THE ONTARIO PROVINCIAL FAIR.

was for many years conducted by the Mr. A. G. Gilbert, Manager of the Agricultural and Arts Association. In Poultry Department of the Central 1892 the Provincial Live Stock Associ- Experimental Farm, Ottawa; Mr. W. ations took a controlling interest in this important exhibition. The results have been most gratifying. In 1901 Department of the Ontario Agricultural there were 91 entries in all clases; College, Guelph. \$102 were received as entry fees, and \$86 at gates as gate receipts. A total of \$188 was therefore received, and there was \$325 paid in premiums. Under the supervision of the Associations there has been a steady growth until 1898 there was over 800 entries, over \$1,100 gate and entry receipts. The amount paid in prizes was \$4,500. In 1899 there was over \$5,500 paid in prizes. In 1900 there was over 3,000 esting. entries and over \$7,000 was paid in prizes, and 11,600 persons visited the show. In 1898-9 block tests and lectures by the judges in the rings were introduced, and have since been continued and have proven of great value It is safe to say that this is now the most important Show, from an educational standpoint, held in any part of the world. The Dairy Department is also complete and valuable, in fact, it is the most valuable and instructive show of dairy cattle held anywhere. In connection with the Show, poultry exhibits and experiments have been introduced, which are proving of

great value to the country. The judges after making awards are requested to deliver addresses and explain why they placed the award as they did. They are most carefully chosen and are men of wide experience who fully understand the requirements | izing a beef-ring was held at the house of the home and foreign markets. of Mr. Wm. Brown, 20th con. After the animals are judged alive, each one entered for the block test is sent into the slaughtering room where it is killed and dressed, being first privately marked bo the director in charge of the ring. Other judges, also explain their awards and outline the requirements of the various markets and of the consumers.

A building costing over \$20,000 has been erected and equipped in Guelph She is highly pleased with Orillia. for the purpose of holding the Show. Her sister Miss Sarah, of Swinton Park Lecture rooms capable of seating 600 persons are provided. Last year these were not large enough, and an overflowing meeting was held. success of this exhibition proves that it is not necessary to provide questionable entertainments in order to draw a large intelligent and appreciative
