Mr Binnie last week held meetings as announced at six points in Normanby and has reason to believe that he will receive a very generous support from that township. A meeting in his interests was also held at Mulock and some good organization work was done at most of them. Only at one of them did a champion for Dr Jamieson appear and that wes at Watson's in Normanby, where Mr Wm Allan as an 'Independent" urged support of the Whitney candidate.

Dr Jamieson held three meetings in Proton and two in Egremont last week only one of which, Cedarville was nnopposed. An account of the Dromore meeting appears elsewhere. The Doctor had a meeting at Hopeville,, Monday night of this week, Proton Station Tuesday, Dundalk, Wednesday, while Mr Binnie has had or will have meetings from Monday to Friday at Holstein, Drewry's Yeovil, Dromore and Sinclair's successively.

Mr Binnie has had supporting him Messrs W. S. Davidson, Jas A Hunter, Wm Calder, Neil Mc Cannel, -Hatton, O. Sound, J. D. Morgan, Dr Mearns, H. H. Miller, Hanoyer, A. Wenger, Jno. McKechnie. Jno. Mc-Kinnon, Wm. Irvine, C. Ramage and The strength, the enthusiasm, the
