"The Hotel Bed" by Miss McCallum in Glasgow Scotch, evoked storms of applause."—Examiner, Barrie—Town Hall, Durham, next Monday night.
VARNEY'S S. PICNIC.—Will be held this year on Saturday, 23rd inst. in Mr. John Aldred's orchard where several of its predecessors were so successful. A good time with music and games is being planned for.
Boothville school picnic, is to be held on the 21st inst and should the day be fine will eclipse anything yet held in the neighborhood. John A. Graham is the teacher there and the section is wide. Go for sure.
2 Boxes Ideal Shoe Polish for 25c at the Big Store.
THE EXCURSION.—The station on Tuesday morning was doubly lively, re-decorated soldiers and gayly dressed excursionists. The latter were fairly numerous and the bulk of them got off in a special train, the regular taking the military and a few others.
Night watchman Crutchley of the Factory on Monday night last began the use of the recording clock. This clock he carries with him and keys are attached at 5 or 6 points of the building which are used to make the record at regular intervals or the thing "will tell". Great scheme!
DEATH AMONG THE HORSES.—This season seems to be peculiarly fatal to horses. We have heard of no fewer than 8 of late who have lost horse or mare, or mare & foal. The sufferers are Hugh McArthur, C. Petty, Jno Backus, Wm Vollett, T. T. Mountain, McKenzie, Haskins, R. Mountain.
2 Bars soap for 5c same size as comfort at the Big Store.
Miss Tessa McCallum the renowned elocutionist will appear in the Town Hall on Monday evening, June 18. On the same occasion the talented Miss Jean Renwick, Drumore and Dr. Brown, Holstein will sing. This trio can not be excelled in their line and tickets should be in demand.
DIED.—We were pained and surprised to hear on Tuesday that Mr. Fred Hargrave, North Egremont had passed away on Monday, the cause being some bronchial trouble. For some years he has been in delicate health, but always able to be around. He was about 50 years of age and leaves a widow, 2 sons and 12 daughters to mourn.
James A. Hunter of The Big Store always pays cash for Butter, Eggs and wool.
NO 4 COMPANY.—Captain Snider gave his men a pretty severe drill on Monday and on Tuesday morning about 35 lined up at the armories and marched to the station, not to the sound of pipe and drum more the pity, but they will get plenty of it at Niagara.
PROPERTY TRANSFER.—Dr. Freel on Monday last bought from Mr. Kelly the old Moody property at the foot of the hill for \$250 and will at once take steps to have a residence built thereon. The old house, one of Durham's landmarks, is of no use, and will be removed. The site is one of the best in Durham and a new residence there will add greatly to the appearance of the hill. We congratulate Dr. Freel on his purchase and the town on the proposed improvement. The Dr. was offered a piece of the Edge property but could not make terms.

Dr Arthur Gun, Innerkip, was home for a day this week on a visit to three generations of relatives, the third being his son Gordon, who is holidaying here.
Mr. Duncan Hunter, S. Egremont has been sorely afflicted this spring. His 15 yr. old daughter died last week just 6 weeks after her mother's death. Sincerely we tender our sympathy.
Russell Brown son of Mr. R. H. Brown, Manager of the Furniture factory, is expected in a few days to take the place in J. & J. Hunter's store, recently vacated by Mr. John Whelan.
Mr and Mrs. Arch. McLean, Aberdeen attended the funeral of Mrs. Geo. Smith, in Saugeen Tp. Bruce Co., on Monday June 4th. Mrs. Smith was a niece of the above and at one time lived on the 3rd Con. Bentinck.
Rev. Mr. Farquharson preaches at the induction of Rev. Mr. Kendall to Conn and Woodland on July 3rd next. Rev. Mr. Hanna will address the minister and Rev. Mr. McDonald the people.
Mr. T. A. Ferguson, Cheboygan, Mich., was in town Tuesday, having been home on the occasion of his father's death in Shelburne. We were pleased to meet the son of the late Inspector. He called also on old friends Mr. and Mrs. S. Arrowsmith and was a guest with them over night.
Miss Nettie Brown, of the REVIEW Staff is attending the Association of the B. Y. P. U. of this county which is being held at Keady this week. Mr. and Mrs. Brown drove with her to Owen Sound on Monday and will visit their sons there before going to the association. Mrs. H. Burnett accompanied them and goes to the Association also.
Miss McCallum's personality was grace personified, and her magnetic dramatic power, coupled with richness of voice, was a rare treat indeed to all who were privileged to hear and see her.—News, Kingston, Town Hall Durham, on Monday 18th of June.
Rev. Mr. Ferguson has been appointed to Drew and another station near to Mr. Forest, and will reside in the latter place thus having High School privileges for his family. The Durham field under Mr. Ferguson's charge, has done well and is stronger financially and every way than when he came. Mr. Ferguson is a cultured gentleman as well as a faithful preacher and pastor and all denominations will regret the separation while wishing him success in his new sphere. His successor is a Mr. Smith from Grimsby.
SORRY TO LOSE HIM.—Mr. John P. Whelan for some years the valued assistant of J. & J. Hunter, merchants here, left for Hepworth Tuesday morning to enter into business on his own account. His many friends send with him the best of good wishes while they regret to lose him. John is a young man of irreproachable character, and in dealing with the public became popular as a salesman. In his new sphere, with shrewd business instincts and experience, affable manner and unquestioned integrity, he will be sure to be successful. The Methodist church and Bible class and especially the choir will sorely miss him. On Friday evening last the choir spent a social evening together and on Monday presented him with a purse and contents as a reminder of association in church work. The Review bespeaks for him and hopes for him a prosperous career.

