WHOLE NO. 1196

Local and District News.

A few remnants of Wall Paper at 3c a roll left at MacFarlane's.

Mr. and Mrs. Frank Warner are visiting at the parental home.

Miss Campbell, of Hanover, is visiting her sister Mrs. John McKechnie.

If you are not recovering rapidly from an attack of La Grippe—one 50c bottle of MacFarlane's Tonic will have the desired effect.

Miss Minnie Latimer, of Detroit, Mr. and Mrs. Thos. Latimer and two children of Finlay, N. D. and Mr. Harvey Hudson, of Teeswater, were guests during the past week with Mr. and Mrs. J. M. Latimer.

Much regret is felt for the serious illness of Mrs. (Rev.) Smith and Miss Maggie Scott, teacher. We hope that a change for the better may take place soon.

Mr. Geo. Lawrence makes his bow to Review readers this week announcing his new business. Everything in provisions and fresh groceries for cash or its equivalent at reasonable profits is what he is aiming at, and no doubt he will secure a share of the trade.

An L. O. F. Oyster Supper will be held in their Court Room on Feb. 28th. Members and their ladies expected to be present. Tickets 25c. WM. BLACK, C. R., WM. JOHNSTON, R. S.

HEARTY CONGRATULATIONS—To-day Wednesday, Mr. Rowe, baker is being united in wedlock to Miss Alberta Beckwith, of Guelph, daughter of Mrs. Fairman, formerly of the British hotel.

Our Edge Hill correspondent fittingly refers to the death of Mrs. Wm. Weir last week. Her loss is one much to be lamented not only for her own character but for the home light that has gone out. The Review extends sincere sympathy.

SOCIAL EVENING AT MULOCK.—The young people of Mulock Baptist congregation spent a social and very enjoyable evening at the Manse on Monday of last week. The hospitality of Rev. Mr. Campbell, his pastoral faithfulness and her talent and Christian spirit, are much appreciated, and they are held in high esteem.

Rev. Mr. Farquharson for the past two Sunday evenings has preached from the book of Esther, paying the way for a better understanding of the sacred cantata to be given by 90 voices on Thursday and Friday of this week. Esther was a noble as well as beautiful queen and the glitter and splendor of an eastern court and the famous intrigue of Haman will be excellently portrayed by Professor Tanny and his Durham talent. Admission 35c and 25c. Plan at MacFarlane's.

The Ayton Advance referring to the death of Mrs. Daniel Knapp says: "Doris possessed a sympathetic nature. She was endowed with a large and motherly heart and those who have known her for years speak of her many good qualities in terms which cannot be misunderstood. Five sons, Henry, Charles, Andrew, Conrad and Balzer, are left to mourn her loss, and to these we extend sincerest sympathies."

DURHAM LIBERALS.

A meeting of the Liberals of Durham will be held in Calder's Hall, on Friday evening, March 1, at 8 p. m. for the purpose of electing delegates to the Riding Convention on March 6th.
J. W. CRAWFORD, C. RAMAGE, Pres. Secy.

TR. REFORM MEETING.—A meeting of Bentinck Reformers is called for Saturday, March 2, at Mulock, to erect delegates to the Convention in Durham, on March 6.

Mayor Calder is delegate this week to the A. O. U. W. Grand Lodge which meets in Hamilton.

Mr. Angus McKelvey, of Temiscaming District, visited his parents here from Friday to Monday, and made a flying visit to Drumore.

"A HIGH CLASS ENTERTAINMENT."—The Hanover Post in its last issue describes the Scottish Concert in the above terms and says:

"A sleighing party from this place attended the Scotch concert held in Durham on Friday night of last week. The members of the party stated that it was one of the best concerts, if not the best, that they had ever attended. It is not often that such artists as Miss Jessie MacLachlan, a Scottish prima donna, Mr. Robert Buchanan, Piper George Murry and Jimmy Fax grace the same evening. The seats were all reserved and as soon as they were filled the doors were closed. Durham has always been to the front in the matter of high class entertainments, but Friday's event capped the climax. The Sons of Scotland, under whose auspices the treat was provided, are to be congratulated."

