Li Hung Chang was regarded here as strongly pro-Russian, and it is possible that his death and the coming into power in China as the Director of Foreign Affairs of another Prince, less friendly to Russia, will hasten the day when Russia must relax her hold upon Manchuria and allow the country to be opened up to the com-

New York, Nov. 11 .- It was payday for election bets in the Wall Street that stakes aggregating something like \$1,000,000 were turned over to dates. A great deal of Tammany money from uptown was placed in Wall Street, but the Wall Street men themselves generally bet on what proved to be the winning side. Among the big winners were John W. Gates, Jacob Field and W. B. Oliver, while Jesse Lewisohn is reported to have backed Shepard heavily and to have lost something like \$75,000. It was said that Mr. Gates had \$30,000 up on Low. Mr. Field's winnings are said to have been \$59,000, while Oliver is understood to have raked in \$40,000 of Tammany cash.

The Supreme Tent keeps on deposit large amounts of money in leading banks in several commercial centres, on which warrants are drawn for the payment of death claims, but all collections are made through the Commercial Bank of Port Huron, and it is a part of the duties of the Supreme Finance Keeper to transfer from time to time from the Commercial Bank to these other depositaries money for the purpose of keeping the accounts good at such banks, and the money that was used in this case by Mr. Thompson was on a draft transferring from the Commercial Bank to the First National Bank of New York.
