----"HER MAJESTY."

Monday evening last our dear old Queen with her burden of 81 yrs, upon her started on a journey to Ireland which may prove to be the most momentous and we hope will prove the most beneficent of her long long reign.

Extraordinary preparations are being made for her safety, every one scents danger, not from the Irish as a people, but from some morbid cranks who may see a chance for notoriety.

Before leaving she visited Frogmore, where the remains of Prince Albert lie, teemed and respected treasurer of the and how intensely pathetic is the visit! | township, an occurence every member of -The 'Delegoa Bay Railway there is danger, that she may never her youth, and she steps out "in the fierce light that beats upon a throne." treasurer the clerk be instructed to draft Will pay the following prices ALL DEAL WITH sympathy and of appreciation, to a nation, which has often yearned for such a visit and which, with few exceptions,

will we believe prove worthy of it. Dublin is eu fete, its population of 360-000 has been swelled to a million, the occasion is historic, all Ireland is throbbing, and the empire will look on with thrilling interest and say "God Save the Queen and ould Ireland."