LIFE ASSURANCE.—The Imperial Life Assurance Co. of Canada, of which Mr. W. D. Mills is local agent, occupy two columns on page 4 of this issue to put before our readers the report of their Annual Meeting in Toronto on Feb. 6th, last, an abstract of their financial statement, auditor's report, and the Directors for the coming year. Sir Oliver Mowat, Lieut. Governor of Ontario, is President of the Company, and in going over the report we have been struck with the success which seems to be attending the company, especially in the amount of new business done, the strength of their reserves, and the brilliant talent of the Directorate. Those contemplating insurance will certainly read the report carefully, and others will find it of great interest. That the net surplus over all liabilities should increase during the years by 23 per cent is a striking evidence of success.

THE BROWN LECTURE.—It is safe to say that after the experience of the Directors of the Public Library with the lecture of last week by Stanley McKeown Brown, no entertainment, however good, will be held in future on the guarantee system. There was a fair audience chiefly of young people, who duly applauded patriotic pictures and sentiment, but the receipts came short of the guarantee and the Directors are "out." The lecture had some fair touches, but on the whole was a labored effort, the desire to be funny without knowing how being an element of weakness. Some of the moving pictures were good but neither in quantity nor quality were up to the Gray Bros. exhibit. The S' African views reflected small credit on the photographer and were mostly extremely blurry. The receipts after paying expenses were scarcely \$27. Alas! too for the credit of Durham's great Public Library. Mr. Brown went on strike before beginning the show, demanding payment in advance or another guarantee!!! An indignity no Durham body ever received before we are sure. Mr. Brown went out with the first contingent as correspondent of the Mail and Empire

LATEST FASHION IDEAS.

Spring dress materials, early spring millinery, spring amusements for children, the Lenten table, a spring breakfast, and 84 styles of spring dressmaking are part of the offering to women in the March DELINEATOR. The ruff which, in many forms, has so decidedly changed the appearance of garments in past years, is described in the March number of THE DELINEATOR under the heading "The evolution of the Ruff." The article is very fully illustrated and traces the ruff back beyond Elizabethan times.

QUEEN ESTHER.

The Willing Workers, of Trinity Church, scored a success in the production of Queen Esther on the 24th and 25th.

On the first mentioned evening the house was crowded to the doors, and the second evening there was also a good house though not quite as large as the previous night as would naturally be expected, still one could notice many in the audience the second night that were there on the previous evening. There were upwards of 61 who took part, and Prof. Tanney certainly deserves the highest credit for so successfully handling what would appear an unwieldy number on so small a stage. He however did it to the satisfaction of the many hundred that witnessed the production of this piece of ancient history. The characters were well selected and nothing but praise can be given to each and all of the performers, so we cannot single out any for special mention. The Echo extends congratulations to the Willing Workers for the single success of their mammoth undertaking. The receipts amounted to over \$100.

In Durham Town Hall, Thursday and Friday of this week. Reserved Seats at MacFarlane's Drug Store. 90 voices: Come Early

Mr. and Mrs. Arrowsmith were shocked to receive Monday, a telegram containing the news of Mr. H. Meldrum's death postmaster, Eugenia, formerly stationer at Ceylon, an old time friend of the family. They had received word a few days before of his recovery from the gripe but he must have had a relapse. He was buried Tuesday. Only last Sept. he visited at Mr. Arrowsmith's, and was a fine courteous old gentleman.

The Queen Esther Sacred Cantata to be given in the Town Hall on Thursday and Friday evening of this week promises to be a treat and should be widely patronized. Plan of Hall at MacFarlane's where reserved seat tickets may be procured.

RESOLUTIONS OF CONDOLENCE.

The following resolution of condolence was forwarded to Mrs. Mather for the loss she has sustained in the death of her husband.

