Mrs. Geo. Anderson, of Glenelg, was buried on Tuesday of this week at Zion cemetery. She was a sister to Messrs John and Adam Weir and has for a long time been a respected resident of the township. At this writing we have no particulars of her last illness, but to husband and family and friends we extend all sympathy in their bereavement. See Edge Hill cor.

COUNTY COMMISSIONER.—We had heard only one name mentioned last week for the vacant position in our County Parliament, that of Mr. D. McDougall, but names are springing up like berries in June. Since last issue we have heard that Mr. James Staple is being thought of, Councillor Duncan McLean, of Bentinck, is mentioned, Com. Neil McCannell, South Line, Glenelg, has been discussed, so there you are: choice enough surely, and all good men and true.

BROKEN LEG.—Last Friday, while Mr. John Vollett, a mason, was making some repairs to a chimney of Mr. Parker's residence he in some way slipped and went over the edge of the roof, falling first on the verandah roof and then to the ground. His leg was found to be broken at the thigh and he received some injuries to his head, but no internal injuries as far as we heard. Much sympathy is felt for Mr. Vollett and for his family who are thus, at the beginning of winter deprived of the service of the breadwinner. Led by Barrister McCaul, some tangible evidences of sympathy were shown on Saturday. We hope he will make a speedy recovery.

A VETERAN RETURNS.—By advertisement in another column it will be seen that Glenelg council is advertising for a new Treasurer, Mr. Jas. Edge, the present official having given notice of his retirement at the close of this year. For 26 years Mr. Edge has served his Township as Treasurer and previous to that was for many years connected with its council. While reeve he was honored by the Wardenship of the County and served on several of the most important committees in the County Council. Perhaps outside of his own township, he is best known as President of S. Grey Agricultural Society, in whose interests he has spent much time and thought. He is also well known as one of the stalwarts of the Conservative party of this Riding and his name and influence has always been a power in their ranks. Mr. Edge for several years has been the oldest remaining link with the very earliest pioneer days, not one of his township's present inhabitants outdating him in length of residence in it and very few outdating him in years of life. We wish for the general postmaster and patriarch of Edge Hill and his partner many pleasant years in the evening of life.

We are showing a big range of Suits and Overcoats for Men, Boys and children. All good honest goods, and at very close prices.

J. H. BROWN, Holstein.

The Toronto Mail and Empire says:—“Mr. Reehab Tandy sang with power and feeling, his interpretation and enunciation being especially good.” On Dec. 16, he appears at the Pres. Church concert in the church.

HISTORY REPEATS ITSELF.—The Duke of Wellington, hero of Waterloo, lived to be hooted and stoned and here are despatches telling that an anti-Roberts demonstration took place at Aldershot!

The Ayton Advance is authority for the statement that Messrs R. Morice, W. G. Gardiner, and Wm. J. O'Reilly will have a three-cornered fight for the reeveship at the coming election in Normandy, which means that Bob will go in again.

The Ladies' Mission Circle of the Baptist Church purpose holding an Open Meeting on Thursday evening, Thanksgiving, at 8 p. m. Addresses on Mission Work will be delivered. Free will offering at close of meeting. All invited.

AGED 103.—Mrs. Joseph Camp, Dornoch, recently had word of the death of a relative “Uncle” Adam Misenar, of Troy who was born in the far gone year of 1788, and whose grandfather, a Hollander, came to America in 1720! While the battle of Lundy's Lane was raging Adam and his sister were a few fields off picking peas. The deceased was a Liberal and missed voting only three times since 1818.

THE BEST.—The concert to be held next Tuesday evening under the auspices of the Durham Lacrosse Club, will be one of the best of the season. Miss Whelpley has been engaged as accompanist and the reputation of Mr. Geo. T. Smedley, musician, and of Mr. W. J. Carnahan the well-known baritone of Toronto, is a guarantee of first-class entertainment. Admission 25 cts. Reserved Seats 35c. Plan at Darling's Drug Store.

“THE ENGLISHMAN IN CANADA.”—The Montreal Star artist A. G. Racy has been publishing a series of the “racyest” cartoons we have yet seen on the above subject. A dudish Englishman filled with all the absurd ideas so persistently held about Canada, comes out equipped to meet snow and frost, Indians and bears, &c., and his surprise to find Montreal people living in houses, no bears, no need of furs, &c. is sarcastically set out. Pity they could not be put in a book and circulated broadcast in England. We would then be spared reading “Prairie fires in Toronto.”

