who must be incessantly pursued and amount to \$130,000,000, of harassed until they give in or until \$5,000 000 remains.

Take, as an example, Gen. French's funds. operations in the Eastern Transvaal, on which great expectations were based. The movement resulted not only in large captures of stock and prisoners, but also in the dispersion of a body of the enemy five or six thousands strong, whose presence constituted a menace to Johannesburg and Pretoria. The country, however, thus cleared was not permanently freed from the presence of the enemy, and attacks on the railway lines still occur. To secure permanent results the same operations may have to be repeated several times. The Boers will not risk pitched battles. Being determined not to surrender, they continue to retire before our troops, availing themselves of their intimate knowledge of the country to snipe the advancing forces and attack the weak spots in To Crush Out All Opposition-DeWet | the thousands of miles of railway communications.
