THE BIG STORE

J. A. HUNTER

Last Week we Talked to You about Higher Prices. Since then every day has confirmed the views we expressed. Iron and coal are the large factors in general trade, and the advance in iron lately has been phenomenal. Manufacturers are all busy. Plenty of Orders. Plenty of employment. Money is circulating freely. People able and willing to buy and buy the best. We have purchased freely in every department and are prepared to give you old prices for some time, but how long the stock will last depends upon yourselves. We keep the best goods money can procure, and guarantee satisfaction or money refunded cheerfully.

THESE ARE A FEW OF OUR VERY LATEST:

Men's Fur Coats at $16.00, Storm Collar, good Color and Length.
Ladies' Fur Coats at $30.00, Astrachan, latest styles and size.
Ladies' Mantles and Cloth Coats, from $1.75 up.

If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives streng nerves, bright eyes, smooth velvety skin, rich complexion.
