ARTEMESIA EXHIBITION

PRICEVILLE HAS GOOD WEATHER. The Artemesia Township show has an energetic Bd. of Directors and efficient officers, and if the weather is at all accommodating their efforts never fail in getting together a creditable

Thursday was a droppy drizzling day, but the exhibitors of inside stuff came out in fair force and were gratified to find their enterprise and that of others had filled the hall nicely.

Friday was a delightful day and the crowd has seldom been exceeded at any preyious show. The unavoidable abfeatures as from the clash of mind with sence of the Duke and Duchess made not the least difference to the good humor and the loyalty of the crowd who had princely pies, pumpkins, potatoes and porkers to look at, decked out with red tickets a decoration much more valuable and close to every-day life than the bunting of the royal tour, though that is not to be despised.

The roots were excellent, many good judges thinking they surpassed all surmeetings must have completely killed | rounding shows this year. It has long that cry, for we can vouch for the tact | been observed that the lands round the head waters of the Saugeeu are unsurpassable in this department.

The fruit show was a good one as material interests than did the teachers | might be looked for when the district includes the famous cuckoo valley.
