He Spent Miserable Days and Sleepless Nights-Hands, Feet and Limbs Stiff and Swollen.

From the Record, Smith's Falls, Ont. "There is wonderful talk about you try them?"

These words were addressed to Mr. Andrew Gardiner, of Smith's Falls, by a friend when he was in the depths of despondency regarding in it. his physical condition. For three years he had suffered so much that life had become a burden to him and oftentimes he says, he almost wished that he might die. Then he spent miserable days and sleepless nights, now he is enjoying life. Then his feet, hands and limbs were stiff and swollen and he was tormented with a constant stinging, creepy down to a game of poker in the Mansensation in his body which gave | hattan Club card room after the thehim no rest day or night; now he is as supple as ever he was, with the stiffness, the swelling and the the six been asked, he would have rebutes it all to the use of Dr. Wil- and with little care as to the monliams' Pink Pills.

Why, of Course.

"What is a picture hat, anyway, nsked Mr. Gildexter. "It must be the Gainsborough," replied Mr. Giddings .- November Smart | unfair methods.

"The Growth of a Popular Tea" Some few years ago the "Salada" Tea Company purchased and remodpremises at 32 Yonge street, Toronto, making them the best equipped and most elegantly fitted tea house on the continent. It was then thought that the facilities possessed would be amply sufficient to serve all demands for some years to come, but so great has become the growth and expansion of "Salada" Ceylon Tea that it has been found imperatively necessary to still further enlarge and improve, also to add two do for you? stories, which will certainly not only "Salada" business, but largely add to marriage to your daughter. ing structure.

Flush-

MANHATTAN CLUB

(New York Herald.) Charged with suspicious transactions at cards, a member of the Manhattan Club, a prominent lawyer with western connections, has been given an opportunity to resign. The Dr. Williams' Pink Pills, why don't attempts to keep the matter a secret have failed, and last night the story of the card game was related in many of the clubs, everywhere creating a distinct sensation because of the standing of the men engaged

Whispered rumors had been heard in the card room at the Manhattan Club that it required more than luck to explain several winnings that had been made there. Until last Monday night the rumors found few to believe them. The verification came unexpectedly, but in a manner that convinced those present that the good name of the club required immediate

THE PEOPLE'S KNITTING SYNDICATE, LIMITED

(Authorized Capital, \$180,000) To Fill Large Contracts-Good Wages Easily Earned We want a few more workers in this locality, at once, and in order to secure your co-operation without the delay of correspondence, we We want a few more workers in this locality, at once, and the Machine is easily operated, and with the Guide, requires no teacher. If you wish to join our staff of Workers let us hear from you promptly with remittance, and we will send machine and outfit to begin

We wish to secure the services of families to do knitting for us in their homes. We are the introducers of this plan in Canada and are the largest knitting concern on the continent.

After long experience, we have been able to produce an Automatic Machine by which all kinds of seamless knitting is done by our Family Machine, thereby conding anyone of ordinary intelligence to quickly learn to do the work from the instruction Guide. All that we require is that you use the machine according to directions. The Machine being made The great demand now is for Woodmen's Socks, and Motormen's Mittens, and as we are unable to supply the demand, we have taken this method of advertising for more help.

The price we pay for finished bloycle stockings is \$10.00 per hundred; woodmen's socks, 5c. per pair, and motormen's mittens, 12c. a pair.

The machine can be operated by any one of a family, and at our prices any energetic family should be able to sustain themselves comfortably.

The machine can be operated by any one of a family, and at our prices any energetic family should be able to sustain themselves comfortably.

Our plan is to send out each machine to beginners with a sock or stocking partially knitted, and remaining in the machine ready to be continued, and also enough yarn to knit tory, we send a quantity of yarn, which you knit and return likewise when finished. We prepay charges on all work one way, and our workers pay return charges. The work as we to thirty pairs of socks or stockings a day, and where the time of a family is deveted to the work, you can readily see that from \$7 to \$10 per week can be easily carned.

We furnish our workers all the materials, yarn, etc., free, and everything that is necessary for the work. We furnish the machine only for the exclusive use of those desiring to take employment with us, who must, in order to become a member, send us at least one good reference, and remittance accordingly, to give us the necessary assurance that the quantities of valuable yarn we may send from time to time will not be wasted or misappropriated. Our interests are mutual, and this confidence must be established if were are to succeed, an extensive business, and must be governed by business principles. nsive business, and must be governed by business principles. The manufactured price of the machine is \$15, and positively will not be sold to any others than those who will agree to do knitting for us. There is a large demand by the trade for this class of work. Our workers can depend upon it year after year, and if you engage with us (whole or spare time) we will keep you supplied with work as long as you do it satisfactorily for us and return it promptly. We entrust our workers with large quantities of valuable yars, and as we give references as to our honesty and integrity, we must ask you to do the same, in order that we may know with whom we are desing.

We have, in as brief a manner as possible, endeavoured to show you what our work is, we simply say as to the machine, it is just what we represent it to be, and will positively do everything we claim for it, or refaund the money. Each machine, securely packed with an outfit, is set up for work, thoroughly tested, and a sock or stocking partially knitted before your property, upon receipt of which we will forward machine and outfit ready to commence.

We are so frequently and unnecessarily asked if one can learn to knit without a teacher. We say, Yes; it requires no teacher.

operty, upon receipt of which we will forward machine and outnit reasy to commence.

We are so frequently and unnecessarily asked if one can learn to knit without a teacher. We say, Yes; it requires no teacher; any person of ordinary intelligence who can read We are so frequently and unnecessarily and unnecessarily and innerest and instruction Guide can learn to knit at once.

If at any time a worker becomes dissatisfied and wishes to discontinue in our employ we will take back the machine and return the money, provided the machine is in as good condition as when received and provided an amount of work equal to the amount paid for the machine has been done.

In ordering you must enclose \$15 and give the name of some responsible friend or neighbor as a reference—one who will speak as to your honesty, also name your nearest express office.
