PRACTICAL SURVEY.

The history of Joseph as recorded in the Bible reveals the fact that his life was an eventful one. It was what we might expect of one whose piety developed so early in life. One thing is certain, if his brothers had not been wicked they would not have persecuted their younger brother as they did-lying about him and selling him into clavery. They meant it for evil, but God turned it

for good, as He often does such Commentary .- Let us study care- Our lesson begins with the death times it cannot be hushed up when eph sending for his father. 45: 17- furnish from the family seems to

5. Jacob blossing his sons. Chap- LOOK AT THE LINES IN YOUR HANDS

Line Shows Affection.

(Notes From Chelro.) The line of heart is naturally an Important line in the study of the hand. Love, or the attraction of the sexes from natural causes, plays one so in the hand. The line of the heart is that line which runs across the upper portion of the hand, at the base els of barley, 2,000 bushels of oats, of the Mounts of Jupiter, Saturn, the 100 bushels of peas, 25 loads of hay, Sun and Mercury. It should be deep, clear and well-colored. It may rise from three important positions as fol- potatoes, dressed hogs, and the lows: the middle of the Mount of usual Saturday's delivery of butter. from the centre of Jupiter, it gives | els at 64e to 71e; red, 400 bushels the highest type of love, the pride | at 64c to 71 1-2c; goose, 600 bushdead-"This at once argues both a strong and reliable in his affections.
