

DURHAM REVIEW.

Thursday, Sept. 21, 1899.

—Sir Chas. Tupper arrived in Montreal on Monday.

—The situation in South Africa is still "serious." According to despatches the next announces that the defiant attitude of the Boers makes war certain. The real truth seems to be that both sides want war, the Boer because he thinks he can again beat the Briton, and the average Briton wants war because he sees in the shittiness of Kruger and the Boer diplomats trouble and injustice for British residents and a danger to British prestige.

—Hon. Geo. E. Foster and Mr. J. P. Whitney addressed a large meeting in Massey Hall on Monday evening. The former smashed into Sir Richard's figures, being especially severe on the statement that Canada had progressed as much in the last 3 years as it had done since Confederation. Mr. Whitney found his topic in corruption. Anyway both gentlemen have to admit that Canada has seen no such growing time as the present.

—The evidence in the Waterloo election trial reveals a most disgraceful state of affairs. It shows that a considerable portion of the electorate take an interest in politics simply for what there is "in it." The idea that principle should rule or that their manhood is at stake seems never to give them a thought. Until the law recognizes bribery by punishing the briber and the bribed, we will have no abatement of the malady. Men will take risks, and every candidate for public office who is not willing to be left out if unfair means are necessary to elect him, is no friend of his country. This should be the decision of every honest man and patriot and he should impress it on his workers. It is aggravating the case to say the other fellows are as bad. The attitude that should be assumed by politicians should be to look inward before looking outward. Let us have clean victories or none. To allow this poison among the electorate is poisoning the stream of National life at its source.

A BIG SAVING.

Manitoba's wheat crop is now estimated at 50 million bushels and not a bushel touched with frost.

The marketing of this immense crop is begun, and the question of transportation is an all important one. The C. P. R. is making immense efforts to keep up with the growth of the west by constantly adding to its rolling stock, but with all its efforts delay takes place and much of it finds the seaboard over American lines.

Transportation assumes a new interest this year owing to the wise action of the Laurier Government at the time of granting the Crow's Nest franchise. Not only did they keep control of the pass, they, for the privilege given, demanded and secured a rebate of 3 cts. per hundred pounds on the produce of the Manitoba farmer, and also got more favorable terms for necessary eastern importations.

The value of this rebate can be easily seen by a simple calculation. Making a reasonable allowance for seed and home consumption, the saving will be over \$600,000 some say over \$700,000, but taking the less sum and allowing half as much more of benefit on exportation of rough grains and from the reduction on importations, there will be nearly one million dollars of a saving by this wise legislation. This sum divided among the 35,000 farmers of the North West represents a neat little saving, all due to wise action on the part of the government.

WOMEN'S MISSIONARY SOCIETY.

Annual Meeting of the Society held at Holstein on Tuesday—Presbytery Meeting held the Same Day.

The annual meeting of the Saugeen Presbytery W. F. M. S. was held on Tuesday in the Presbyterian church at Holstein. The meeting was highly successful there being a large number of delegates present morning, afternoon and evening sessions being held. The auxiliary at Holstein made elaborate preparations for the meeting, having the church beautifully decorated and all other arrangements complete. The missionary society delegates and members of the Presbytery were entertained at lunch in the basement of the church and this department of the day's proceedings was in the hands of capable ladies who pleased everybody.

The morning session opened about eleven o'clock with Mrs. Morrison, of Cedarville, the president, in the chair. Devotional exercises were conducted by Mrs. Gun, of Durham, and Greenly, of Holstein. After the reading of minutes the election of officers was proceeded with, Miss Allan of Holstein, and Mrs. Ray, of Mount Forest acting as scrutineers. The following officers were elected for the ensuing year: President, Mrs. Morrison, Cedarville; 1st vice-president, Mrs. Young, Clifford; 2nd vice-president, Mrs. Hanna, Mount Forest; secretary, Miss Young, Clifford; treasurer, Mrs. Harvey, Harriston; secretary of supplies, Mrs. Glenney, Harriston; secretary of Missionary Tidings, Miss Paulin, Arthur; auditors, Mrs. McMurphy and Mrs. Brisbin, Harriston.

