Dromore.

The fine weather the last few days makes us feel as if spring was close at hand.

Mr and Miss Near, of Mitchell, are at present visiting their cousins, the Isaac family.

Mr Boyce Sterne had the misfortune of having his knee joint dislocated Saturday evening, while going up between two cattle one of them kicked him, knocking him down. Dr Sneath was called in and succeeded in replacing the joint. We hope soon to see our friend round again.

Mr J Lester, who has been for the past two months working for Mr H Baird, of Lauriston, returned home on Saturday and has since engaged with Mr Snell for the summer.

On Monday evening of last week quite a number of the young people gathered at the home of Mr and Mrs P Sterne's, the occasion being the presentation of a fur coat and a small purse of money to their son Boyce, who has carried our mail for the last 4 years between Dromore and Holstein and has by his kind and obliging manner won the love of all whom he came in contact with. The meeting was called to order, Dr Sneath was appointed chairman and spoke highly of the object of the meeting, after which the following address was read:

Mr. BOYCE STERNE,
Dear Friend,

We have met here as a small representation of your many friends, to show the high esteem in which you are held, you have always been a person of exemplary character and integrity, and by your gentlemanly and obliging manner has won many friends. This was shown by the liberal way in which they have assisted in this, not one that was asked to contribute ever refused and each one loud in their praises of you. Kindly accept this coat and the balance as a token of regard not for their intrinsic value, but simply as a mark of appreciation, hoping you will always have good health to enjoy it.

Signed on behalf of friends in Dromore, Yeovil and a number in Holstein.

On rising to reply Mr Sterne said he was taken by surprise and was unable to find words to express his feeling just then, he had always considered it his duty to do kindness where he could and that it was a pleasure for him to oblige any one when he could and he hoped they would except his heart felt thanks for their kindness. The rest of the evening was pleasantly spent in speaking, singing and music.

Mr Wm Isaac read the address and Mr Wm Adams made the presentation.

The annual meeting of Dromore branch of the Bible Society was held in Amos church on Monday evening last, the election of officers resulted as follows: J. Snell Pres, Wm Adams Vice Pres., G. Lothian Sec., J. M. Findlay Treas and Depository. The Rev Mr Magwood, of Holstein, then spoke of the difficulty and expense of translating the bible, that it was the means of uniting denominations together and a missionary work that all could engage in, comparing our bible with others, the good work the society had done and the great work that still lies before them to be done, were some of the points dwelt upon by the speaker. After a vote of thanks being tendered to Mr Magwood very interesting meeting came to a close.

Mr James Churchward died at his residence in Egremont on Friday March 16th. The deceased was born in Devonshire, England in the year 1822 and was consequently 78 yrs of age at the time of his death. In 1848 he was married to Miss Mary A Lowe, who with him emigrated to America about fifty years ago and settled in the township of Cartwright, where he lived for four years. Fourteen years ago he moved to Egremont and took up his residence on lot 15, con 16, where he lived until the time of his death. The deceased was a kind husband a loving father, an unassuming personage and esteemed by all with whom he came in contact. In religion he was a Presbyterian and in politics a Reformer. He leaves to mourn his demise his aged widow and a family of four daughters Mrs John Philip, and Mrs Frank Hopkins, Egremont, Mrs Jas Wilton, Proton and Miss Emma at home. Rev Mr Campbell officiated at the house and grave and in his remarks paid a high tribute to the character of the deceased. The remains, which were interred in the Amos Church cemetery on Monday were followed to their last resting place by a large concourse of neighbors, friends and relatives.

The farmer's horses are all feeling spirited a few runaways happened on this street last week. Mr Dug McCannel while coming home with seed grain and while jumping off to walk the horses got started and left him behind. J. McQueen and Dan Ferguson was about three quarters of a mile ahead and got them stopped one running in front of them, when they were coming full speed it was a very young trick of Dan.

Mr Alex. McConnell, of Nottawasaga, was visiting at his uncle's D. McFarlane and other friends. He was also to see Ronald McDonald who has suffered very much with a sore throat. He has swallowed neither meat nor drink for one week. We are pleased to report this week he is on the mend under the care of Dr. Sneath, also Dr. Jamieson.

We are very sorry to report the death of Mrs Alex. McLean New England. She had been ailing for sometime and took a trip up the Lakes last summer for her health. She was of a kind and quiet disposition, to know her was to like her. She was a member of St Andrew's church Swinton Park. Rev. Mr Campbell, Dromore officiated at the house and preached a very comforting sermon to the bereaved husband and sorrowing mother and father and the rest of the family and friends. She leaves one child four years old. The sympathy of this neighborhood is with Mr McLean and the sorrowing friends. She was buried in Mt. Forest cemetery. A large number of friends and neighbors followed to the grave.

BOOTHVILLE.

Mrs George Lawrence and child are residing at her father's Noble Wilson, and by the way if the little girl could talk she could boast of what few in Canada can. She has two great grandmothers and one great grandfather.

HOLSTEIN.

Mr James Rogers received a letter from his son Oliver A. Rogers a few days ago from Ottawa, telling him that he was on his way to South Africa, having gone to the N. W. T. two years ago, and thence to British Columbia where he enlisted with the South African constabulary, which sails from Halifax about the 20th of this month.

On Friday evening last the Canadian Order of Foresters, Holstein, gave an Oyster Supper in honor of two of their Bro. Foresters who are about to leave. Bro. Wm. Main and family for Summerbury N. W. T. and Rev. J. M. Miller and family, who will leave in the course of a month or so.

After all the Foresters and their wives and those that had no wives but had their best girls to the number of fifty-four sat to a well filled table with the very choicest of oysters and other tempting things your humble servant had the pleasure of sampling them and can testify as to their being first class. After all had done justice at the table the meeting was called to order. There was a very nicely prepared programme consisting of vocal and instrumental music the chief leaders being, W. T. Brown, Misses Ethel Sharp, Mr Brown made a neat speech sitting forth the aims and objects of the C. O. F. Dr. Brown sang sweetly a solo while Mr Miller and Bro. Wm. Main's speeches were very interesting, Miss E. Sharp's music was a charm to the evening. Among others who roused the interest of the people were W. J. Sharp, J. G. Randal, W. S. Horsburgh. The meeting was brought to a close by singing God Save the King.

This week it is our sad duty to announce the death of the little daughter of Mr and Mrs Wm. Pettigrew who passed away on Sunday morning after a short illness at the age of four years. Mr and Mrs Pettigrew have the sympathy of the people in their hour of trial.
