Last Summer we made large purchases of Wall Paper for delivery this winter in anticipation of a rise in the price, which we have marked down to rock bottom prices. A reduction of from 25 to 30 per cent from ruling prices last spring.

And a large assortment to choose from.

Remember we trim every roll free of cost. This is of itself quite a saving in time and labor.

See our line of 5c rapers. They will astonish you.