In the afternoon the devotional exercises were conducted by Mrs. Young, of Clifford, and Mrs. Cushnie, of Dromore. Mrs. Morrison delivered the president's address and there was a reply by Miss Adie, of Clifford. An excellent paper on "Our Missionary Heritage" was read by Mrs. Hanna, of Mount Forest.

The reading of reports followed and some of those were very interesting. For instance, the committee on North-West supplies reported that they had met in Harriston on August 28th and re-packed the bales of clothing from the different auxiliaries. They sent in all eleven bales valued at \$127.03, freight on this to the North-West being \$24.09. The committee reported a marked improvement in the quality and quantity of clothing contributed this year. Seventy-nine good, heavy quilts were sent

among the other things. The secretary's report was general in character and mentioned that 240 copies of the Missionary Tidings are taken by the members of the society who find the publication very interesting. The treasurer reported that nearly \$900 in money was raised during the year for missionary purposes, Holstein auxiliary contributing the largest amount. The amounts contributed by the different auxiliaries were as follows: Arthur, \$49.21; Cedarville, \$13; Clifford, \$36.38; Cotswold, \$17.38; Durham, \$25.50; Dromore, \$48; Gorrie, \$27; Guthrie church, Harriston, \$61.71; Knox church, Harriston, \$83.05; Holstein, \$78.00; Mount Forest, \$84.75; Moorefield, \$25.00; Palmerston, \$30.00; Rothsay, \$21.00; Guthrie Mission Band \$15.20; Clifford Mission Band, \$2.00; Mt. Forest Mission Band, \$17.00. The reports were adopted. Then there was prayer by Mrs. Aull of Palmerston. An interesting question drawer was conducted by Miss Smith, Durham, and Mrs. Hanna, of Mount Forest. During the afternoon vocal solos were rendered by Mrs. Miller, of Holstein, and Misses McCulloch and Scott, of Mount Forest. A resolution of sympathy with Mrs. Morrison in the death of her brother was unanimously passed. The meeting of 1900 will be held in Arthur. At the evening meeting there was an address by Rev. Mr. Wilkie, returned mission, ary.

PRESBYTERY MEETING.

Saugeen Presbytery also met in Holstein on Tuesday, its sessions being held in the Methodist church. Rev. D. L. Campbell of Dromore, was elected moderator for the ensuing six months.

The moderator reported that Durham congregation desired to extend a call to Rev. Mr. Farquharson, of Claude, Ont. The call was signed by 161 members and 80 adherents (now considerably increased). The salary guaranteed was \$950 per annum but this may be raised to \$1,000. Messrs. Turnbull, McFarlane and Young appeared on behalf of Durham congregation in support of the call which was sustained by presbytery. Provisional arrangements were made for Rev. Mr. Farquharson's induction in case he should accept. Rev. D. L. Campbell, of Dromore, will preside and induct. Rev. Mr. McCulloch will preach, Rev. J. M. Miller, of Holstein, will address the minister and Rev. W. G. Hanna, of Mount Forest, the people.—Mt. Forest Confederate.

Holstein.

A very pretty wedding was solemnized Sep. 13th at 5 p. m. in the Methodist Church, Holstein, when Miss Jennie Doupe, second daughter of Mr. Adam Doupe, became the wife of Mr. James Danbrook, merchant, of Newbridge. Rev. Mr. Magwood performed the ceremony. The bride was very handsomely attired in white muslin with veil and white asters and carried a bouquet of white asters and mignonette. Miss Annie Danbrook, sister of the groom, was bridesmaid, and was also neatly attired in white muslin and carried a bouquet of pink sweet peas. Master Pomeroy Magwood, dressed in blue trimmed with white, acted as page while Herbert Doupe, brother of the bride, assisted the groom through the trying ordeal. After the ceremony a dainty 'dejeuner' was served at the residence of the bride's father when about 80 guests refreshed the inner man.

The bride and groom left Thursday morning for London, thence to their new home having with them the best wishes of all. Jennie will be very much missed in choir and every part of church work, as she was always willing to lend a helping hand.
