ABERDEEN BEEF RING.—The first beast will be killed on Thursday the 20, instead of Friday the 21st of June, as first arranged for.

By very decisive votes, Toronto, on Friday last rejected by-laws granting aid to the Exhibition for new buildings, and for the waterworks.

The May number of the Canadian Practitioner and Review contains an interesting article by Dr. Gun on "Diphtheria and Acute Follicular Tonsillitis."

The C. O. F. will hold their Annual church parade on Sunday morning directing their steps this year to the Methodist church, where Rev. Wray R. Smith will preach from the topic "Covenant Signs and Passwords."

The Methodist Advocate says:—"Just at this time the country needs a religion that will make a man pay his debts. Shouting and giving testimony doesn't settle accounts with God and man." Newspaper publishers, by a large majority, will agree with our good Methodist brother.

PASSED AWAY.—Last Friday, Mr. Jas. Laurie, shoemaker, died at his home here after an illness of a few weeks. He had not been well all winter, and frequently had difficulty in getting to his shop. To the bereaved friends we extend sympathy. He was buried on Saturday in Maplewood cemetery. Rev. Mr. McGregor, of whose church he was a devoted member and supporter, officiating.

PASSED SUCCESSFULLY.—We were pleased to note in last Saturday's Globe the name of C. H. Dixon, Dromore, well up in the list of 2nd year men who had passed in all subjects, the examinations at the Ontario Agricultural College on the work of the past year. He takes honors in veterinary pathology, veterinary obstetrics, and judging horses, ranking first in a list of 20 honor men. Honors also in Botany and Entomology, in Horticulture and in Economics.

COURT OF REVISION.—Thursday evening last the Durham Court held its first sitting and a few names were added to the roll. Mr. Geo. Ryan appealed from his assessment, and after consideration it was reduced by \$500, the amount asked for. Mayor Calder also appealed, claiming that his increase of \$1700 was excessive, and out of proportion to other increases and to similar property. Assessor Vollett maintained that the increases were justified pointing out that the post office was drawing revenue new, which it did not do in 1900. Comparisons were made with other property, and Mr. Calder retired. The court after consideration threw off \$800 of the increase. Mr. Calder was then invited back and being informed what had been done intimated that he would still appeal against the increase.

LACROSSE.

The national game is in the air this year and the agility and spirit of our Durham boys will be shown to good advantage before the season is far advanced.

Some good practice work has been done already, they are getting "on to it" with an effectiveness which bids fair to make a creditable showing whenever they meet opponents at home or abroad.

Thursday of this week they try conclusions with Mt. Forest in an exhibition match, and the first league match this year will be played on the Show Grounds here between the home team and Markdale, on Thursday the 13th inst. The ball will be faced at 3 p. m. and our citizens should jot the date down, and make up their minds to encourage the efforts of our young men to worthily represent the town.

PERSONAL MENTION.

Mr. Chas. Ryan returned home last week for the summer vacation.

Mrs. Hunt, sr., is visiting her son, Edwin, at Traverston this week.

Miss Annie McArthur, of Edge Hill, is this week the guest of Miss Maggie Ryan.

Mr. Archie McDougall spent the beginning of this week with Mt. Forest friends.

Mr. Robt. Scott took a business trip to Port Elgin on Monday, returning Tuesday.

Rev. Mr. McGregor is this week attending the Baptist Association in Mt. Forest.

Mr. Jno. A. Black has been the victim this last week of a severe cold bordering on pneumonia.

Mrs. Jackson and daughter Christine have left England and are now on the ocean on their way home.

Mr. and Miss McDougall, of Tiverton, paid a short visit to their uncle Mr. Chas. McDougall and family on their way to the Mt. Forest Baptist Association.

Rev. Mr. Farquharson preached at Glenelg Centre on Sunday afternoon, taking Mr. McGregor's place who was officiating at the funeral of the late Jas. Laurie.

Rev. Mr. Little, Chatsworth, was in town on Monday. Pleased to meet with him. The new manse is in course of construction, and the spiritual edifice is growing as well, judging by the large number who partook of communion on Sunday last.

Rev. Wray R. Smith left Hamilton on Tuesday to spend a day or two at the Pan-American exposition. Mr. Smith has been appointed to the position of Secy. of the Sunday School Committee of the Hamilton Methodist conference of which Rev. J. K. Adams of Brantford is chairman.

Mr. and Mrs. Todd, Grand Valley and Mrs. Todd's sister and husband from Woodbridge were in town attending the funeral of their brother the late Mr. Laurie. Lyman Caldwell, from C. Infantry school, Toronto, and sister, were also in Durham for their step-father's funeral.

