Pricerville.

We are again called upon to chronicle another death in our midst in the prime of life, in the person of Mr John Mather, after a few weeks illness from a complication of ailments, on Thursday evening the 31st January at the age of fifty three years and five months. Mr Mather was the oldest son of the late Wm Mather, of Bentinck, coming to this country when two years of age and lived at the old homestead until he married nineteen years ago when he moved to his farm where he ended his days, one mile south of Pricerville on the Glenelg side of town line.

In Mr Mather's death the community has lost a man who always stood amongst the highest class in every respect, always ready to lend a helping hand in assisting the needy. Mr Mather was an elder in the Presbyterian church for the last ten years, an office which he filled with credit to himself and church for which called upon to perform the duties relating to his official capacity, he was always ready to respond, not fearing to put the talent bestowed upon him to good account making his life and character an exemplary one. On the evening of his departure he called his family and friends to his bedside to bid them a last farewell.

His pastor Rev Mr Matheson and Dr Boyle stood at his death bed and when asked by the pastor as to his future he replied that to him it die was gain.

The funeral on Saturday afternoon 2nd Feb, was largely attended, to the cemetery in this place. The remains were taken to the church where the Rev Mr Matheson preached a very effective sermon from the words found in Philippians 1st chap, 21st verse and last clause of the 23rd verse making touching remarks on the life and character of the departed. Mr Mather leaves to mourn his loss a widow, two sons, one daughter and brothers and sisters, besides an aged mother who will mourn the dutiful son, who has passed away from the cares, pains and troubles of this life. Now that she is getting feeble and frail the time is not far into the future when she too will be called upon to join in with husband and son, who were so recently taken from her. Six of his younger children acted as pallbearers. Thus ended the life of one who was always admired by those who formed his acquaintance.

He leaves a large circle of friends besides his own family, in this part he leaves four sisters, viz; Mrs Jno McPhail, Mrs Hector McLean of Glenelg, Mrs Neil McDonald of Walkerton and Mrs Alex Smith of Dornoch. THOUSANDS GIVE TESTIMONY.

Letter upon letter pours in from every point in Canada testifying to the marvelous power of Dr. Pitcher's Backache Kidney Tablets to cure kidney and bladder troubles of the young, middle aged, and aged, and such other troubles as find their origin in a faulty kidney action, and they are many. Such a mass of evidence puts his power to cure these afflictions beyond a doubt, and shows that the Tablet is the right thing in the right place.

This is what Mrs. J. W. Hutchins, 82 Portland St., Toronto, has to say,— "I cannot say too much for Dr. Pitcher's Backache Kidney Tablets. Before using them I had a gnawing pain in the back all the time, and an acute lameness across the loins. I had not so much aching in my head as between my shoulders and in the back of my neck. Since using the Tablets my back is as it used to be, and the rheumatism in the shoulders has dis-

appeared. Formerly when I did a washing I was utterly tired out, not having a bit of energy left. This morning I did my washing in two hours and I did not mind it. I have no hesitation in recommending Dr. Pitcher's Backache Kidney Tablets, for I never had anything do me as much good."

Any readers of this paper can test the merits of Dr. Pitcher's Backache Kidney Tablets free by enclosing two cents postage for trial package to The Pitcher Tablets Co., Toronto, Ont. Regular size 50c per bottle.
