The greatest English writer of to-day is the gentleman who writes over the name of Bystander. This writer covers every subject of interest to the intelligent reader and his writings are eagerly looked for on two continents. The Sun is the one paper for which Bystander writes weekly. You can get the Sun and THE REVIEW to the end of next year for \$1.30.

SUGAR BEET.—Warton people are moving to secure a sugar beet industry. A meeting was held in Hanover last week and addressed by two Warton gentlemen, who explained the steps necessary and pointed the suitability of the soil round Hanover for the growth of the article.

KILN No. 4.—The fourth Kiln of Portland cement was opened Monday. This burn was the most successful of all and contained 150 barrels of A1 quality. The Hanover Portland Cement Co. is to be congratulated on being able to turn out first class cement from the start. Another case of "be sure you are right then go ahead."—Post.

We omitted mentioning in last week's paper the death of an old Egremont pioneer John McQueen father of Councillor McQueen of that township. He, with his son, had attended Guelph show and returned in his usual health but was found dead in bed next morning. He was well known and respected.

GOOD YIELD.—Mr. Jno. Muir, Ceylon, purchased last spring 5 lbs. of potatoes from Mr. C. C. McFayden, agent for Chase Bros. From these 5 lbs. he has just gathered 3 bushels or 180 lbs. The variety is the "Money Maker."

Mr. and Mrs. John Milligan are visiting friends on 2nd Con. Glenelg this week.

TO SPORTSMEN.—Curtis and Harvey's gunpowder, in canister and keg, at Parker's Drug Store.

FARMERS OF SOUTH GREY.—I have a large amount of private funds on hand, to lend on Mortgage security at a very low rate of interest. You will save money by paying off the old mortgage. J. P. TELFORD

MONSTER SALE.—H H Miller, the Hanover Conveyancer, will hold a monster sale of 25 farm and village properties, by auction, at Kirchner's Hotel, Hanover, October 28. Write him for copy of Sale poster. There will be great bargains.

THE SURPRISE IS OUT. Particulars are just to hand of the new premiums for subscribers of that wonderful paper "The Family Herald and Weekly Star," of Montreal. It appears that to mark the end of the century the publishers are giving their subscribers this season two most beautiful pictures instead of one as in former years. The two decided on are that famous battle picture "Alma" and a beautiful peace picture entitled "Pussy Willows." Yearly subscribers get them both. If this is not a dollar's worth, we want to know. The "Family Herald and Weekly Star" has also been increased to 24 pages—192 columns—every issue, representing a book of 384 pages. Think of it! There should be a great scramble to get on the "Family Herald and Weekly Star" subscription lists this year.

Cheese is selling at 11c cents, but sellers are holding out for 12 cents.

Sir Wilfred and Lady Laurier and some of the cabinet ministers are coming to Paisley on Wednesday, Oct. 18. How many are going from Durham to hear our Premier?

On our inside pages will be found a fine account of the Venezuela settlement: Transvaal trouble and other matters.

SERIOUS CUT.—Mr John Jardine, Glenelg, while cutting bands at a thrashing the other day made a bad gash on his wrist. Dr Jamieson put 7 stitches in it and it is getting on all right.

ONTARIO'S HEALTH.—The Monthly Health Report of the Provincial Board for August shows a total of deaths from all causes of 2,088, a rate of 11.4 per thousand. From the contagious diseases specified there were 281 deaths as under: Scarlatina 8, Diphtheria 25, Measles 5, Whooping Cough 16, Typhoid 55, Tuberculosis (Consumption) 172. Thus the deadly "white man's plague" has more than half to its credit of the contagious deaths. Little wonder the California Legislature is taking steps to prevent the influx of afflicted convalescents.

FAX.—The enterprize of Dromore people is well known. On October 26 a grand entertainment, with the inimitable Jas Fax as the star, will be held in Russell Hall under the auspices of the I. O. F. Miss G King, Mount Forest, soloist, and Insp. J C Morgan, Barrie, are also on the program. The hall, we predict, will prove inadequate to accommodate the crowds who will want to see these famous entertainers. They do not want comfort should reserve their seat at once. Plan of hall and tickets at Jno M Findlay's. Reserved seats 35c. Others 25c.

THE LATE R. D. McDONALD.—In addition to what appeared in the Priceville correspondence last week the following from the "Montpelier Examiner" shows the high estimation he was held in locally: "In memoriam.—Robert D. McDonald was born in Canada in 1865, and came west with his parents many years ago. He was in the employ of the Short Line as a fireman and later as an engineer for twelve consecutive years. Those most closely associated with the deceased knew him as a whole souled, kind hearted and trusty employee.

Bob was an upright and honored citizen, a kind husband and loving father. His death, coming so unexpectedly, makes the sorrow doubly hard to bear for the wife, children, father, sisters and brother. Ever since the accident, that befel him last winter, Mr. McDonald has been a sufferer, but he bore his lot without a murmur thus attesting to his noble manhood. That he was destined to be taken while yet in the prime of life, is deplored by all, for ahead of him, had he lived, was a life of great promise.

It is needless for EXAMINER to state that the bereaved family and relatives have the sympathy of the entire community, for they have. Everyone who knew Mr. McDonald feel that they have lost a good and true friend and the city a substantial and esteemed citizen.

CARD OF THANKS.

Mrs. R. D. McDonald extends her heartfelt thanks to all friends who so kindly lent their assistance and sympathy during her great sorrow, at the death of her beloved husband. Their loving acts of kindness will ever be remembered and cherished in the hearts of those who received them.

MRS. R. D. McDONALD and Mrs. J. T. HARTMAN, and Families.

THE LATE J. D. GUNN.—The death of this young man on Wednesday came before the community in a very striking manner. Deceased was apparently a healthy young man, but his social leanings led him into irregularities which without doubt have caused his premature taking off. We trust the lesson of his unfortunate struggle will not be neglected. To the bereaved relatives we extend all sympathy.

The pastor of the Methodist Church, laid before his people on Sunday morning the scheme of the twentieth century fund and it will be taken up here on Sunday the 20th Oct. The Methodist congregation are aiming at raising \$400 and it will be applied to local debt on the church. Many churches are giving to the different funds as Missions, Educational Endowments, &c and each one decides for itself as to the use to be made of the money.

A SUCCESS.—The Anglican Annual Sunday School Convention and Rural Deanal meeting of the County of Grey, was held in Trinity Church, Durham, on Wednesday, Oct. 4. It was well attended and a first class Convention, the papers and discussions being very interesting and practical. The Missions Committee elected were as follows:—The Rev W. A. Graham, B. A., Rural Dean. Rev F. Ryan B. D., and the Rev. J. R. Newell. The Sunday School officers elected were: The Venerable Archdeacon Mulholland, Owen Sound, Hon. Pres; the Rev. J. Adrill, Rector of St George's, O. Sound, President; Vice-Pres, Mrs H Parker, Durham; Cor Secy, Mrs Currie, O Sound; Rec. Sec., Rev J R Newell, Markdale.

The next meeting will be in O Sound. A very cordial vote of thanks was tendered to the members of Trinity Ch. for the very excellent entertainment provided for all the delegates. A very large congregation attended and a hearty and beautiful service was held in the church in the evening when interesting addresses were delivered by Rev. Kur-Dean Robinson, Walkerton and the Rev. Rural Dean Graham of Shelburne. The choir did their parts well. Miss Nora Meredith and Mr. J. A. Hunter sang beautiful solos which were much appreciated. COM