Mr. Archie Campbell, Bunessan, who has been at home most of the winter, left on Saturday for Algoma to resume bridge-building. Accompanying him were Messrs. Duncan McNab, — McRae, Sam McComb, and they will be joined at O. Sound by Jas. McIntosh. Thus does New Ontario rob the old.

CONGRATULATIONS.—We were pleased to hear that Rev. Jno. J. Hastie, Dromore, who lately graduated, has received a call to the Presbyterian congregation of Belgrave, in Huron Co. He had preached there as a student and the call came to him quite spontaneously. The salary is \$800. We congratulate our old friend and wish him a long and successful pastorate.

HON. J. M. GIBSON HON. F. R. LATCHFORD.

Above Members of the Ontario Government will Speak at Reform Demonstrations

AT HOPEVILLE AND HOLSTEIN, Tuesday June 11.

Next Tuesday, weather favoring, there should be a large gathering and a splendid time at the little village of Hopeville in the Township of Proton, where two prominent members of the Ontario Government will address the electors of S. Grey. The meeting is to be held in the grove near the village, and an active committee are making all arrangements for comfortable speaking and hearing. As announced on the bills, lunch can be procured on the grounds, so that those from a distance may start early and be in time for the platform work.

The Ministers coming are Hon. J. M. Gibson, M. P. P., Attorney General of the Province and Hon. F. R. Latchford, M. P. P., Minister of Public Works. They have been addressing a series of meetings with great success and we have no doubt that those who hear them on Tuesday next will be delighted and profited by the presentation of Provincial politics they will be able to give.

As we have remarked before it is an easy task to speak for the Ross government. Its progressiveness is perhaps the most marked feature at the present time. Its wide-awake interest in all that concerns agriculture has left them practically without criticism. The manner in which it has gone about the development of New Ontario is sufficient in itself to disarm criticism, and to win for them the praise and the support of a grateful province.

The opposition has not been slow to discover this as shown by the fact that

no public measure introduced by the government has been opposed on its merits, no scandal in the administration of public funds has been unearthed, and about the only cry we hear is the corruption in West Elgin and other places. This corruption is something no one attempts to justify, and it is unfair, to have speeches made with the plain assumption that the government were cognizant of it. It has been the affliction of both parties that overzealous partisans would stoop sometimes to disreputable means to gain an end, but we could not imagine a government condoning it, far less encouraging it.

Mr. Geo. A. Graham, M. P. P., Brockville, will also be at the meetings. He has proved himself to be a powerful auxiliary to the ministers and his platform addresses are eloquent and taking. He was renominated for Brockville last week with great enthusiasm.

Mr. Binnie, the Reform candidate will also be on the platform and will make, if we mistake not, his first public address since receiving the nomination. As all know, Mr. Binnie is a close student of public questions, and a firm believer in honest and progressive legislation, and finding that in the Ross government he is an ardent supporter of it.

Everyone should go early to Hopeville, and catch the whole. The speakers have to speak in Holstein at 8 p. m. Here too, a crowd is expected and the Agricultural Hall will likely be taxed to its utmost capacity.

GOD SAVE THE KING.

The Review to Jan. 1, 1902 for 50c.

Mr. Alex. Crawford left Monday morning for Sault Ste Marie. We wish him success.

The factory has bought another consignment of lumber 80,000 feet, from Flesherton and Priceville.

Mr. Briggs, of Hanover, arrived in town on Monday to take a position in Swallow's barber shop. We welcome him to our town.

SEND IT TO DAY.—We are offering the Review to Jan. 1, 1902 for 50c. Have you a friend who would appreciate its weekly visits? Give us his name and address on a post card to-day.

VACCINATED.—Capt. Snider has received an imperative militia order that only those volunteers who can show proof of successful vaccination or have had small pox will be admitted to camp. Coming so late this order will make a very small company from this town.

LACROSSE.—The first league match of the season, in district number 5, will be played in Durham, on Thursday, June 13, on the fair grounds, between Markdale and Durham. Ball faced at 3 o'clock p. m. sharp. Band in attendance.

CEMENT PROGRESS.—The fixing of the site last week gave general satisfaction. Mr. Gilbert McKechnie waited on Glenelg council on Saturday, and procured the necessary right of way for poles, tracks, &c. on the highway. A like privilege will be obtained from Egremont and the town has taken the initiatory steps to purchase the site from Mr. Burnet and a by-law is being prepared. Mayor Calder and Mr. Laidlaw went to Toronto, Tuesday morning to expedite matters, and the engineers we understand will be with us next week.

INDIANA FARMS.—If you want to buy a farm cheap, and on easy terms, in a country where there is a market for everything that grows, 82 miles from Chicago, write to Mr. M. A. Dilts, Winamac, Indiana, for his list of Indiana farms.