THE CHOICE OF THE CONSERVATIVES.

Saturday last representatives of the Conservative party in S. Grey to the number of 127 (delegates at least) met in the Town Hall to make a choice of a candidate to be their Standard bearer at the next Dominion election.
The east part of the riding was well represented, every delegate from every ward is thought being present. This bespeaks excellent organization.
As usual quite a number were nominated to give them the speaking privilege but only three of them allowed their names to go to the ballot. These were Messrs M. Richardson, Flesherston, C. McKinnon and W. Laidlaw, Durham. The choice of the Convention at the first vote fell on the eastern man he securing 75 out of 127 voting. McKinnon 33, Laidlaw 21. The election of course was made unanimous amid the plaudits of the company.
Mr. I. B. Lucas, M. P. P. for E. Grey, and a son-in-law of Candidate Richardson, was present and delivered what by many was considered the best speech of the day. Besides the candidates other speakers were Dr. Jamieson M. P. P., Chas. Moffat, John McArthur, R. Riley, Jas. Swanston, Jas. Allan, Geo. H. Schenck, R. J. Ball, John Taylor and Thos. Kells.
The Candidate now being public property a few words about him is in order. Mr. Richardson is a merchant in Flesherston and does business also in Dundalk. He has been in the former place for about 30 years and has been closely identified with its moral and intellectual interests as well as its material ones. He is between 50 and 60 years of age a leading member of the Methodist church, and occupies a prominent place in the social life of the community. He has served his township in various capacities, and is at present a member of the County Council and for one term was Warden of the County. He is a well read, intelligent man and a fluent speaker as we have heard him, addressing Teachers' Associations. Unlike some other Conservative leaders, he has so far as we know, always been Conservative and is the first man to receive nomination in S. Grey from the township which was gerrymandered into it to overthrow its Liberal proclivities, but which has always failed. Mr. Richardson has been hitherto almost entirely a local man as far as this riding is concerned and will likely receive a hearty Conservative vote in the east, his local influence overcoming the repugnance to his leader which was so strongly marked at the election in 1896.
BY-LAW NO. 383.
A By-Law for the Regulation of Employment and hours of labor in Shops and places of business in the Town of Durham.

For the period extending from the fifteenth day of May to the fifteenth day of September in each and every year.
2.—This By-law shall come into full force and effect on Thursday the 21st day of June A. D. 1900.
3.—Any person or persons offending against the provisions of this By-law, shall on summary conviction before a Justice of the Peace be liable to a penalty not exceeding \$50 exclusive of costs and in default of payment of such fine as may be adjudged together with costs, then distress and sale of the goods and chattels of the offender shall be made to satisfy the said fine and costs; and in case there be no distress found out of which such fine can be levied, such offender shall be liable to imprisonment in the Common goal of the County of Grey, with or without hard labor, for a period not exceeding twenty-one days; unless the fine inflicted and costs including the costs of the distress, and of the committal and conveyance of the offender to the goal are sooner paid.
Passed in Council this Eight day of June A. D. 1900.
