Death of Hector McQuarry.

From last week's Barrie Examiner we take the following notice of an old Bentuck man:

Hector McQuarry a resident of Barrie for 34 years, passed away at his residence, Clapperton street, on Thursday evening. Three years ago he had a very severe attack of typhoid, and this was followed a year later by a stroke of paralysis, from the effects of which he did not wholly recover. For the last two months he was confined to the house and spent five weeks of this time in bed.

Deceased was the only son of the late Malcolm McQuarry of Bentuck Tp. He was born in King, near Bolton, on July 20, 66 years ago. His mother dying when he was quite young, he was adopted by a family living in Albion. After learning the blacksmithing trade in Bolton village, he carried on a smithy at Centreville four years and in Tecumseh for two years, and moved to Barrie in 1867. Mr McQuarry was an excellent mechanic in his line. Some years ago he patented in the United States and Canada, a saw mill log and an axle gauge. The latter met with considerable success in the crowded market, and is used by many of the largest firms.

In 1856 he married Annie Maria Hudson, who died shortly after coming to Barrie. In 1870 he married Mrs Melinda Lowe who died in April, 1890. Three sons survive him, viz: Zion, Malcolm and Joseph. His step-daughters are Mrs Alex. McDonald of Barrie and Miss Esther McQuarry who nursed him so faithfully through his illnesses. Three sisters survive him, Mrs Grassy, Detroit Mrs. McCormack, Glenelg Tp. and Miss J. McQuarry, of Durham. In politics Mr McQuarry was a Liberal, and was known as a man who thought for himself on all subjects. Though of a retiring disposition, there was no man more highly respected among the people who knew him best.

The funeral on Sunday morning was conducted by Mr. Wm. Algie, of Alton, Ont. The pall-bearers were J. Keenan, T. Morley, R. Marshall, W. G. Andrew, A. Kennedy and H. Sewrey.
