Dry weather is now the cry, spring crops coming in fast.

Western Excursion to Manitoba and Northwest August 22. For rates, etc. apply to Jas. R. Gun.

The Methodist S. S. intend picnicking on Thursday, August 17th at the Beaver Meadow, west of town on Lambton St.

Mr. John Firth, we regret to learn is in very poor health at present. We hope he may get around to his duties before long.

DOUBLE POSTAGE.—Since July first the postage on newspapers has been doubled. Our subscribers whose labels are behind should consider this and not ask us to carry arrears.

20 MILLS.—Such is the rate struck by the council on Monday night, for 1899. This is a favorable showing and to the credit of the council. C. Knapp applied for permission to add a third story to his hotel which will be granted under the new fire by-law. Minutes next week.

Our attention has been called to the omission in our report of the exams. of the "Passed Entrance on Leaving" candidates in Durham. They are as follows: B. Allan, M. Beaton, L. Hutton, C. Drimnie, W. Firth, C. F. Lawrence E. McClocklin, R. Taylor, R. Tribe.

Quarterly Meeting Services will be held in the Methodist church on Sunday next. Love Feast at 10 a. m. Sermon by the pastor at 11. Sacrament of the Lord's Supper will be administered immediately after Sermon. Mr. W. J. Young will preach at 7 in the evening. Quarterly Meeting Service at Zion at 3 p. m. instead of 2.30. Service conducted by the pastor.

A PIONEER.—We had the pleasure of an interview with Mr. Alex. McGillivray of Bruce Tp. who, 44 years ago sold of 21, con. 1, N. D. R. Glenelg, to 'Big' Donald McKinnon. He had come here 8 years before that, and his mental and bodily vigor being still good, he can recall interesting reminiscences of that early period. He would greatly enjoy, he says, a pioneer gathering in Durham, better than in Port Elgin where they had one, or Owen Sound, where they propose having one. Mr. McG. has been a strong man in his day and is a typical pioneer.

A. O. U. W.—Organizer Bradley, of the above society, has been around town during the last week in the interests of the Society and succeeded in securing some new blood for the Order, nine members being initiated on Monday night and a number more promised for Monday next, Aug. 14. Mr. Bradley is one of those men who thoroughly believes he has a good thing to offer to young men especially and presses his claim accordingly. Since the separation from the United States and the adoption of the graded system this society has made great progress. The Durham brethren had the pleasure of welcoming at their meeting a load of Mount Forest Workmen, as well as Mr. Irwin, of Flesherton Lodge, and Mr. Jas. Moore, of Colborne Lodge, all of whom they entertained to a lunch at the Middaugh House.

SUCCESSFUL GARDEN PARTY.—At the hospitable home of Mr. Neil McLean, of 3rd con. Bentinck, the Cornth Baptists on Friday last, had a successful evening. Rev. Mr. Burns who has for 7 years been their pastor has endeared himself to all classes and a loyal support from all is heartily accorded him. The large number present were agreeably entertained to Bentinck's best following which a platform program was carried out. Rev. Mr. Burns acted as chairman and addresses were given by Rev. Mr. Mercer, Crawford; McDermid, Parry Sound; Dr. Smith and others. Between musical selections were rendered by the "Camp quartette" composed of Misses B. McKenzie, E. McFarlane, M. Gun, Osborne, Mrs. Jas. Gun and Messrs. R. McFarlane and A. Galbraith, the latter accompanying on his guitar. Mr. Jas. A. Hunter and Mr. Galbraith also gave the duet "I belong to the Uppert ten" in good style. Two choir selections were also given by some friends from Durham, Miss Nettie Brown leading at the organ. Nearly \$40 was taken at the gate, and the boys in the booth seemed to be worked to death, and brought that sum up to \$67. Rev. Mr. Burns leaves his charge in October next, and will then be stationed at South Sydenham and Strathroy. He leaves amid general regrets, the reason for the separation being that his health is not adequate to the demands of his present extensive field.

BE ON HAND.—The town has been canvassed for provisions for the fireman's picnic on Thursday. The response was liberal. Baskets are to be ready Thursday forenoon early. Everything promises well.

