J. A. HUNTER

A SMART CAPTURE.

Owen Sound Lady and Chatsworth Burglar.

Robt. Scott, tinsmith, of Chatsworth, appeared before his honor P. M. Spencer on Thursday morning on a charge of housebreaking and stealing, preferred against him by Mr. Elias Lemon, traveller, Stephen st.

It appears that Scott entered the house of Mr. John Lemon, Stephen st., about four o'clock on Thursday morning. Mrs. Beaser, of Philadelphia, who is visiting at the house, heard a man coming up the stairs and she called Mrs. Lemon who was sleeping with her. They screamed and went to open the door but the man inside held the door. Mr. John Lemon then came up and tried to force the door. He was unable to do so for a time and then the man suddenly jumped out and made a break for liberty, but Mr. John Lemon grappled with him and the two went to the floor together at the head of the stairs. The intruder made frantic efforts to escape and had nearly succeeded when Mr. Elias Lemon made his appearance. He had been sleeping the sleep of the just and had slept through the whole affair until he made his appearance just at an opportune moment.

Scott had torn down the ballustrade for quite a distance in his extraordinary attempt to get away and even after big Elias sat on him and choked him, it was 15 minutes before he could be sufficiently subdued to permit of one man holding him.

One of the ladies had in the meantime gone to G. T. K. Agent Dench's and had telephoned for the police. She also did some tall screaming on the street and awakened the whole neighborhood, many of whom hustled out to see what was wrong.

In about 15 minutes Constable Graham made his appearance and took charge of Scott. Mrs. Lemon put her hand in the prisoner's coat pocket and pulled out Mr. Elias Lemon's gold watch and a wallet containing about \$165 was found on the floor at the head of the stairs where the scuffle had taken place.

Not until the constable came was Mr. Lemon able to see the offender's face, as the man managed to screen it from view during the whole tussle. He was taken to the police cells and lodged there for the remainder of the night. Mr. Lemon had left his wallet in the hip pocket of his trousers, hanging at the head of the bed and his watch in his vest.

Scott was remanded to jail until next Thursday. The case was not gone into and the accused refused to elect until then. Mr. H. G. Tucker appeared for the prisoner, and Mr. A. G. MacKay for the Crown.—Sun.

Zion.

The people of this district will be through the most of their harvesting this week. We are having lovely weather, a little too hot though sometimes. Quite a few attended the garden party at Edge Hill on the 18th inst., and we believe all had a good time.

One or two buggies left here on Sunday morning, the occupants intending to drive to the Sound. They had a fine time, but oh my, the roads were dusty. Mr. Cameron McIntosh is visiting his cousins, the Greenwoods.

We understand the church people of Zion are once more to be plunged into debt, the trustees of the church having come to the conclusion that the place needs something done to it. They have agreed to spend about fifty dollars, the cost of painting it. We think that it did need something, but it could have been done for quite a little less money.

PATRIOTIC PRIVATE POST CARDS—J. O. Wilson & Co. the extensive Paper Makers and Wholesale Stationers of Montreal and Lachine, send us advanced proofs of their two new Patriotic Private Post Cards, which they are about to issue. They are very neatly lithographed in colors, and will no doubt be very popular, and have a large sale, especially the Canadian design, which represents Canada, a pretty maiden in a blanket snow-shoe outfit, with a pair of snowshoes in her right hand, holding the Canadian Flag in her left, the Beaver at her feet, a wreath of Autumn leaves entwining the words "The Maple Leaf for ever," the rising sun in the background, and at the bottom the motto, "Patria Amamus." This card we consider the best production of its kind yet issued. The other is from the celebrated painting by Mand Earl, the Bull-dog standing on the Union Jack, with the words "What we have we'll hold." They will be for sale at all the Booksellers, or in quantity from the Publishers.

Almost a MIRACLE

OTTAWA, Sept. 9th, 1888. To the Phrenoline Medicine Co., Ltd. Ottawa.
GENTLEMEN,—I hardly know how best to express my appreciation of your valuable rheumatic remedy, Phrenoline. My son Gordon, who is 9 years old, has been a sufferer from inflammatory rheumatism for the past two years; was so bad at times that he had to be carried about on a mattress; was attended by two city doctors apparently without the slightest benefit; spent 10 days at Caledonia Springs, came home with no marked improvement; took three bottles of a Homeopathic remedy now being extensively advertised, which did not relieve him in the least. I was beginning to give up all hope of his recovery, when by chance I mentioned the case to a friend who strongly advised me to give Phrenoline a trial.
I did so, with the result that when my boy had taken only half a bottle he was able to get on his bicycle and ride like any other boy around the block.
I certainly feel that I cannot say too much in praise of your medicine, and shall do all I can to make known its value to others. Yours very sincerely,
(Signed) REUBEN CLARK.
