VOL. XXIII. NO. 27

DURHAM, THURSDAY, JULY 4, 1901.

WHOLE NO. 1215

Pure Paris Green at Darlings' Drug Store.

VARNEY Methodists held their annual picnic in Blyth's bush on Monday. As usual there was a good attendance.

WOODSTOCK on the first of July 1901, ranks as a city and the occasion was marked by great enthusiasm. She has been dubbed the "Industrial City."

NIAGARA.—We are pleased to give space this week to a sketch by Lieut. Torry of the historic Niagara frontier. While at the military camps his eyes and his camera have not been idle.

Mr. J. L. Browne received the sad news on Saturday that his brother William had died in Holstein from pneumonia. Mr. Browne through indisposition was unable to attend the funeral.

ENCOURAGE THEM.—Our thoughts turn in this broiling weather to the poor candidates writing on their examinations, watching the clock and struggling with something difficult in Algebra, History, Euclid, &c.

HIGH CLASS CONCERT.—On the evening of the 12th of July, the Lacrosse Club here have arranged for a grand concert, the stars being H. Ruthven McDonald and Miss Jean Renwick.

The Dornoch Garden Party we have learned was very successful, about \$70 being realized. There was a large attendance, good music, and good speaking by Rev. J. Farquharson, Durham, Campbell, Mulock, Nelson, Williams-ford and others.

A number from town in the absence of anything exciting Dominion Day attended the barn raising at Mr. Angus McArthur's Glenelg place and witnessed an old-time exciting race. The captains were Messrs J. McDonald and J. McKinnon the former winning by a good margin.

STOKE CHANGE.—Mr. Jas. Ireland we understand has bought the business carried on lately by Mr. Laidlaw and takes possession this week. Mr. Ireland will be heartily welcomed again to the ranks of Durham's business men.

Form No. 1 examination, or 'Leaving as it is better known, is in progress here this week. Messrs J. W. Brown, Hanover and W. J. Sharp, Holstein, are in charge.

DROWNED IN A CISTERN.—Last Thursday Markdale people were shocked to learn that an old and respected citizen, Mrs. Duff, had been found drowned in the cistern. She was subject to faint spells, and it is supposed that while leaning over to dip up water, she had become faint and fell in.

IN JUNE 1902.—It was officially announced on Friday last, June 28, the 63rd anniversary of the crowning of Queen Victoria, that the coronation of King Edward will take place next June.

While in Buffalo last week we enjoyed the hospitality of Mr. and Mrs. J. W. McKelvey, the former being the eldest son of Mr. and Mrs. John McKelvey of this town.

LACROSSE.—The League match at Owen Sound on Monday last between Durham and the county town, went against our boys by a score of 10 to 4.

MARRIED.—On Wednesday, June 26, at the residence of the bride's parents by Rev. D. Sharpe, Mr. John H. Willis, to Miss Bessie R. Herd, all of Bentinck.

McLARTY—LEDINGHAM.—At the residence of the bride's mother, Bentinck, on Wednesday, July 3, by Rev. Mr. Graham, Dornoch, Mr. Jas. McLarty, Owen Sound, to Miss Elsie Ledingham.

THE CEMENT BY-LAW.

The overshadowing event this week is the approaching vote on the by-law which takes place next Tuesday. The delay we understand was caused by a discrepancy between the by-law and the agreement made between the town and the company.

We are giving the company no bonus. We are sacrificing no taxes we are simply at an outlay of \$1300 spread over 13 years for a site for a large industry something the town has offered for years by public advertisement.

The work is progressing favorably. 25 men have been or are engaged at Hayward's Falls in preparation for the dam, and surveys necessary for the railway switch and some of the buildings are about completed.

A unanimous vote for the by-law is much to be desired. It is not carrying we want alone; it is a unanimous vote that will strengthen the town in its dealings with the company, that will encourage the council, that will be fair to the company, and that will emphasize in a manner unmistakable the town's belief in the integrity of their agreement with the company.

Over 50 Durham people attended the Lacrosse match in Owen Sound last Monday.

Dr. Hutton will discontinue his visits to Priceville after this date—all accounts due him can be settled with Mr. Neil McKinnon.

IMPORTANT.—A special meeting of the Directors of Durham Public Library will be held in the Library on Friday evening at 8 o'clock.

HONORS TO BELLE FREEMORE.—At the Mt. Forest sports on Monday Mr. R. Scott won first money in the 3 min. class with his mare Belle Freemore, out of 7 entries.

SEND IT TO DAY.—We are offering the Review to Jan. 1, 1902 for 40c. Have you a friend who would appreciate its weekly visits? Give us his name and address on a post card to-day.

A SUCCESSFUL MEETING.—The meeting of the Grand Camp, Sons of Scotland in Toronto last week, was one of the most successful yet held in point of attendance and interest. A great forward movement is to be inaugurated.

INDIANA FARMS.—If you want to buy a farm cheap, and on easy terms, in a country where there is a market for everything that grows, 92 miles from Chicago, write to Mr. M. A. Dilts Winamac, Indiana, for his list of Indiana farms.

NO VERIFICATION.—Nothing more definite has been learned as to the distracting despatch announcing the death of a Cecil Gun in Boston harbor. There is reason to doubt and room to fear its connection with the family here, and we trust the suspense may soon be ended.

NEW ONTARIO.—Letters received recently from Mr. Angus McKelvie, Liskard, in the Temiscaming district, report a rush of settlers to the new district. Angus employs 20 men in his sawmill and so great is the demand for custom work that he is running night and day gangs, his brother Dan being in charge of one of them.

THE WEATHER.—Last week and this up till Wednesday evening has been a heated spell beyond common. The thermometer has been playing up in the 90's and in some American cities it went over a hundred degrees. Durham had a light shower Tuesday morning which did not cool the atmosphere, however. Crops in some places are beginning to suffer and brown pastures tell the tale.

MARRIED.

WILLIAMS—HERD.—On Wednesday, June 26, at the residence of the bride's parents by Rev. D. Sharpe, Mr. John H. Willis, to Miss Bessie R. Herd, all of Bentinck.