Dear Mrs. Mather
The Session of Saint Columbia Church of which your late husband was an esteemed member wishes to convey to you our sincere sympathy in this hour of your bereavement. We hope however and believe that you are receiving comfort at the throne of grace, and that the exemplary Christian life of him, who is now gone, supplies of encouragement to you on your lonely journey of life. We too have sustained an irreparable loss by his removal; his kind disposition, his wise counsel and his heartiness and readiness with joy to labor for the advancement of Christ's session, will be greatly missed by us as a whole. It is with a heavy heart that we submit to his holy will and while doing so we can look forward with joy to the reunion of our Father's Throne.

Rev. J. A. MATHERSON, Committee JOHN McDOYALD, of Session, St. Columbia Church, Priceville, Feb. 4th 1901.

Swinton Park, Ont. Feb. 8th, 1901.

Mr. Thomas Knox, Dear Brother,
The Session of St. Andrew's, Swinton Park, of which you are an esteemed and honored member, hereby expresses its sympathy towards you in your bereavement. Feeling and sympathizing with you over your great loss, and on removal of your loving wife whom it has pleased God to take away from this sinful and sorrowful earth. But as we are one another especially when sadness and sorrow befalls the portion of any Christian religion supplies the means and sources by which this can be done. We commend you therefore to the Great Head of the church and to the gain you in your trials, who alone can sustain you on your lonely journey and direct you in time and eternity and we exhort you to rely upon the promises of God, you, so I am with you always even unto the end of the world" and to patiently bear these ills of life, knowing that you with Jesus, have by and by and together shall enjoy life in a fuller, deeper and more real sense than it can be enjoyed in this world.

Signed J. A. MATHERSON, Members of Session, D. McDOYALD, H. McMILLAN.

HON. GEO. LANDERKIN.

Having gone to press earlier than usual last week to get out a very large issue containing information of the National Portland Cement Co's progress, the bulk of our mail was off when the Globe came along announcing the elevation of Dr. Landerkin to the Senate, the vacancy having been caused by the death of Senator McKindsey.

No more popular appointment could be made, and though we have used the word "elevation," we feel that the office is as much honored as the man. Among parliamentarians there is a distinct thrill of pleasure that the first session of a new parliament, at the beginning of a new century and a new reign is still to find Dr. Landerkin in Ottawa, and without a doubt all over the country as well as in South Grey, the proceedings of the Senate will have more interest because of the presence of the genial and experienced parliamentarian.

Over 28 years ago he was elected to the Commons for South Grey, sitting from 1872 to 1878. He went down in that year before Geo. Jackson, but in 1882 defeated him once more and retained the seat in spite of gerrymander till the election of 1900, when he went down before a representative from the gerrymandered township.

Our hearty congratulations are offered to Senator Landerkin and also to the Senate.

CEMENT.

The large issue of the Review last week containing the cut of the buildings proposed to be erected in the town of Durham, together with the write-up in both papers has caused a wide and absorbing interest in the National Portland Cement Co. of Durham and its stock.

We take room this week to say that those contemplating taking stock will have to make up their minds quick as it is going fast, the prospect of dividends being something handsome. Quite a number of farmers have taken from one to two shares, and instructions to secure shares have even been sent by letter. \$150,000 is the amount allotted to Durham and it is most desirable that as much of it as possible should be taken round here so that dividends will not have to be sent out of our neighborhood. A dividend of even 10 per cent on this amount would mean \$150,000 scattered to shareholders, but cement plants so far have yielded far more than this, and the demand is far from being overtaken.

Next week the Provisional Directors will float the balance of \$750,000 stock, \$250,000 worth being retained in the meantime as it is likely to sell at a premium.

It is astonishing how many men there are who like to visit, provided they can do all the talking.

C. RAMAGE, Durham, Gen. Secy.

ADDRESS AND PRESENTATION.

To Mr. and Mrs. John Dalglish.
