FRESH FISH AT THE FREEZER.—Miles
Wilson has constantly on hand fresh
fish. Will be pleased to accommodate
farmers and others at any time. Re-
member the place, near the south end
of the town.

Miss Dick invites all lovers of the
beautiful in Millinery to visit her show
rooms on Lambton St. Experience,
taste, and a knowledge of the needs of
the community, enable her to satisfy all
comers. A call solicited.

Enough attention is not paid to the
destruction of black knot on plum trees
and it is no wonder that it is increasing
at such an alarming rate. It should be
dealt with promptly. There is a heavy
fine for those who neglect to do so.

BUSY FINGERS.—Some 32 ladies of
the Presbyterian church met at the
manse on Thursday last and prepared
articles for the bazaar to be held next
Show Day in the Town Hall where the
ladies will also have a dinner and tea
as proved so popular last year.

GOOD HORSES.—While remount sta-
tions are being talked of here for the
British army the question of good
horses should be a live one. Mr. James
Paton, proprietor of the fine imported
horse "Jasper" has bills out throughout
Egremont and Normanby announcing
his route for the season. Jas. Hoy is
manager. See bills for pedigree, etc.

Reports from almost all points in
Ontario to the Globe show that fall
wheat has wintered in comparative
safety. On light soil the plant is healthy
and under heavier conditions, where
the land is rolling, the promise is good.
Only on level fields where ice formed
there are patches where the plants are
killed. On the whole an average crop
may safely be counted on.

A LIBERAL GIFT.—Last week Rev.
Mr. Farquharson received the sum of
\$20 as a subscription to the Common
Fund branch of the Century Fund. The
donor is Miss Millie Ector, of Beaumont,
N. W. T., who has thus shown her loy-
alty to the Fund, and also to the church
she used to worship in by this handsome
gift. A sum of \$100 was sent by Dur-
ham Presbyterian congregation to this
fund.

IMPORTING LUMBER.—The supply of
dry elm at the Furniture Factory is
getting low and this week two cars of
dry elm lumber were received from
Palmerston. A car of oak lumber, con-
taining 15000 feet, has also been laid
in stock. The factory, under Mr.
Caton's management, seems to be on
the highroad to success, as more and
more of valuable furniture is being
turned out and the demand is growing.

BRIGADE CAMP.—Captain Snider of
No. 4 Co'y, 31st Regiment was in town
Saturday and was very busy collecting
some half dozen odd rifles of the old
kind to send away to the department.
The Co. are to be served with the new
Lee-Enfield Rifle, brown belts and
Oliver equipment doing away with the
annoyance of pipe clay. The sensible
measure made by Co. Telford last year in
securing for his men the privilege of
wearing shirts and straw hats on duty
is likely to be widely adopted this year.
The whole game of war is becoming in-
tensely practical and there is no time to
spend on aesthetics. The Goerlich
commander is instituting another prac-
tical move, by having his men march to
camp in London all the way from God-
erich, and as a practical exercise, sub-
ordinate officers are required to draw
out in detail the requirements of such a
feet, commissary, waggon halting places,
tents, etc., etc. We would suggest to
Col. Telford to have the northern and
eastern companies march to Durham
and entrain here, while Durham, for a
like exercise could foot it to Mt. Forest,
and join the "boys" there. Great
scheme! and we give the advice gratis
too. If something more practical still
is wanted by way of training they
might be all marched to the west of the
town, and invited to cross the Saugeen,
and come to a stand still at Cork town
hill to dry off. The experience of their
countrymen in S. Africa could then be
faintly appreciated.

50c. will get the Review from now
till Jan. 1, 1902. Who would be with-
out it?

Mr. Gilbert McKechnie, Treas. of the
National Portland Cement Co., goes to
Toronto, on Monday next to attend a
meeting of the Directors.

the people in good order.

THE 12TH.—Preparations are well un-
der way for a big celebration here on
the 12th of July. We can not say yet
how many lodges will take part. The
ladies of the Methodist church are
preparing to cater to the crowds in the
Town Hall.

GETTING ON.—The stone work of the
foundation of the large stable in con-
nection with the Knapp House is now
completed, and an idea can be had of its
extent and capacity.
The framing of the necessary timbers
will soon be done and brick work com-
menced. Barring accidents it should be
ready to shelter a few! teams on the
12th of July.

LACROSSE SCHEDULE

A meeting of the representatives of
the clubs of No. 5 district was held on
Wednesday evening at Markdale.

Owen Sound, J. A. Hunter, of Durham,

discussion it was decided to arrange for
a single round of matches and the series
was scheduled as follows:—
Markdale at Durham, June 13.
Owen Sound at Markdale, June 21.
Durham at Owen Sound, July 1.
Markdale at Owen Sound, July 8.
Owen Sound at Durham, July 12.
Durham at Markdale, July 25.

SHALL WE HAVE A RIFLE ASSO.?

Lieut. Torry, of No. 4 Co., lately re-
ceived a copy of a "Special General
Order" relating to the formation of Rifle
Associations throughout the country.
On Tuesday he received the necessary
forms for the enrollment of members,
and having these it is only necessary
that steps should be taken at once to
lay the scheme in detail before the
community and endeavor to get one up
in Durham.

