BOYCE - TWAMLEY

In the presence of over 50 invited guests the marriage of Miss Mary Jane Twamley to Mr. Richard Boyce...

At precisely half past six to the melodious strains of Mendelssohn's wedding march played by Miss Agnes Boyce...

Miss Alice Boyce, fancy lamp; Mr. Thompson and Miss Nancy Boyd, fancy table spread; Mr. Robt. Twamley, Catter; Mrs. Robt. Twamley and children...

Among those from a distance we noticed friends from Toronto, Clifford, Durham, Woodbridge and Elmwood. The happy couple will shortly take up their abode in their new home near Crawford.

Dromore.

Our town has been very busy for the past few days. The roads having been bad all winter we might say, the farmers did not get all their teaming done...

Mr James and Andrew Hay left last week for Galt vicinity where they intend putting in the summer.

The first new building of the season in our town. Mr Patton our shoemaker had a fine stable built last week, Mr J Wilson, builder.

Mr and Miss Near, who have been visiting their many friends around here left for their home near Monckton on Monday.

The Foresters' Court here gave Mr John Rocks their bro. Forester, a farewell supper in Russell Hall on Saturday evening.

On Friday evening last quite a number of both young and old gathered at the home of Mr and Mrs Rocks. The occasion being the presentation of a handsome pipe and tobacco pouch to Mr Rocks and a Lady's Companion to Mrs Rocks...

To Mr and Mrs Rocks:—It was with feelings of sorrow and regret that we learned some time ago of your intended departure from among us...

Several times have we enjoyed your hospitality and on each occasion you have proved yourselves worthy entertainers in private chat and companionship...

We would like to have you remain with us but such is not to be. We

shall miss you, but our loss will certainly be gain to them among whom you shall dwell and they will be wise to cultivate your acquaintanceship.

In the Queen City of the West there is a sphere for pushful and talented natures and believing you are endowed with these qualities...

As a slight token of our esteem we wish you to accept these presents from us who are a small proportion of all who have contributed their mite.

They are of little monetary value, but if when you use them they cause you to think kindly of your friends at Dromore our purpose is accomplished.

May you long live to enjoy them. You have two beautiful children: May they be a crown of joy to you...

Wm. Ramage, Geo. Lothian, Wm. Small

On rising to reply Mr Rocks said he did not feel able to express his feelings at that time. He did not think he had done anything worthy of the kindness they were showing them...

IN MEMORIAM.

In memory of Beatrice Minola beloved daughter of Mr. and Mrs. Wm. G Pettigrew. Holstein.

Our little one from us is gone. The voice we loved is stilled. A spot is vacant in our home...

Now the tender bud transplanted, Blooms in Heaven's purer air. But our tears still spring unbidden...

This lovely bud so young and tender Snatched away by early doom. Just came to show how sweet a flower In Paradise would bloom.

Ere sin could harm, or sorrow fade Death came with friendly care. The opening bud to Heaven conveyed And bade it blossom there.

Then mother weep not for your pet, But look for strength that's given And say O Lord "Thy will be done"

Almost a MIRACLE

OTTAWA, Sept. 9th, 1896. To the Phenoline Medicine Co., Ltd. Ottawa.

GENTLEMEN,—I hardly know how to express my appreciation of your valuable rheumatic remedy, Phenoline.

I did so, with the result that when my boy had taken only half a bottle he was able to get on his bicycle and ride like any other boy around the block.

I certainly feel that I cannot say too much in praise of your medicine, and shall do all I can to make known its value to others.
