

DURHAM REVIEW

Thursday, April 11, 1901.

PRESENTATION AND ADDRESS

On Monday evening April 1st, a large crowd gathered at the home of Mr. Jno. Turnbull, Latona to say farewell to Miss Jessie and Maggie McDougall, on the eve of their departure to their new home, Owen Sound and deeming it a favorable opportunity to show the esteem for which they were held, Messrs H. Riddell and A. McDonald presented them with a handsome, semi-porcelain, decorated dinner set of dishes and the following address was read by Miss Belle Skene:

LATONA, April 1st, 1901
To Misses Jessie and Maggie McDougall

We a few of your friends having heard with sorrow of your intended departure from our midst could not let this opportunity pass without in some way showing you the esteem in which you are held, your cheerful dispositions have cast sunshine about you and your kindness of heart, charity, and christian virtues have endeared you to us and we fully appreciate the fact that your absence from our social gatherings cannot be easily filled, although you yourselves have passed through great trouble yet you always bore it with christian fortitude which has displayed to us all, that you have always endeavored to live as our Master commands us. Pray except this dinner set as an earnest token of our love, affection and lasting friendship accompanied by our very best wishes for your future happiness. May your years be many and strewn with pleasures and when in the fulness of time you meet the eternal decree, may the choicest blessings of heaven be your lot.

Signed on behalf of friends and neighbors.

Mrs. C. L. Smith
Mrs. Geo. Castle
Mrs. J. Simpson
Miss Helen Cranston
Miss Mary McArthur

Rev. Mr. Campbell, of Mulock, replied in a very appropriate manner in behalf of the Misses McDougalls, expressing their sincerest thanks to their kind friends and neighbors. Speeches were made by Rev. Mr. Campbell and Graham, Messrs D. A. Smith, H. Riddell, H. McDonald and an excellent recitation was rendered by Mr. J. F. Grant, interspersed by a good musical programme. Later in the evening baskets were brought and soon the table was laden with dainty and substantial good things and all did justice to a good supper.

Hopeville.

Keller McArthur by falling on a picket met with a very serious accident, the picket running into his neck caused a nasty wound which was soon dressed by Dr. Sneath.

We have still got a few sick around our neighborhood. Mrs. Glenster and Mr. Adam Scarlet's children.

The Proton Council had a meeting at Hopeville, about the schools, but we would like to know what happened Mr. Beeve Corbett. They made a few changes in sections 11 and 14 in the south east corner of the township, but nothing was done about the other schools.

Mr. Chas. Stevenson who lived south of here and formerly in Mount Forest and Durham, has had an extensive sale and has moved away to Manitoba.

We hear the Hopeville church people are to have a meeting in the near future to choose an officer of the church in its stead.

Mr. J. A. Cooper is around assessing our township and pleasing everybody.

Mr. Andrew Riddell is out taking the census for this division.

Mr. James H. Scott of the 11, con. has rented his farm, had a sale and sold his stock, by sale and has moved up onto the 13, con. the Scott settlement.

Mr. Rich Hall has moved onto the farm vacated by Chas. Stevenson.

BROWNSVILLE.

Another young winter this morning. There would be seeding for a day or so yet.

Young Neil McFayden is engaged with the Dean Bros. this summer. Neil will make a good farmer as he understands the rule of the square to perfection.

Mr McFayden lost a valuable cow and her calf a few weeks ago.

Miss Mary F Campbell, of Swinton Park is the nurse of her cousin Mrs Haw of this place who is very ill.

Mr Hugh McMillen is full of smiles. A girl is the cause. All are well.

We welcome Mr Thos Wamsley to our town. He has rented his brother-in-law Dan Robertson's farm. We wish to see Thos improve in his health as he has been poorly all last summer and winter.

This town is turning grit as they are about to get a post office. A grit has the contract of building a veranda around the Sackett block. Mr Witters will finish it alright.

Mr Herman Haw has the timber all skidded for his framers. He is always a little ahead of his work. The framers are Neil McPhee and brother of Cedarville. We believe they are good framers.

On account of the large number of smallpox cases in Ontario it would be wise to have all the young, yes and old to get vaccinated. Every precau-

tion should be taken to prevent a more serious epidemic.

We thank the Robb correspondent for giving date of the Hermiton sale as there are some here who will attend.

We are sorry this week to chronicle such another sad case as the Egan family of a few years ago. The two sons of Mr and Mrs John McQuarrie, of Osprey, formerly of this place. There farm is now owned by Neil Clark jr. Those two boys were school-mates of your humble correspondent and all the other young people of the same range. They are nephews of Mr Angus McDougall of this place who attended their funeral which took place last Friday. To see the two hearses leave the home at the same time was a sad sight bearing away the bodies of the young men just in the prime of life. We truly sympathize with the sorrowing.

BOOTHVILLE

Mr Vint Hill had a fine wood bee last week and got a fine lot of trees disfigured into wood. As usual he furnished the music and the floor.

Mr Graham spent an evening at Kinsman's.

Mr Sim Williams is having a wood bee to-morrow, Wednesday.

Miss Alice Wilson came from Flesherton to spend Easter at home.

Miss Martha Wilson has gone to Toronto. She will be missed around home.

The Misses Wilson from Riverside, Proton, spent Easter with their friends here.

Said Frederick The Great, "Facts are Divine Things."

Such was the saying of a master mind and what applies to things of state applies with double force to matters concerning health. When it is said that Dr. Pitcher's Backache Kidney Tablets can, if intelligently used cure all kidney and bladder troubles, and such other diseases as can be traced to a sluggish or imperfect kidney action, it is always backed up by the positive proof and testimony of some reputable person, some one who is glad and willing to tell the world the result obtained. The following testimonial of Mrs. W. Eaton, 10 Feusing St. Toronto, has the ring of truth, and bears out the claim that it is a cure beyond a doubt or the young, middle aged, and aged.

Mrs. Eaton says:—"Dr. Pitcher's Backache Kidney Tablets have been of the greatest benefit to me. Formerly I had so much backache it extended to my hips and limbs. At times there would be an acute lameness in my hips and a burning that causes very disagreeable sensations. I find that I am much invigorated since I used a bottle of Dr. Pitcher's Backache Kidney Tablets. My back has recovered from its lameness, and I am sleeping well at nights. From my experience in using the Tablets I have much confidence in them, and can highly recommend them."

Any reader of this paper can test the merit of Dr. Pitcher's Backache Kidney Tablets free by enclosing 2 cents postage to the Pitcher Tablet Co., Toronto, Ont., Regular size 50 cents per bottle.

NOTICE.

J. A. HUNTER

Almost a MIRACLE

OTTAWA, Sept. 9th, 1896.
To the Phrenoline Medicine Co., Ltd. Ottawa.

GENTLEMEN—I hardly know how best to express my appreciation of your valuable rheumatic remedy, Phrenoline. My son Gordon, who is 9 years old, has been a sufferer from inflammatory rheumatism for the past two years; was so bad at times that he had to be carried about on a mattress; was attended by two city doctors apparently without the slightest benefit; spent 10 days at Caledonia Springs, came home with no marked improvement; took three bottles of a Homeopathic remedy now being extensively advertised, which did not relieve him in the least. I was beginning to give up all hope of his recovery, when by chance I mentioned the case to a friend who strongly advised me to give Phrenoline a trial.

I did so, with the result that when my boy had taken only half a bottle he was able to get on his bicycle and ride like any other boy around the block.

I certainly feel that I cannot say too much in praise of your medicine, and shall do all I can to make known its value to others. Yours very sincerely
(Signed) REUBEN CLARK