We go to press earlier than usual on account of Civic Holiday on Thursday. A comparative lull in farming operations this week before the main rush of the spring crop begins.

Markdale has the prospect of a new foundry, and votes August 28 on a by-law to raise \$1,500 for road improvement. The "growing time."

Orangeville tax rate for 1899 is 23 mills on the dollar. The levy on property receiving protection by night watchman amounts to 11-46 mills.

Rev. Mr. Jansen called on some of his old parishioners this week. He has a meeting in Flesherton, Wednesday; Chatsworth, Thursday; Durham, Friday.

Chesley has carried a by-law to grant the usual exemption to a "Rake and Novelty Co." by a vote of 187 to 4. The concern is to make all sorts of wooden novelties, toys, etc.

LORD'S DAY ALLIANCE.—Rev. Mr. Jansen, will address a meeting in the Baptist church on Friday evening at 8 p. m. on the work and objects of the Lord's Day Alliance. A full audience is requested.

NEWSPAPER CHANGE.—Mr. Leonard H. McNamara, Walkerton has bought out the Bruce Herald from Mr. Telford whose health is failing. We hope the release from duty may bring about Mr. Telford's recovery, while we wish for the new proprietor continued prosperity.

Owen Sound is rejoicing over a grant of \$87,200 made by the Dominion Government towards a railway line from Owen Sound to Meaford. We may have missed it, but did any one see a grant towards a line from Durham to the Lakes? We would call the attention of the authorities to this great omission.

PIONEERS OF GREY.—Owen Sound Times wants a pioneers' demonstration for the County of Grey held there. Very good as far as North Grey is concerned, but this county is big and any movement to include South Grey pioneers should and must be held in Durham.

About Catarrh

It is caused by a cold or succession of colds, combined with impure blood. Its symptoms are pain in the head, discharge from the nose, ringing noises in the ears. It is cured by Hood's Sarsaparilla which purifies and enriches the blood, soothes and rebuilds the tissues and relieves all the disagreeable sensations.

HOOD'S PILLS cure all liver ills, Mailed for 25c by C. I. Hood & Co., Lowell, Mass.

HELMETS.—The helmets which were purchased some four years ago by Mr. Gorsline and refused by the Brigade of that day, have been on sale for some time by the Fire and Light Committee, but without a purchaser. Mr. Gorsline on Monday night moved in council that this liberty of sale be rescinded, and that the helmets be delivered to the Firemen. We hope this will be a final and satisfactory settlement of those goods, especially to Mr. Gorsline, who has had a lot of trouble in getting them located.

Boothville.

Mr. and Mrs. M. McCannell from the college, visited their uncle Mr. D. McCannell. Pleased to see our old teacher Mr. Nichol spending a few days among us renewing old acquaintances and taking an interest in the football at Swinton Park on Saturday.

Mr. Hoffman took a business trip to magistrate McCannell a short time ago. Mr. Neil McCannell, teacher in Manitoba, had his school and some of his books damaged by lightning.

Mr. David McIntyre went through here one Monday morning lately, wearing an agreeable smile. It's a girl.

A CHAPTER OF HORRORS.

Three Awful Accidents.

Last Sunday at Bridgport, Connecticut, a loaded street car left the rails on a trestle-work bridge and toppled over into the water 40 feet below. 36 out of 43 passengers were killed and only two escaped unhurt. The road had only been opened a few days.

A peculiarly aggravating catastrophe was that at Bar Harbour, Maine, also on Sunday, when, amid laughter and merriment, as a boat load of excursionists were crowding from the boat to the dock, the gang plank broke in the middle and about 200 were drowned or pushed into the water 15 feet below. Here the struggling mass of humanity floundered for a few minutes in the sight of paralyzed spectators, and in spite of frantic efforts over a score were drowned.

No. 3 was in France. A loaded excursion train was standing on the track, and by some mistake in signaling, another train moving at 50 miles an hour dashed into it, killing outright 17 persons and wounding 75, many of whom will die. Truly in the midst of life we are in death.
