We are pleased to report a slight improvement on Mr. V. Ellis although far from being out of danger yet.

**Discovered by a Woman.**  
Another great discovery has been made and that too by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night, and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamrick & Co., 7 Shelby, N. C. Trial bottles free at our Drug Stores. Regular size 50c and nd \$1.00. Every bottle guaranteed. 4

**Hopeville.**  
News of importance has been rather scarce here lately.  
The Proton council held a meeting in the Hotel here on 10th of Nov. and considerable business was done.  
Our neighbor Mr. Geo. Coulter rejoices over the birth of a son.  
Mr. Thomas Watson living on the town line Egremont and Proton was united in marriage on the 15th Nov. to Miss Katie Ferguson, daughter of the late Mr. Donald Ferguson. Mr. & Mrs. Watson moved on to their farm the following day.  
More wedding bells preparing.

The weather has been very good and the farmers are getting along well with their fall work.

The collector is out with his Roll and he states that the rates are about the same as last year.

**He Fools The Surgeons.**  
All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed, but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the World. 25 cents a box. We were sorry the students did not meet as they intended, as we might have learned a few things about the meteors we did not understand.  
Botn, to Mr and Mrs Jas Gardiner, a daughter.  
Mrs. John Aldcorn is spending a week at Ler father's in Howick.  
Dame rumor has it that John McMillan will be taken out as Councillor for the coming year. The expenses of the township are very high and taxes are much higher than previous years. We trust John will be as good a man in the council as his father was if he would be elected.  
The examination of St Andrews church Protou took place on Nov. 5, when the best in the class was presented with a Bible. In Mrs J Fattou's class, for reading the most verses, Lizzie Aldcorn. Miss Martha Martin's class, Robbie Patton; Mrs J Patterson's class, Willie Knox, Boothville; Mrs W Patton's class, Mary Patton; John Aldcorn's class, Sophia Ferris; Nettie McMillan's class, Edie Stephens. Six of the scholars repeated the shorter catechism without a mistake. Each scholar was presented with a beautiful card. Much credit is due to the superintendent Mr. Jas Patton, and Mr D McMillan who is over 80 years of age did not miss a Sunday in opening and closing the Sunday School by prayer, also the teachers who always were punctual in attendance, and the scholars who all ways tried to have their lessons, and be in good time.

Mr. Dugald McCannel has improved the appearance of his house, and insured its safety by building a substantial chimney.  
Arrived on the stage of life at Mr. and Mrs. Witter's home a young daughter, Mother and daughter doing well.  
We had hoped the Cheese Factory trouble was at an end, and that all were satisfied with the compromise made for the last sale, but it seems the cheesemaker is still to be assailed by at least one party, who sees no mitigating circumstance in the loss Mr. Marshall sustained by running the factory to oblige the patrons while losing every sale himself. It is gratifying however to learn that this is the only note of discord among many words of cheer and encouragement received from the patrons, even from the heaviest losers.

**Crawford.**  
Mr. Hugh McKechnie was working at Mr. A. McDonald's barn last week.

Mrs. J Beaton visited her sister Mrs. Brown for the past two weeks.  
Alex McLean put up a stable for Mrs. Twamley on the corner of his own farm.  
Mr. Bower has laid the cement flooring in Dugald McDonald's stables.  
A new arrangement has been made in connection with our neighboring churches by which Malcolm, West Bentineck and Crawford have been united. At Crawford service will be at 10:30 one Sabbath and every other Sabbath at 4. All are welcome.  
We have been informed of the marriage of Miss Sophia Stade to a Toronto gentleman.  
Walter Boyce of Harrow is home for a trip to see his relatives and friends of this part.  
Ralph Teasdale who for the summer months have been engaged farming in Brant has returned home.  
On Hallowe'en a young man of con. 7, Bentineck, while engaged, in a labor of love of helping a young lady of Louise protect her gate, was unconscious of what was happening his own belongings. When going home he discovered that his r. b. and whip were missing. Next morning they were seen on the flag pole at Louise corner. But to return kindness for kindness the young lady had a young lad climb up and take it down. That of course implies another visit for Malcolm to Louise, which of course will repay for all his worry over the robe and whip. Remember it was not Hugh McKechnie's boy as one reported.  
Hugh McKinnon paid the Boyd family a visit one Sunday recently.  
Henry Lempe took a job of stoning a field for Mr. Ireland.
