

THE LATE EMPRESS FREDERICK.

British hearts in all lands will sincerely mourn the death of the above Royal lady which took place on Monday at Cronberg.

The eldest child of the late Queen, she was long known as the Princess Royal and was much beloved for her own character and abilities. It has come to light generally of late that King Edward and his sister were deeply attached to each other and an added tinge of sympathy goes on his account. Her marriage to the crown Prince of Russia, afterwards Emperor Frederick of Germany was a popular step and proved to be one of the marriages made in Heaven and not by the expediency of Kings and courts.

THE LABOR GAZETTE.—This important and useful magazine, issued by the Department of Labor by order of Parliament, entered on its 2nd volume in July last. For an unbiased account of the numerous strikes, combinations, arbitrations, conciliations etc., its columns should be examined. The July number has an exhaustive article on the Dairying industry in Canada; another on "Conciliation and Arbitration in New Zealand" shows progress in the island colony of rational methods.

LOST.—On Monday, July 22, between Orange Hall, S. Line Glenelg and "Watson's Hill" Upper Road, a Robe. Finder will oblige by leaving at REVIEW office or Gordon's store.

THE QUICK DOLLAR.—This is what the publisher likes, Reader, if your label is slow please oblige us at the very first opportunity by a remittance or better still a call. Money left at Darling's Drug Store will be duly credited. There are a number who have overlooked this little matter.

BEYOND A DOUBT.

The Weak and Suffering are Liberated from Disease

Thousands Give Testimony.

Letter upon letter pours in from every point in Canada testifying to the marvelous power of Dr. Pitcher's Backache Kidney Tablets to cure kidney and bladder troubles of the young, middle aged, and aged, and such other troubles as find their origin in a faulty kidney action, and they are many. Such a mass of evidence puts its power to cure these afflictions beyond a doubt, and shows that the Tablet is the right thing in the right place.

This is what Mrs. J. W. Hutchins, 82 Portland St., Toronto, has to say, "I cannot say too much for Dr. Pitcher's Backache Kidney Tablets. Before using them I had a gnawing pain in the back all the time, and an acute lameness across the loins. I had not so much aching in my head as between my shoulders and in the back of my neck. Since using the Tablets my back is as it used to be, and the rheumatism in the shoulders has disappeared. Formerly when I did a washing I was utterly tired out, not having a bit of energy left. This morning I did my washing in two hours and I did not mind it. I have no hesitation in recommending Dr. Pitcher's Backache Kidney Tablets, for I never had anything do me so much good."

Any readers of this paper can test the merits of Dr. Pitcher's Backache Kidney Tablets free by enclosing two cents postage for trial package to The Pitcher Tablets Co., Toronto, Ont. Regular size 50c per bottle.
