BEYOND A DOUBT.

Letter upon letter pours in from every point in Canada testifying to the marvelous power of Dr. Pitcher's Backache Kidney Tablets to cure kidney and bladder troubles of the young, middle aged, and aged, and such other troubles as find their origin in a faulty kidney action, and they are many. Such a mass of evidence puts in power to cure these afflictions beyond a doubt, and shows that the Tablet is the right thing in the right place.

This is what Mrs. J. W. Hutchins, 82 Portland St., Toronto, has to say. 'I cannot say too much for Dr. Pitcher's Backache Kidney Tablets. Before using them I had a gnawing pain in the back all the time, and an acute lameness across the loins. I had not so much aching in my head as between my shoulders and in the back of my neck. Since using the Tablets my back is as it used to be, and the rheumatism in the shoulders has disappeared. Formerly when I did a washing I was utterly tired out, not having a bit of energy left. This morning I did my washing in two hours and I did not mind it. I have no hesitation in recommending Dr. Pitcher's Backache Kidney Tablets, for I never had anything do me as much good.'

Any readers of this paper can test the merits of Dr. Pitcher's Backache Kidney Tablets free by enclosing two cents postage for trial package to The Pitcher Tablets Co., Toronto, Ont. Regular size 50c per bottle.

A pleasing feature was the presence of a number of ladies, who, with the brethren enjoyed a happy evening. Chief Ranger Wm. Black made a good chairman and the toast list was happily gone through with.

Almost a MIRACLE

OTTAWA, Sept. 9th, 1890. To the Phrenoline Medicine Co., Ltd. Ottawa.

GENTLEMEN,—I hardly know how best to express my appreciation of your valuable rheumatic remedy, Phrenoline. My son Gordon, who is 9 years old, has been a sufferer from inflammatory rheumatism for the past two years; was so bad at times that he had to be carried about on a mattress; was attended by two city doctors apparently without the slightest benefit; spent 10 days at Caledonia Springs, came home with no marked improvement; took three bottles of a Homeopathic remedy now being extensively advertised, which did not relieve him in the least. I was beginning to give up all hope of his recovery, when by chance I mentioned the case to a friend who strongly advised me to give Phrenoline a trial.

I did so, with the result that when my boy had taken only half a bottle he was able to get on his bicycle and ride like any other boy around the block. I certainly feel that I cannot say too much in praise of your medicine, and shall do all I can to make known its value to others. Yours very sincerely (Signed) REUBEN CLARK.
