Address and Presentation.

On Thursday, December 19th, the pupils of Dornoch Separate School met in the school, and while presenting their teacher, Miss O'Hara, who was leaving, with a grip, the following address was read by Maggie McKenna and the presentation made by Lottie Drew.

To Miss O'Hara,
Dear Teacher:
We, your affectionate pupils wish to show our appreciation of your care over us for the past three years, both as regards our intellectual and moral advancement. We know that, in your departure we lose a kind friend and a faithful teacher, whose every effort has been for our improvement, and, while deeply regretting the separation, we give to you our best regards and well wishes for the future. Accordingly, we would ask you to accept this grip as a slight testimonial of our esteem.

L. Drew,

DUNCAN McLEAN THE MAN.

Nominating officer Wm. A. Anderson had only one name brought before him on Monday for the vacant position in the County Council and that was the genial gentleman named above, at present a member of Bentinck council. We asked two weeks ago if "all were satisfied" with Duncan and silence gave consent and the district has confirmed it. Congratulations. The worthy place held by Mr. Ries is worthily filled. Acclamation for the township too did you say? No sir, there will be a rush for this vacant position which may result in leaving the east without a representative.

OVER THE CENTURY MARK.

Chas. McKechnie died on Monday last at the home of his son Donald, near Dornoch, at the great age of 100 years, 9 mos and 14 days. He was a native of Mull, Argyleshire, and came to this country with wife and children over 50 years ago. He lived for 4 or 5 years in Fergus before moving to the locality where he died. His family now alive, consists of his sons Donald, and Hugh in town, and one daughter Mrs. Morris, now a widow, in Proton. He is to be buried Wednesday in Rocky Saugeen cemetery.

EGREMONT STATEMENT

The following extracts from the Statement just issued show school finances and the general standing of the township, which we think is flattering to the present council:

Hundreds of thousands of tons of stone have been removed, by generation after generation, from the Pyramids, to build and rebuild modern Cairo. This constant mutilation is most clearly shown in the case of the second Pyramid of Gizeh, of which an illustration is given in the January Delineator, with numerous others of Egypt and its historic wonders, in an extremely interesting article by the evangelist Ira D. Sankey, the first of two papers describing his trip through Egypt and Palestine.

CNK MAN ONE VOTE.—The Municipal Amendment Act of 1901, by sections 9 and 10, does away with double or treble voting for councillors at the town or township elections. The following are the new sections regulating the matter: 158 a. In towns and cities where the councilors alderman are elected by general vote every elector shall be limited to one vote for the mayor and one vote for each councillor or alderman to be elected for the town or city, and shall vote in the polling place of the polling sub-division in which he is a resident, if qualified to vote therein, or when he is a non-resident or is not entitled to a vote in the polling sub-division where he resides, then where he first votes and there only; and in cities where the alderman are elected in two electoral divisions every elector shall be limited to one vote for mayor and to one vote for each alderman to be elected in each electoral division in which he has been rated for the necessary property qualification and shall vote in the manner hereinbefore prescribed.

BUNESSAN SCHOOL CONCERT.

The concert of Dec. 20th was a great success. The old school held the largest crowd ever gathered within its walls several being turned away. Under the circumstances the order was remarkably good and reflects great credit on those who had to stand throughout the whole performance. The programme was given chiefly by the children. Several action songs were well received, especially so were two sets of club-swinging, while a couple of dialogues given by former pupils, fairly brought down the house. Mr. Alex Bell sang some three songs in his usual hearty style. He was accompanied by Mr. Grant McComb, who also assisted in singing one of the songs. Miss Kate Dixon gave a good scotch recitation while Mr. Dixon in a brief speech expressed his pleasure in once more being on the platform he had occupied for seven years and in meeting so many old friends and pupils. John Gray was called on for a speech after which the audience wouldn't let him rest until he had sung a couple of songs. Mr. Gray also gave several selections on the violin and was accompanied on the organ by Mrs. W. Ector. Little Miss Winnie Wallace sang a song that was heartily applauded. "God save the King" closed the programme. Mr. Alex Binnie was chairman. Proceeds \$25.95 to be applied in getting a bell for the school.

BORN.

McCLOCKLIN.—In Durham, on Dec.—to Mr. and Mrs. Fred McClocklin a daughter.

Live Stock Market

Toronto.
Receipts of live stock were light at the cattle market to-day, 62 calves all told; cattle 588, hogs 1877, sheep 767, and 15 calves.
The quality of fat cattle generally was only medium, few choice lots being offered.
Trade was not brisk, but all offerings found a market at fair prices, according to quality. Prices for good to choice animals were no weaker, but common grades were easy at prices given.
Sleep and lambs were in good demand and sold at firmer prices.
Deliveries of hogs were fair and prices are again 12c per cwt higher than round.
Export cattle—Choice loads of heavy exporters sold at \$4.70 to \$5.35 per cwt. Light exporters, at \$4.25 to 4.65 per cwt.
Butchers' Cattle—Choice picked lots of butchers' heifers and steers, equal in quality to the best exporters weighing 1150 to 1250 lbs each for Christmas market, sold at \$4.50 to \$5.25.
Common butchers' cows \$3 to \$3.25 and inferior cows \$2.25 to \$2.85.
Calves—Calves were sold at from \$2 to \$10.
Sheep—Deliveries, 767; prices firmer at \$3 to \$3.25 for ewes, and \$2 to \$2.50 per cwt for bucks.
Spring Lambs—Prices firmer at \$3 to \$3.50 each, and \$3.50 to \$4.25 per cwt.
Hogs—Best select bacon hogs, not less than 160 nor more than 200 lbs each on feed and unwatered on cure sold at \$5.75; fats at 5.87; and lights at \$6.
