ADDRESS AND PRESENTATION

KIND WORDS FROM PEOPLE TO PASTOR.

Last Friday evening the home of Pastor Burns, of Malock, was peacefully invaded by a representative delegation from his Glenelg congregation, bearing with them kind words and a handsome tangible acknowledgment of their respect and appreciation for the work he had labored amongst the people in the two townships with great joy to himself and profit to his hearers, and now leaves without a jar, the only reason for separation being the arduous nature of the work, which Mr. Burns feels bears heavily upon him.

This is not the first time this congregation has honored him, having three years ago presented him with a fur coat and in other ways have shown that they appreciated a faithful pastor. The address below was read by Miss Tordy, and presentation made by Miss Ellison, and after an appropriate reply from Mr. Burns, whose heart was full, a very pleasant evening was spent together.

Mr. Burns will be with the charges till the end of September, but Glenelg friends thought this time opportune to have a social evening.

Following is the address:

To Rev. Mr. AND Mrs. BURNS.

Though it is a pleasure to meet with dear friends, yet on this occasion there is much sadness mingled with it, when we realize that those so much beloved by us are about to depart. For the past six years we have spent many pleasant and profitable days together, but now we feel that the pleasant relationship in a public way is at an end, but we hope not forever. Yet we are pleased to think that the wise counsel and moral influence directed towards us will in future be exerted upon others, and we trust they may yet appreciate your efforts, and be influenced for good as they no doubt will. We feel that you as a pastor were not a mere tradesman, but a real bible instructor. During your labors amongst us we know that you were always going your energies, and ever willing to sacrifice your time and talents by driving through pleasant and unpleasant weather to proclaim the glad tidings of joy. We realize that this was for our moral welfare. Sabbath services did not seem to you to be sufficient for causing your professional labors for the week, and we have not forgotten, nor do we fail to appreciate your kindness in this respect, knowing that your prayer-meetings had a telling effect in the high standing of Christian life. We all unite in wishing you every blessing and success in your new home, and that the work may be abundantly blessed to the benefit of many precious souls. We have much pleasure in presenting you with this purse (purse contained fifty-five dollars) as a slight token of our esteem and appreciation, and when this life ends with each of us, may we again meet and refresh unite in the promises of "Him who hath loved us and gave himself for us."

Signed for church and congregation:

BARBARA TORDY,
MARY ELLISON,
LEZZIE MCKENZIE,
MAGGIE McDUGALL,
JOHN ELLISON,
GEO. FENNEAUX.

THE WISER WAY.

"How fresh and rosy you look, Nora," exclaimed Isabel, who had just returned from the beach, and was greeting her friend.

"Yes, dear," replied Nora, "I am feeling splendidly, and mamma says I have an alarming appetite."

"Where in the world have you been since I saw you?"

"I have remained at home," replied Nora, "and I have been taking that wonderful medicine, Hood's Sassafras, the mountains next week."

Boothville.

Everybody is into the harvest this week. The grain is very plump and lots of straw.

Quite a frost Monday morning but did not hurt.

Early Monday morning the waggoners came a rolling into our town till they rolled away 200 cheese. Cheese is high priced. There is another sale to be made Friday.

Mr. and Mrs. W. J. Wilson visited Mr. and Mrs. Parslow, of Yellow Valley. Mrs. Parslow is getting some better.

Misses Mary and Lizzie Wilson and Eva Booth spent Saturday night with Dromore friends and attended service at Amos church.

Next Sabbath Rev. Mr. Matheson will preach on "Integrity," and everybody will do well to come out and hear him as he finishes his collection of sermons.

Miss Kate Clark visited Boothville friends. Kate is a favorite among her school chums.

Mr. Archie Calder came around here all alone Sunday evening. He drove away in company, and you could hear a laugh half-a-mile away.

Mr. and Mrs. Dan McLeellan, of Priceville, visited at Mr. J. McDonald's lately. Dan is sister of marriage licenses.

The foot ball match between Swinton Park and Dromore teams was played last Saturday at Lottin's barn. It was a tie game, both sides doing their part.

James Hill got home in time to lead the teams on Monday morning.

Miss Stuart is at present visiting among her many friends for a week or two.

We had a call from Mr. A. McLeellan. A. is a general favorite among old and young people, but is generally found with the fair sex.

His Life was Saved.

Mr. J. E. Lilly, a prominent citizen of Hamblin, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise. This marvellous medicine is the quickest and surest cure in the world for all Throat and Lung Trouble. Regular sizes 50 cts and \$1.00. Trial bottles free at our drug stores. Every bottle guaranteed."