Events in the world of late have
shown the importance of defence and
the necessity of being acquainted to
some extent with warlike weapons.
In Canada the contingency of de-
fending our homes against an enemy is
a very remote one, and one we hope
that will never be seen, still as part of
an empire we are proud of, the neces-
sity of using firearms may at some time
be forced on us and, if not, "can do, is
easily carried".

From a cursory glance at the "Gener-
al Order" we note a few of the require-
ments and hope Lieut. Torry will secure
a meeting before long and have de-
tails of the scheme laid before it. There
must be a membership of 40 and a mem-
bership fee of \$1.00 annually. Govern-
ment supplies 100 rounds ammunition
per man free and extra supplies cost
\$150 per 100 lbs.

The rifle used is the Lee-Enfield,
and these of course are supplied under
certain restrictions
Enough has been said at this time to
bring the matter before the public and
we shall return to the topic as events
progress.

NOTICE.

Any persons fishing on the property
of the Durham Fishing Club will be
prosecuted. Five dollars reward will be
paid to any person furnishing such
information as will lead to a conviction.
J. KELLY, Thos. A. HARRIS,
Pres. Secy.

CROP OUTLOOK.—Splendid Showers
and dark weather are rushing vegeta-
tion marvellously this week and the
result of last weeks slight frost is scarcely
apparent. Fall wheat looks remarkably
healthy and in some places its thickness
is causing it to "lodge". Pastures are
good and dairying institutions must be
having a fine opening.

INTERESTING HIGH COURT CASE.—At
the High Court sittings in Guelph last
week the following interesting case
from this neighborhood, as reported by
the Mercury, was tried.
Jack v. Canadian Order of Foresters.
—The plaintiff is the widow of the late
John Jack, painter, of Durham, and
she sues the Order for \$1,000 under an
endowment certificate, issued to her
husband, who was initiated into Court
Durham on May 12th, 1897, the certifi-
cate bearing the date of June, 1897.
The plaintiff contends, first, that the
insurance dated from the delivery of
the certificate instead of from initiation
in May; secondly, that the payment of
\$5 which was made to Mr Bean, secre-
tary of Court Durham, was paid on
account of insurance; thirdly, that the
constitution did not apply, as the
constitution of 1896 was delivered to Mr.
Jack instead of the constitution of 1897,
the former containing a clause to the
effect that if a member failed to pay in
his dues the lodge would keep him paid
up, said clause not being in the amend-
ed constitution of 1897. Evidence was
adduced on behalf of the defence, who
called Mr. Bean, that the \$5 paid up
advances made by Bean from Septem-
ber to December, 1900, inclusive.
Several witnesses were also called to
give evidence that Jack had admitted
to them that Bean had kept him going
for some time and had also told him
that he would pay his (Jack's) insurance
no longer, and he admitted to these
witnesses that he was out of the Order.
The case was very fully argued by
counsel for both parties. Wm. King-
ston, K. C., Mt. Forest, appeared for
the plaintiff, and A. J. Wilkes, K. C.,
Bramford, for the defence. Judgment
was reserved.—Mt. Forest Rep.

The sequel to the above is found in
last Friday's Globe, in the legal column,
which we give below. The society as
was almost certain came out best, and
the case should be a warning to many
who trifle with their payments.

TRIAL COURT.

Before Falconbridge, C. J.
Jack v. Canadian Order of Foresters.
—Judgment (L) in action tried at
Guelph brought by the widow of John
Jack, late of the Town of Durham, in
the County of Grey, deceased, to recover
the amount of a policy of insurance
on his life for \$1000 issued by defend-
ants, a fraternal benevolent and provid-
ent society, on June 29, 1897. Deceased
was a member of Court Durham, No.
446, and defendants allege that he was
not a member in good standing at the
time of his death within the meaning
of the policy, because he had not paid
the fee of 65 cents due for the month of
January, 1900, nor paid the fees payable
under the constitution and by-laws of
the Court Durham within thirty days
from January 1, 1900. Held, that defend-
ants, who are a registered society, had
sufficiently complied with the terms
of R. S. O. ch. 293, sec. 144 (b), and
indicated with sufficient particularity
references to by-laws, etc., copies of
which were delivered to the assured;
that the payment of \$5 made by deceased
in February, 1900, to Bean, the
Financial Secretary of the court, was
on account of advances made to him by
Bean, and not for dues for the last four
months of 1899, and deceased was not
therefore at the time of his death in
June 1900, a member in good standing
within the meaning of that term as
defined by the constitution of 1896, and
by reason of the same constitution for
such non-payment and without having
been reinstated as therein provided
within four months, has forfeited all
claims on the order. This case is
distinguishable from Dale v. Weston
Lodge, 24 A. R. 351. Nor is the claim
sustainable under sec. 46 of the consti-
tution of 1896, because its provisions as
to cases of members incapacitated from
attending to business and not financial-
ly able to pay dues were repealed, and
as provided by the certificate the
deceased was to be bound by amend-
ments, etc., thereafter made. There
has been no waiver by defendants and
credit must be given to the testimony
of several witnesses, who swore that
deceased told them he was out of the
order because he was behind in his
dues. Action dismissed with costs. W
Kingstone, K. C. for plaintiff, A. J.
Wilkes, K. C., for defendants.

idea of the difficulties of one kind and
another that crop up as to apparently
the best of sites.