HYMENEAL.—A very pretty event took place last Wednesday, when Miss Mary Milligan, of Bentinck was united in wedlock to Mr. Thos. Mighton of that place. The ceremony was performed at the rectory at seven in the evening by the Rev. Mr. Ryan. They were supported through the trying ordeal by Miss Minnie Reid and Mr. Jos. Corbet. The bride looked very charming in a beautiful gown of pearl-gray whip cord trimmed with pale blue silk and pearl trimmings. The bridesmaid also looked handsome in white lawn trimmed with pale blue silk and ribbon. After the ceremony they drove to the bride's home where a supper was prepared for the occasion after which the evening was spent in music and other amusements. The Review extends hearty congratulations to the young couple.

It is not too soon to select Xmas presents. See MACFARLANE'S Stock.

CEMENT NOTES

Mr. Bogardis, chief engineer for the Cement Company was in town last week taking note of the progress being made at the works here.

Mr. Hooker, Chicago, an employee of an American ironworking firm, is in town superintending the putting in of the machinery in connection with the rotaries.

A carload of slate for the roof of the machine shop came a few days ago and will soon be placed.

A car-load of bricks came the other day for use in the clinker pit.

About 25 teams are at work gearing for a new switch which will come near the machine shop.

Carr's Cough Cure, cures colds. Fully guaranteed at MACFARLANE'S.

Remnants of Wall Paper from 3cts a roll up at MacFarlane's.

COUNTY COUNCIL.—Met on Monday evening at 7, p. m. All the members were present excepting John McDougall of Chatsworth, whose health is not good. The warden in his address urged the removal of the disgrace in Grey not having a House of Refuge. The equalization of assessment is another burning question. Insp. Gordon is to return after long and faithful service in North Grey and we would like to see such an all round good man as H. H. Burgess appointed to the position. Report of S. G. Farmers' Institute was ready as of old.

THE GLOBE'S PREMIUM.

The Globe always “does things.” This year they have excelled themselves in the premium line by presenting free to every subscriber to the Weekly Globe the finest pair of pictures we have yet seen. Weekly Globe and pictures, Durham Review, and Canadian Annual. All for \$1.00 to end of 1902. Let your neighbor know.

REV. IRL R. HICKS IS NOT DEAD.

Notwithstanding a widely current rumor that the Rev. Irl R. Hicks was dead, he never was in better health, and never did a harder and more successful year's work than that just closing. He has just completed his large and splendid Almanac for 1902 and with his staff of able helpers, has brought his journal, WORD AND WORKS, justly forward into international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer, and forecaster of storms and the character of coming seasons. Never were his weather forecasts so sought after as now, his timely warning of a serious drouth this year having saved the people from loss and suffering. Millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs them so little and the benefits are so great. His fine Almanac of 200 pages is only 25c., and his splendid family journal is only one dollar a year including the Almanac. Send to WORD AND WORKS Pub. Co., 2201 Locust St., St. Louis, Mo.—Clipped with the REVIEW for \$1.75, which includes the Almanac and the Canadian Annual.

The Meaford Monitor in referring to a flattering invitation received by Rev. Chas. Smith has this to say of his brother: “Mr. Smith is a brother of Rev. Wray R. Smith, Durham of the Hamilton Conference, under whose edifying and pictorial preaching we often sat with great benefit. Mr. Smith, of Meaford is to our thinking “a chip from the same block.”

THANKSGIVING.

The first in the Century. How are you going to observe it? We have much to be thankful for. Our country has not been devastated by war, famine, or pestilence. The empire, of course, has had a dreary year, and much of the best blood of Britain has been shed. Still we are thankful now for small mercies and one of these is that no European complication added to the trouble.

The death of the Queen does not now sadden, and the triumphal progress, of the Royalties over the empire raised pride.

Our province is wonderfully prosperous and without thought of partizanship we think that our thanks are due for good government.

Coming nearer home we have had our full share of blessings and it is fitting on the part of those who recognize a Divine Providence in all things to return thanks.

Give an ear and an hour to the churches then go feast and be thankful.
