Bradstreet's on Trade. Business has been fair at Montrea! th's week. Fall trade is showing more activity. Some failures with liabilities rather larger than lately experienced will doubtless tend to make traders observe caution. Values continue firm. There is a good demand for money, and rates are steady.

The large number of risitors in the Toronto market this week continue to stimulate trade. The house sales have been large, buyers from the country having placed many sorting orders for the fall. Values of all staple and imported goods continue firm. Country remittances are fair for this season. The demand for money is good and

rates are steady. Unfavorable weather lately at Win nipeg has tended to check the development of fall trade. Farming operations have been interfered with. But little new wheat has come out of the farmers' hands yet. There is a fair Jobbing trade being done. The labor situation has been improved by the settlement of the railway men's

A fair amount of fall business is being done at Hamilton. Large quantities of goods are being distributed by the wholesale firms to various centres of trade throughout the country. Prices continue firm.

The wet weather in British Columbia has retarded harvest operations. The results of the salmon pack on the Fraser River have been very disapungodly. The worst forms of punish gallant action which has won for him payments are only fair. The lumber industry is very active.
