PRICEVILLE.

The weather this Monday morning is somewhat showery, with fine growing privileges.

The elections are all over and the weapons of war are laid aside for some future time, and now the lions and the lambs are all mingled together and no one can discern the one class from the other, but it was not so on Thursday 29 May for the lions and unicorns fought and although the battle was won by the strong in South Grey it was gained by the defeated party of South Grey in Ontario. The wonderful large majority for Dr Jamieson was a marvel even to his own supporters, and we hope that no undue influences were used to change the votes of those who were expected to support Mr Binnie in this campaign. The Conservative party could get or produce no stronger man in South Grey than the Dr, who is a gentleman in all respects, but we must admit that we are sorry for the defeat of Mr Binnie for his large minority at this election, but although we are defeated in South Grey we are pleased to see that the old "machine" as it is vulgarly termed by many of the conservative journals, is again in good running order and warranted to sift the chaff thoroughly from the grain for the next four years.

Communion held in Gaelic in the Presbyterian Church next Sunday the 8th, and preparatory services on Saturday at 11 o'clock in the forenoon. Rev Mr Matheson will be going to the Assembly next week which is to be held in the city of Toronto.

We hope to see a good turn out on Friday night the 6th, at the Lectare and Lantern views in the Presbyterian Church on that evening. It promises to be one of the best views ever seen in Priceville, 70 views will be exhibited.

The funeral of Mrs McInnis, Buneson, will take place this Monday afternoon. This was a lady which was widely and favorably known by most people for her kind and charitable and christian disposition. She was one of the pioneers of Glenelg, coming there some fifty ago. We are not going to write her obituary as we expect that part will be attended to by those representing that section.

Mr Alex Scott was buried on Sunday, June 1st at Ebenezer cemetery. He was one of the very first settlers on the old Durham Road, Glenelg, coming there about fifty two years ago when it was all solid bush. He was about 78 years of age.

The late frosts did little or no injury to fruit or growing grains.

Mr John McInnis will be starting for Calgary this week, with a car load of yearling steers and yearling colts.

The trustees of this section secured the services of a man near London, whose name we forget, if we heard it, to fill Mr Bell's place for the last half year of this year.

We are very sorry to say that Robert Conkey received no encouragement for getting better from doctors at Toronto and elsewhere for treatment of cancer in the face and neck.

Walter Nichol, of Toronto, spent a few days at home last week and returned again this week.

Mr Arch McCuaig attended meeting at Hanover on Saturday last on business in connection with the Grey & Bruce Fire Insurance Company of which he is one of the Directors.

Norman McDougall is home for the last couple of weeks from the American Soo.

Mr Thos Fisher, South Line, intends visiting friends at Nobleton, King Township, this week.

The venerable Mr John Campbell, of Swinton Park, is again attending gaelic service in Presbyterian Church since the warm weather came in. Mr Campbell is in his 83rd year and will put to shame many of the young people yet for being prompt on time after coming 7 or 8 miles of a drive in the morning.

Miss Minnie McDonald, of Toronto, visited friends in Priceville and Glenelg for a day or two at the 24th May.

We are pleased to hear that Mr John McPhail, east of this place is getting better from hemorrhage of the lungs.

BOOTHVILLE.

Fine rains making hay and fall wheat look well.

A heavy thunder storm since we wrote last has done much damage. W J Wilson's barn was struck and partly wrecked, it came down Sandy McLean's chimney, killed the dog and partly paralyzed Mr & Mrs McLean. Dr Sneath was sent for but all was well. Further south 19 buildings were unroofed and one man who had his building raised to put a foundation under it had it blown down and there is not a stick fit to use now.

Joe Eccles and gang expect to have J Wilson's barn ready to raise on the 20th.

Misses Mary and Katie Clark came home Saturday to see their father who is not improving much.

Herb Childs wheeled from Fleisher-ton to Stayner in 2 hours, a week ago. Peter Ferguson is not improving we regret to say.

The election was a great surprise. Evidently the riding doesn't want a farmer.

The sadness of another death to record. Mrs Dan Ferguson, Swinton Park, who died at the home of her parents Mr and Mrs Ed Henderson as the sun went down Sunday night. She was ever a great worker in church circles and was loved by all who knew her.

People here welcomed Rev. Mr. Matheson on his pastoral calls lately.

Mr John Marshall, of Spring Bank farm, visited relatives here.

Geo Haw was in our burg, Monday, dehorning cattle.

On May 27th last the remains of Miss Flora McCannel, Boothville, were laid to rest, and though the day was cold and stormy there was a large assembly of sorrowing relatives and friends. Another token of sympathy was the unusual presence of School children, who marched and sang from Mr. McCannel's to the school.

Deceased was the daughter of Mr. Donald McCannel, of Boothville, and about 8 years ago a fall resulted in injuries which caused a slight mental derangement. The efforts of friends and medical skill worked restoration for some years but an attack of La Grip necessitated her removal to an asylum. On May, 16, word came that she was very low and her brothers Dougald and Neil went to see her and her intellect seemed to improve with her physical decline. She died on May 25th throwing many homes into deepest mourning, and causing sorrow in a community which knew and loved her for her kindly disposition and true beauty of countenance and character.

Rev. Mr. Matheson conducted appropriate services, speaking from John, 14 chap. Of her we may say with the poet:

There entertain her all the saints above,  
In solemn troops and sweet societies,  
That sing, and singing, in their glory move,  
And wipe the tears forever from her eyes.

BEACHBURG WEDDING.

The home of Mr. J. Jaeger, Beachburg, Renfrew Co., was the scene of a very pretty wedding on Wednesday evening, April 30th, when his eldest daughter, Miss Maggie, was united in marriage to Mr. D. Morrison, of Franklin, Manitoba (formerly of Dornoch, Ont.)

At six o'clock a large number of guests assembled in the drawing room, which was prettily decorated for the occasion, to witness the ceremony.

While Miss Robinson played the wedding march the bride entered the room leaning on her father's arm, and followed by her sister, Miss Teresa, who act-

ed as bridesmaid. Here the groom and groomsmen Mr. D. Elliott awaited them. Rev. A. Menzie performed the ceremony.

After the usual congratulations, the guests repaired to the dining room where a sumptuous repast was served.

The bride was attired in a pretty dress of white silk trimmed with lace, ribbon and rhinestone buckles. She carried a shower bouquet of carnations, roses, and maiden hair fern. The bridesmaid looked pretty in a gown of white dotted organdy trimmed with lace.

The presents which were numerous and costly including among others several valuable bank cheques, testify to the esteem in which the young couple are held.

The happy couple left for a trip to Toronto, Markham, Durham and other places before returning to their home in Manitoba.
