

THE BIG STORE

J. A. HUNTER.

Annual January Sale from 17th to 25th.

It has been our custom for years to make a special sale in January of all left-over goods and remnants, in order that our stock may be as low as possible for stock-taking in February. IN GEORGIA.

An remittance to the REVIEW from Georgia recently was accompanied by an insurance pamphlet called "Sunshine" in which is a fine portrait of Mr J. S. Cameron, well known near Priceville, and now manager in the State of Georgia for the Sun Life of Canada. Accompanying the portrait is the following which his many friends will appreciate:

"Mr. John S. Cameron, manager of the Sun Life of Canada for the State of Georgia, is a native of Grey County, Ontario, where he was born in 1862, but has been so long with Uncle Sam that he may now be called a Canadian-American. Mr. Cameron began his business career in the lumber trade, but in 1890 was attracted to life assurance work. His first connection with the Sun Life of Canada was in 1895, when he was appointed a special agent at Grand Rapids, Michigan. From that position he soon rose to inspector of agencies, then to manager of the Company for Western Michigan. In 1899 he was appointed State Manager for the Company in Georgia, introducing the Company into that state. In competition with nearly half a hundred companies having old-established agencies in Georgia, he wrote over half a million dollars of new business last year, placing his Company high on the list of business secured and paid for. This speaks better for his success than any other thing. And the year that just closed has been his banner year."

HOPEVILLE.

The election is now a story of the past and the last year's council is all returned after a hard fought battle. The reeveship was close and hotly contested. The people in the west side of the Township thought McArdle would be elected. His chances appeared best, but it is alleged a ring was formed by the old council to prevent the admission of new blood. On the night of the election and following days word was received here that James Corbett was 31 ahead, but reports since show Corbett's majority to be 22. There is a report that McArdle will protest the election on account of bribery. We find by the returns that Corbett was ahead in 4 divisions and McArdle ahead in the other 4 divisions. This is the closest run Corbett has had since he got elected reeve some years ago.

Dr Sproule, M. P. passed through our village going to and from the Cedarville Presbyterian Church tea-meeting last week.
