

MARRIED IN JULY.

One of the prettiest home weddings of the season took place at the residence of Mrs. W. Ledingham, of Dornoch, when her daughter Miss Elsie was married to Mr. James McLarty, of O. Sound. The ceremony was performed under an arch of evergreens and roses by the Rev. Mr. Graham, of Dornoch.

The home was nicely decorated with roses and ferns and the bride who was given away by her brother, was daintily attired in cream cashmere and satin with trimmings of chiffon and gold lace medallions and carried bridal roses. Miss Jean Ledingham acted as bridesmaid and was neatly dressed in white organdie trimmed with valenciennes and carried pink roses. Little Willie and Katie Clarke, nephews and niece of the bride were quite attractive as flower children. The bridegroom was ably supported by Mr. D. McKinnon, of Paisley.

After the ceremony and usual congratulations the guests numbering about one hundred retired to the dining-room where a sumptuous repast was served.

The bridegroom's gift to the bride was a beautiful rhinestone sunburst. Among the many costly and useful presents to the bride were three magnificent white ostrich plumes, the gift of her brother Corporal Geo. Ledingham, a returned Strathcona from Africa.

After spending a few days with relatives the happy couple left for their home in Owen Sound followed by showers of good wishes. The popular young bride will be much missed round her old home in social circles as well as in the church, where she was a devoted worker.

BOORVILLE.

Splendid crop of hay this year. Mr and Mrs N. Wilson returned home after spending a few weeks visiting in Toronto, Port Hope, and elsewhere, which they enjoyed very much.

Miss Florence McKechnie visited Collingwood friends last week.

Miss Eva Booth and Mrs. John McQueen were in Durham last week.

Mr. John Campbell rides in the finest buggy in this part, lately purchased from Miss Cochrane. It is a beauty.

Mr. John McQueen spent the 12th with Stayer friends.

Miss Flora Stewart in company with Miss Galven, of Hamilton, visited at Neil Cameron's last week and other friends.

Mr. Neil Cameron's team ran away with the mower last Saturday and broke it all to pieces. No damage otherwise.

BONUS HUNTING.—The system of bonus-hunting which again prevails to such an alarming extent, notwithstanding the restrictions placed upon it by act of parliament, is aptly illustrated by the Laidlaw shoe factory of Aylmer, who have had a bonus by-law for \$10,000 passed in their favor at Orangeville. They have written to the St. Thomas Council that they have not accepted the Orangeville bonus and would much prefer St. Thomas. They therefore await the result of the voting in St. Thomas on July 23. The \$10,000 by-law in Orangeville was carried a few days ago. This firm would be served jolly right, remarks the Stratford Herald, if Orangeville and St. Thomas should both cast their vote and let them stay in Aylmer. The game of bonus-hunting as practiced by this firm ought to be made distinctly unprofitable. By what representations Orangeville Council was induced to submit a by-law does not appear, but there is no doubt the Orangeville people thought they meant business, though the Laidlaw firm now unashingly admit practically that they were playing with them, the end aimed at being the St. Thomas bonus.—Ex.

LONDON'S BIG SHOW.

The "great holiday outing of Western Ontario" is a phrase that some one once bestowed upon the Western Fair of London, and as the years go by the description seems to become more and more fitting. But it is more than a mere holiday. It is educational in its nature. No man with his eyes and ears open can visit the Western Fair without seeing something to which he had heretofore been a stranger, while the improvements on old devices, the improved methods of agriculture and the higher grade of stock and cattle all combine to show the rapid advance being made in Western Ontario, and to demonstrate that we in this section are fully abreast with the rest of the world. The entries for this year denote a large exhibit, and space should be secured without delay. The speeding in the ring as usual, will be one of the most attractive pastimes, and this will be made doubly so by the engagement of the greatest coterie of high salaried acrobats, gymnasts and aerialists that ever appeared in one combination in Canada, while novelty is added by the introduction of a full troupe of educated performing elephants. The fireworks display will be on a grander scale than ever, and will include a striking and novel representation of the "Fall of China" and "Taking of Peking," together with the most brilliant illumination and electrical effects ever before seen on the grounds. Special train service is being arranged over all railroads to leave London after the fireworks. None should miss this home exposition which can be so easily visited and at little expense.

APHORISMS ABOUT WOMEN.

Max O'Rell. However ill you may speak or think of woman you will always find a woman able to do it better than you. A loving woman will keep her heart warm as long as she lives, and her hair black as long as she dyes. A woman who is constantly blushing must be terribly well informed.

BEYOND A DOUBT.

The Weak and Suffering are Liberated from Disease

Thousands Give Testimony.

Letter upon letter pours in from every point in Canada testifying to the marvelous power of Dr. Pitcher's Backache Kidney Tablets to cure kidney and bladder troubles of the young, middle aged, and aged, and such other troubles as find their origin in a faulty kidney action, and they are many. Such a mass of evidence puts to power to cure these afflictions beyond a doubt, and shows that the Tablet is the right thing in the right place.

This is what Mrs. J. W. Hutchins, 82 Portland St., Toronto, has to say, "I cannot say too much for Dr. Pitcher's Backache Kidney Tablets. Before using them I had a gnawing pain in the back all the time, and an acute lameness across the loins. I had not so much aching in my head as between my shoulders and in the back of my neck. Since using the Tablets my back is as it used to be, and the rheumatism in the shoulders has disappeared. Formerly when I did a washing I was utterly tired out, not having a bit of energy left. This morning I did my washing in two hours and I did not mind it. I have no hesitation in recommending Dr. Pitcher's Backache Kidney Tablets, for I never had anything do me so much good."

Any readers of this paper can test the merits of Dr. Pitcher's Backache Kidney Tablets free by enclosing two cents postage for trial package to The Pitcher Tablets Co., Toronto, Ont. Regular size 50c per bottle.
