, looking well after a two years' stay. Pleased to see their smiling faces in our midst again.

Mr. and Mrs. John Remton are enjoying a visit from the latter's two sisters from Buffalo.
A young man from England visited at Isaac's the other evening and reports an enjoyable time. Wm Nelson is building and expects to be in his new house by harvest.
Though late we offer congratulations to Councilor Hattie for the arrival of June 16th. last.
Mr. and Mrs. Stone, Mr. and Mrs. Leslie and Mrs. Townsend were visiting in Oprey.
Lizzie Watson is the name of a new home recently adopted by Wm and Jane Bell.
Tues. Henderson and his handsome bride attended Amos Church on Sunday, looking the good natured boy that he always was.
