Mrs. Delpit Enters Action in the Montreal Courts.

HER ALLOWANCE IS STOPPED.

Montreal report-The famous Delpit case, which recently provoked so much discussion throughout the Dominion, has entered upon a new phase, Mr. Taillefer, counsel for Mrs. Delpit, has entered an action in the Montreal courts to obtain a separation for Mrs. Delpit as to bed and board from Mr. Deipit, who is at present in the United States. A peculiar. feature of the action is that in the application for separation as to bed and board, Mrs. Delpit's attorneys have asked to plead for the same in forma pauperis. It appears that before Mr. Delpit

went to the United States he had made a private arrangement with his wife to pay her twenty dollars a month to support herself. This agreement was kept until Mr. Delpit decided to go South, when the allowance was stopped. For this, and for another reason, it was decided to ask to plead for separation, etc., in forma pauperis. As soon as the separation is granted the court will be asked to issue a command that Mrs. Delpit get possession of her children.

A few days ago Mr. Taillefer re turned from New York, where he had been in order to get trace of the little ones. He has now a pretty good idea where they are, and there may be some interesting developments. It is the opinion of Mr. Taillefer that he will have no difficulty in getting the courts here to grant the separation 34.746 Mrs. Delpit wants, seeing she can 28,735 prove that her husband has abandoned her, and is not contributing towards her support.

17.649 Judge Loranger has granted the 36,200 request to plead in forma pauperis 9.241 for separation. The merits of the plea will be heard in the course of a few 20,483 days.
