THE REVIEW DOWN TOWN.

A New Departure. For the convenience of our friends and patrons we have had a telephone placed in Gun's Drug Store, Lower town, where at telephone hours we may be conveniently reached. We have also made arrangements with Mr. Gun for the reception of all copy or communications, which will be called for regularly and when requested, work for country patrons will be left there when completed. While always glad to have our friends call we recognize that the concentration of business in Lower Town renders it difficult for many to get to Upper Town. To these the establishment of the above convenience will be appreciated. Mr. Gun is also authorized to receive subscriptions and give receipts therefor. REVIEW Office Phone No. 6. Branch office at Gun's Drug Store No. 3. With thanks for all past favors, we solicit a continuance of patronage, and our best efforts will be used to give satisfaction. C. RAMAGE, Pub. & Prop.

Scotch Town.

Intended for last week. Mr. Arch Beaton Sr. had a narrow escape on Saturday morning at Mr. Morrison's thrashing, standing close by Jack Morrison's bay team which was hitched to a waggon. Jack was in the act of heading a water barrel out when an ugly roar from the engine scared the horses, Mr. Beaton catching one of them by the head. He was tripped in some way, the team and wagon passing right over him. His head and face was badly bruised and out and complaint of other injuries on his body, when Jack who was pitched in the air, but came down in a few minutes and came back to his right senses felt a sore—about his body. The horses ran about a mile when they were captured by Morrison Sr. they escaped without a scratch the waggon box was found scattered in pieces. All are doing well.

Echoes of South Grey Fair.

In the hurra of last week we omitted several bits of news, which we add now. The gate proceeds were \$315.10 and as the society got the government grant the day before of \$380, there will be funds enough for all.

We counted 224 birds in the poultry house, and we are assured that had no accommodation been certain, 40 or 50 more of outside birds would have been shown.

The winner in the farmer's trot was H. Hunt and not A. Bell as given last week. A. Bell had entered and was "No 1" on Secretary's list and the judges book showed plain enough that No 1 got 1st prize. Mistake somewhere.

The presence and music of the band helped the day along, but the opinion is general that the Directors must introduce some new features next year.

A CLOSE CALL.—On Monday the school house in S. S. No. 14, Egremont, was very nearly destroyed by fire. In some way the roof caught, and burned away through shingles and sheeting till ashes began to fall on the inmates. Teacher Graham was out in short order to find several neighbors approaching who had happily seen the fire at a distance. With a ladder and pails the fire was got under control, with a good sized hole to patch up.

SUDDEN DEATH IN MT. FOREST.—Mrs. Wm. Hampton died Monday morning very suddenly. She was in her usual health the day previous and towards morning Mr. H. thought he heard a peculiar noise from the room where she slept with the youngest children. He looked in but she reported all right. Again alarmed in the same way, he went and found her unconscious, and in spite of medical aid she passed away, leaving 5 small children. Great sympathy is felt for the stricken husband.

Wm. Schiefle, late editor of the Palmerston Spectator, died in Palmerston last week at the early age of 25. He was a native of Normanby township and we learn from the Reporter, was a victim of consumption.

SNOW ON SEPT. 29.—Our first touch of the beautiful came this early, and farmers will be "swifthering" about their turnips. Once more nature has painted the leaves in their rusty colors and appearances point to an early winter.

Some mistake, Bro. Flynn of the Advance, Ayton? First prize for "Best span of Agricultural horses," and "Best heavy team on the grounds" appear in last week's issue as going to "J. Fisher." Picken Bros. brought home both these red tickets.

Under the auspices of the A. O. U. W. Miss Thompson and Mr. Neil Burton, of Toronto will give a Literary entertainment in the Town Hall on Monday evening, the 16th of Oct. These parties are highly recommended as first class entertainers. For further particulars see large posters. More next week.

A meeting of the Deanery of Grey and the S. S. Association in the same district is being held to-day, Wednesday, in Trinity church.

Rev Mr Potter, of Paisley, occupied the pulpit in the Methodist Church on Sunday morning and Rev Mr Sharpe, of Varney preached in the evening in the absence of Pastor Ferguson who took Mr Potter's work for the day.

Durham's latest ambition is to possess a cement factory. A large bed of marl has been discovered inside the corporation which has been properly tested and pronounced first class by the government analyst. There is no reason, therefore, why our neighbors shouldn't utilize the advantages nature has bestowed upon them.—Mt. Forest Representative.
