LAMENT OF A LITTLE GIRL. My brother Will, he used to be The nicest kind of girl; He wore a little dress like me. And had his hair in curl.

We played with dells and And every kind of toy, Will turned into a boy.

Mamma has made him little suits, With pockets all complete; And cut off all his yellow curls And packed them up so neat And Will, he was so pleased, I b'lieve He almost jumped with joy; But I must own I didn't like

Will turned into a boy.

And now he plays with horrid tops I don't know how to spin; And marbles that I try to shoot, But never hit or win 600,000 And leap frog-I can't give a "back

Like Charley, Frank or Roy-Oh, no one knows had bad I feel, Since Will has turned a boy. I have to wear frocks just the same, And now they're mostly white;

have to sit and just be good, While Will can climb and fight But I must keep my dresses nice, And wear my hair in curl; And worse-oh, worset thing of al I have to stay a girl.

THAT HORRID RAIN. she gloomily looked out of the nursery breathe. window one rainy day, "there's that horrid old rain coming down as fast as it can; I know it won't stop and I'll have to stay right here in the house when I wanted so much to go to Aunt Emua's; it's too mean for anything!"

"Dear, dear !" sighed the white-hairchair, "what a pity the thunder clouds in popularity. It is she who makes her- Peers, will spend a year in the United will creep inside!"

just pining for that lovely shower! First came Mr. Duck, who had such funny little red rubbers on his feet, day, his throat was full of dust, and he could not eat a bite, for the bits self. of food he picked up tasted as if they had just come from the oven.

When he saw the storm clouds gathering in the sky he said, "Quack, quack! how glad I am!" and quickly, set to work to oil his clothes so that he might be ready to run about and enjoy the rain. Splash! splash! he went into the puddles, throwing the water in tiny sprays all over him.

The pretty yellow buttercups out in the field were hanging their heads under the sun's scorching rays. surely wither if a shower does not

A ROYAL ROMANCE.

The widow of the King of Portugal is dying, and it is recalled that she has been the only example in Europe in this century, of a queen not of titled birth. She was an American girl, named Elise Hensler. Her story is a romance, indeed. She was born in Boston. Her parentage was respectable, but she was 'Oh, Elise sang in the Park street church of ents. dear!" they cried, "our roots are dry- her native city, and the beauty of the ing up, and the tiny baby buds will girl, her rich, pure voice, and the gentleness of her manners, won her rfiends The frilled caps of the daisies that among the church folk, who got up a under "grub stakes" the mine that should have been as white as snow, purse and sent her to Europe for musi- | since produced \$4,500,000. . cal training.
