Talmage's Sermon on the Imperial Organ-The Most Wonderful Thing We See Not So Wonderful as the Instrument Through Which We See It.

course, Dr. Talmage, in his own way. that comes in tears when some be- derful-how much more wonderful calls attention to that part of the human body never perhaps discoursed row, but the breaking up of the arctic all eternity to come on that retina. upon in the pulpit and challenges us of frozen grief in the warm gulf stream The eyes with which we look into all to the study of omniscience; text, of consolation. Incapacity to weep is each other's face to-day suggest it. Psalm xelv., 9: "He that formed the madness or death. Thank God for the It stands written twice on your face

the Bible God honors it, extols it, is the human eye! The tongue is shall He not see?" Oh, the eye of the Bible God honors it. Five illustrates it, or arraigns it. Five hundred and thirty-four times is it mentioned in the Bible. Omnipresence—"the eyes of the Lord are in every place." Divine care—"as the apple of the eye." The clouds—"the eyelids of the morning." Irreverence—"the eye of the Lord are in every place." The clouds—"the eyelids of the morning." Irreverence—"the eye of the lord set. Oil, the eye of assuage shall like hot set. Oil, the eye of the lord set. Oil the lord set the morning." Irreverence—"the eye that mocketh at its is her." Pride—with sadness, or pale with envy, or with sadness, or pale with envy, or stare with lasting friend.

You often find in a book of manuscript a star calling attention to a fire with revenge, or twinkle with tention—"the fool's eye in the ends of minth on beam with least, or twinkle with footnote on calling attention to a the earth." Divine inspection—"wheels full of eyes." Suddenness—"in the lyric in twen Have you not not use the stars of the printer calls an asterisk. But all twinkling of an eye at the last trump." lyric in turn. Have you not seen its the stars of the night heavens are Olivetic sermon—"the light of the body unlifted brow of surprise, or its frown Cod Our calling your attention to is the eye." This morning's text-"He of wrath, or its contraction of pain? God. Our every nerve a divine handthat formed the eye, shall He not see? If the eye say one thing and the lips divinely swung. Our every muscle a pulley say another thing, you believe the eye seemed with divine handstand much of the glories of the two great lights of the human race, but the vast multitude go on from cradle to grave without any appreciation of the two great masterpieces of the Lord God Almighty. If God had lacked anything of infinite wisdom, He would, have failed in tree:

| Sut those best appreciate the value of the Such that I is not a billing of the distribution of the distribution of the bye who have lost it. The Empediate the value of the sye who have lost it.
