WAR NOTES .- Day by Day.

THURSDAY.

Reports that Boer forces are within 1500 yards of Ladysmith and that fierce cononading is going on leads to the belief that a general assault is being planned

Details of brilliant and heroic exploits at Mafeking are arriving though over two weeks old.

Over 5000 British troops have reached Durban, and an advance is expected. An engagement between the Boers and natives is reported to have taken place and that the Boers got worsted.

FRIDAY.

lovely, but on coming back the train was derailed and Boer guns already placed in four positions commanding got back to Colenso with 15 wounded clinging to it, while the Boers report 8 Britons killed, 11 wounded and 90 captured. This reverse will put armored trains out of fashion though why they were so off their guard it is hard to see.

A report that Gen. Joubert has been killed has been proved wrong. Such stories and that the Boers are retiring are now seen to be little devices to draw out the eager Britons,

The advance is to be a threefold one: people. from Durban, East London, and Cape Town. Ladysmith though still surrounded is considered safe. A great battle is expected soon.

SERVICES AT TRINITY CHURCH.

Bishop Baldwin Present.

Sunday last a full torn out of Episcopalian worshippers with a sprinkling from other denominations filled Trinity Church completely, the occasion being the Jubilee of the organization of their church in Durham, as interestingly referred to in the letter of Archdeacon Mulholland in last week's Review.

The presence of Bishop Baldwin, of the Huron Discese, on his confirmatory tour, lent a great interest to the occasion, and to the older heads of Trinity who for more than a generation have kept its light burning, it must have time of rejoicing as they contrasted the past with the present. And perhaps not all rejoicing, for a reminiscent look will certainly recall memories of long lost friends who, in their day, were side by side with them in every good work.

Miss Flora Meredith and Mr. Telford sang a very pleasing duett during the offertory.

The Bishop took his text from Psalm 118: 22, 23, and in a clear and forcibl manner with fine enunciation gave an able discourse.

After referring to the supposed material origin of the incident of the stone, he entered on its application as an emblem of Christ, the Rock of Ages. No fewer than 32 candidates received from the Bishop the rite of confirmation, and the interesting ceremony was also performed by the Bishop at Egremont in the afternoon.

The service lasted about 3 hours, yet the Bishop notwithstanding his arduous labors for the day seemed to be possessed with great vigor.

Mr. J. A. Hunter rendered a fine solo "Nearer Home."

Bishop Baldwin impressed all who heard him as being an able and devoted servant of God, of great Catholicity evangelical in his teaching with a pleasing presence and deliverance.

GENTLEMEN,-I hardly know how best to express my appreciation of your valuable rheumatic remedy, Phrenoline. My son Gordon, who is 9 years old, has been a sufferer from inflammatory rheumatism for the past two years; was so bad at times that he had to be carried about on a mattrass; was attended by two city doctors apparently without marked improvement; took three bottles of a Homeopathic remedy now being extensively advertised, which did not relieve him in the least.
