PRACTICAL SURVEY.

The supreme promise of prophecy and the climax of gospel fulfilment is the bestowment of spiritual power. This is the central thought of the lessons of the quarter. About this thought they may be grouped as follows: Power promised, lesson 1. Power sessed, lessons 2, 3, Power exercised, (a) in blessing, lesson 4: (b) in punishment, lesson 6. Power opposed, lessons 5, 7, 10. Power prevailing, lesson 11. Power practised, lesson 12 Power promised. Of this Joel prophesied nearly eight hundred years before. That the prophecy might be fulfilled was the "expediency" of Christ's departure. "If I go not away, the comforter will not come unto you; but if I depart I will gels appear to the disciples; they send him unto you." PROTRUDING BLEEDING PILES

are practically white, and might be Two Letters from Mr. Walker Explaining the Severity of His Case and the Permanency of His Cure by Using Dr. Chase's Ointment.

> Some people seem to think that it is too much to claim that Dr. Chase's Ointment will cure every form of piles, but facts go to prove the truth of this claim. These are interesting letters from one who

> has suffered much and been cured. In November, 1901, Mr. Sherwood Walker, a fireman on the Canada Atlantic Railway, living at Madawaska, Ont., writes: "I am a great sufferer from bleeding piles. Sometimes the protruding piles come

> down, causing much misery and uneasiness, and at other times I am subject to bleeding piles, and they bleed to such an extent as to make me quite weak. If Dr. Chase's Ointment will cure this awful ailment you will have my everlasting gratitude." On March 1, 1902, we received the following letter from Mr. Walker, which speaks volumes for Dr.

> Chase's Ointment as a cure for piles of the most distressing form. He writes: "According to my promise, I now take pleasure in writing to you. If you remember, you sent me a box of Dr. Chase's Ointment for bleeding piles some three months ago. I used it, faithfully, and can say that it proved a godsend, for it has entirely cured me of bleeding piles. "I would have written sooner, but I wanted to be able to tell you that it was a permanent cure. This

> you can use for the benefit of other suffering people. There are several people here who have been cured of very severe cases of protruding piles by using this great ointment." Bo far as we know there is no other preparation extant which is so successful in curing piles of the most aggravated kind as Dr. Chase's Ointment. Its soothing, healing powers are marvellous, and its cures there ough and permanent. Sixty cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.
