He has been 45 years in the township and was well and favorably known as one of its most progressive farmers.

THE LAST TRIBUTE TO THE GREGGSON BROS.—Mr. D. Ferguson, on Monday last, of behalf of Robinson and Corbett, Marble Dealers, placed in position a handsome grave stone secured and paid for by the citizens through the active committee, to mark the last resting place of the Greggson brothers, drowned on July 6th last. This has been paid the last tribute of respect to men comparative strangers among us, having no relatives here, but whose industrious lives and sad fate, coupled with the knowledge that loving sisters in England watched and waited for them, brought forth the "touch of humanity" which has done the town infinite credit, and which reflects honor especially on the committee at the Cement works who initiated and carried through the work of the financial part.

Mr. McKinnon and several townsmen have been active in preparation for this visit, the result of which will not be known till next meeting of council. The members present were Allan, Agnew, Harness, McArthur, McLenn, McKinnon, Shute, Preston and Gordon.

BUSINESS CHANGES.

A very notable step has been taken by Mr. Jas. A. Hunter, so long and favorably known as proprietor of the "Big Store." He has sold his business to Mr. Alex. Russell, of Elora, a man of experience, integrity and ability. Mr. Hunter has decided to go west and will seek scope for his great energies with his brother Mr. H. A. Hunter in Minneapolis.

This announcement will cause regret to a large circle of friends who have learned to admire Mr. Hunter's public spirit, business acumen, and genial personality, who have come to regard him as part and parcel of the modern Durham he has helped to build up, as his father and grandfather did to the village from which it sprung since its very first days. However, hearty good wishes will follow him to his new sphere, and his welfare and success will long be gratifying to his old townsmen and the wide circle of country that has made his acquaintance over the counter. He is to be with us for a month yet and more need not be said now.

To his successor, Mr. Russell, whose fame has preceded him, we extend the heartiest welcome to our prosperous town. We trust that in all the relations of life he will find it a pleasant place to live in and believe in and have no doubt that the same success that marked Mr. Hunter's career will be his also.

Another change that is also notable in that it cuts another link between the past and the present is in the sale by Mrs. Jos. Burnett, of the business so long carried on by her, her son Joseph latterly, and previously by her husband. Amid varying fortunes the Burnett store has always been a landmark in Upper Town, and has continued to do a fair business notwithstanding the centralization that has taken place. We are glad we are not to lose the store. The purchase of the business and property is Mr. J. E. Leitch, who carried on business for several years in Allan Park. We extend to him also a hearty civic welcome to the social and business life of the town.

NOTICE.

In view of the fact, that the work on factory is now taking on such proportions that it is dangerous to walk around some of the buildings unattended by a guide and further that it is our desire, that all employees, shall give their undivided attention to the completion of the work: Therefore no visitors will be allowed, except by special permission from the Toronto office.

DURHAM AGAIN VICTORIOUS

OWEN SOUND DEFEATS MT. FOREST

Score, 8 to 6.

HANOVER COMPLETELY SHUT OUT

Of the finals by the Durham team by score of 3 to 2.

Friday last about fifty or sixty Durhamites drove over to Hanover to witness one of the hardest fought lacrosse matches of the season. Compared with Durham's, the field looks rather small and the advantages for seeing the game are not so good from a spectator's point of view. About one-third of the crowd was Durham's, and well did they cheer for the boys in blue when brilliant play was made and there was lots of it.

About 4 p. m., referee Richardson, Ferguson, blew his whistle and the teams lined up as follows:

DURHAM	Goal	Helwig
Matheson	Point	Stewart
McCracken	C Point	Heimbecker
Calbeck	1st Defence	P Stewart
W Munroe	2nd Defence	Muir
Meredith	3rd Defence	Wendorf
Sheppard	Centre	Halward
Collinson	3rd Home	Adams
D Munroe	2nd Home	Kozak
Winkler	1st Home	Galvin
McCartee	O Home	Davidson
McIntyre	1 Home	Briggs
Gagnon	Field Captain	Flynn
Dr Mahan	Time Keeper	M. Armstrong
	Umpire	Melville

Referee, W A Richardson, Ferguson.

At the face off Hanover secured the ball, and in less than a minute, before our boys really knew they were playing, Briggs scored for Hanover. During the remainder of the first quarter, the excellent work of the Durham defence kept Hanover from scoring, for the home team had the best of this quarter.

In the second quarter, the Durham goal was constantly attacked, but the excellent work of Matheson at point, and poor shooting prevented Hanover from scoring. However, in 15 minutes Booth of Hanover again located the Durham net and the quarter ended 2 to 0 in favor of the home team.

By this time the hopes of the Hanoverians were raised to such a pitch as to make them sure of victory, but Durham woke up at this stage and there was a quarter of as pretty lacrosse by both sides as is seldom seen. Shots were rained on the Hanover goal, but the shooting was sometimes wide and the goal-keeper vigilant, and though Durham had easily the best of it, the third quarter ended without changing the score. In this stage of the game, Collinson, of Durham, received a severe cut on the forehead but pluckily played on.

Matters looked blue for Durham to face the fourth quarter with no goals to their credit while their opponents were hugging two, but victory was still to come. Durham easily had the best of the game still and at half the last quarter, Sheppard notched Durham's first goal, which was received with great cheers. Matheson was now changed from point to home while Calbeck took his place at point. The home, thus strengthened, played better and again in a few minutes, the Hanover net bulged by a shot from Matheson. Loud cheers from the Durhamites now rent the air, for had not Durham tied the score and latterly, played a better game than the home team, proving that Durham had good staying power. During the remaining few minutes no goals were scored and the regular game finished a tie, 2-2.

Little George Booth of the Hanover team now took cramps, forcing him to retire from the game, while Winkler went off for Durham to even up. By mutual agreement the teams decided to play on until either side scored, and the hardest contested division of the game now took place, Durham making the better showing. At last, after 15 minutes playing, during a scramble in front of Hanover goal, McCartee sent the ball into the net, thus finishing the game. Durhamites cheered vociferously, and McCartee was carried in triumph off the field. Hardly a complaint was made against the referee, who gave general satisfaction to both parties.

NOTES.

The Durham boys all played fine throughout the game though the combination was rather ragged during the first two quarters.

A word-fight was caused by Adams, one of Hanover's largest men, striking Dug. Munroe. The storm was soon calmed however and the playing was resumed.

Hanover confidently expected victory and had four or five new men on for the purpose of winning at least one of the series.

The struggle is now between Owen Sound and Durham.
