Alexander the Great was wounded, a plant with a peculiar flower, and he dreamed that that plant was put upon from his dream, told this to the physician, and the physician wandered out until he found just the kind of plant which the sick man had described, brought it to him, and the wound was healed. Well, the human race had been hurt with the ghastliest of all wounds -that of sin. It was the business of Christ to bring a balm for that wound -the baim of divine restoration. in

carrying this business to a successful issue the difficulties were stupendous. In many of our plans we have our friends to help us; some to draw a sketch of the plan, others to help us in the execution. But Christ fought every inch of His way against bitter hostility and amid circumstances all calculated to depress and defeat. In the first place, His worldy occupa-

ous dispensation, was a stupendous un- ion said in those days, "Blessed are dertaking that was enough to demand | those who live amid statuary and all the concentrated energies even of fountains and gardens and congratu-Christ. We have a great many ro- lations and all kinds of festivity." This mantic stories about what men with young man responded, "Blessed ara physical toll have accomplished in in- they that mourn." Public opinion in tellectual departments, but you know those days said, "Blessed is the Romthat after a man has been toiling all an eagle, the flap of whose wing day with adze and saw and hammer, startles nations and the plunge of rest. A weary body is an unfavorable Christ's occupation with His neavenly
