TO THE GROUNDS ON AUG. 8.—A proclamation by the Mayor makes Friday next, August 8, a holiday in town. This will give leisure to business men and enable them and friends to get over to the grounds to see the greatest Lacrosse Match of the season between Durham and O. Sound. Strictly pure Paris Green, 20c a lb at Macfarlane's. The approaches to the Fire Hall have been much improved by two new culverts placed by Mr. Chas. Brown who is certainly doing some nice work on our streets. The hill is in good shape. GARDEN PARTY.—The Presbyterians have arranged to have their annual Garden party on Alex. MacLachlan's grounds on the evening of Aug. 8. A good program is a certainty some outside talent having been secured, including Mr. Ireland, of Mt. Forest, and others, in addition to local talent. Remember August 20, Scotsmen's Day in Warton, when the 48th Highlander's Band, Pipers, Dancers, Singers 30 in number will be present in full Highland costume. They have just returned from a most successful tour in the United States. Special trains will be run of which due notice will be given, and a splendid day's outing is assured. Charcoal in bulk at the Hardware Department of the Big Store—J. A. Hunter. At the regular meeting of Grey Lodge No. 109, I. O. O. F. held in their hall, Monday July 27, the following officers were installed by acting D. D. G. M. W. B. Vollet. N. G., H. Burrows; V. G., A. H. Jackson; R. S., W. B. Vollet; P. S., T. G. A Hanover lacrosse supporter who witnessed the recent Durham-Mount Forest game writing to the sporting department of THE TIMES says: "Look out for Durham when you go there. Their new men, Sheppard and Crooks of Clinton are fast and, as you know, their line up is otherwise very good. Mount Forest felt their defeat at Durham keenly for they were confident of winning." This statement is similar to that made by Manager Ramsay, the team's only representative at the game. TO THE LAKE.—Mr. McKinnon, the Commissioner in town secured the privilege of a trip to the lake and a visit through the works, for his brother Commissioners on Tuesday. Mr. Laidlaw acted as chaperone, and very clearly outlined some of the processes and uses of the machinery to the visitors and quite a number of townsmen and ladies as well. The vastness of the work grows on one used to it, and to a stranger there is an overwhelming, almost confusing sense of bigness. The mighty smoke-stack is about completed, and is an impressive thing by even its summit 180 feet above the works is over 100 feet below the level of the lake where the marl lies. A net work of copper wires now connects the power house and works on and these will be conveyed the power that turns the wheels, that moves the rotaries, that burns the marl, that conveys the clinkers, that does all the wonders in this mightiest house that Jack built. A PREMATURE DEATH.—That is humanly speaking when we refer to the passing away of Herbert W. Noble at the age of 24 years, an age when usually, youth is boldly attacking life's activities, but not premature when we learn that to him, discipline by suffering as he was, the king of terrors brought no fears and he was ready to depart. He died on Thursday, July 24th, at the home of his mother in upper town, and a stumpy goes out to her, as well as to the large family of brothers and sisters, who a year ago laid husband and father in the grave. Rev. Wray R. Smith conducted the funeral services, six of deceased brothers acted as pall-bearers, and a large procession, among the largest ever seen in Durham, followed the remains to the grave in Staugen cemetery. Many and beautiful were the floral offerings sent by loved ones. MRS. (REV.) LITTLE HONORED.—At a recent meeting of the Ladies' Society of Chatsworth Congregation, the first since the removal of Mr. and Mrs. Little to Holstein, very warm and feeling expressions of regret were made to the loss of their president, Mrs. Little, who seems to have been the faithful guide and counsellor of all. As a recognition of their sense of her worth they have made her a life member and passed the following resolution: "Resolved that this Society express its regret at the removal of our President, Mrs. Little, whose quiet Christian life amongst us for the past three years has ever a source of strength and comfort. That the Secretary forward a copy of this resolution to Mrs. Little, who goes to her new field of labor, followed by the earnest prayer that her work there may be as acceptable as it ever was in Chatsworth congregation."

A week ago Saturday was the glorious Twelfth, Swinton Park Lodge, 1136 passed through here, but as they have a writer of their own I will say no more.

John McMurdo is credited with having the best field of Fall Wheat around here.

Mr. Jas. McDonald is agent for Central prison binder twine.

Geo W Parslow finished re-shingling his barn just before the last rain.

Mr. and Mrs. Archibald Ferguson visited your town and took in the wonderful cement works. A, is talking cement to every body and says it is well worth going fifty miles to see.

Stevie McMurdo is engaged with Mr. Gilles for the haying.

The fence builder, Sam, is with H. Fowler for the haying season and to build a line fence afterwards.

Mr. E. McPhail of the South visited at S. McLean's and took in the twelfth at Dundalk.

Thursday, 17th inst. Mr. T. G. Broughton, one of Proton's oldest pioneers was taken off by death at the great age of 89 years, 9 mos. He was a well-to-do farmer, having by industry and integrity gathered a goodly share of this world's goods. He was married 4 times and leaves a large family. Quite a number of them attended the funeral, which was a large one. Two of his sons are Walter, at home, George, harnessmaker, another Albert (now dead) was a printer. He has a daughter in Collingwood, one in Stayner, and Mrs. Skelton, who recently kept house for Mr. Bell of Egremont.

The two boys who have started, one as a horse trainer, the other as A. V. C. are getting along well. The former operated on an obstinate animal and now has him tractable, the other keeps his own medicines and has not lost a case yet.

Mr. Steve McMurdo wheeled to Guelph lately and on his way home broke the rim of his wheel. The sudden stop caused other mishaps, and gave him a bicycle face, but he must tell his own story like this:

That Bicycle Face.

I have a bicycle face Which I wish to replace With a face that is not of that kind. And if any one can Provide me a plan To exchange it will quite suit my mind. I have been reading of late Some remarks in debate As to whether or not it is true There is such a face And now I've a case Which settles the question clean thro'.

There is one eye that is black On my forehead a whack My cheek is scratched like a file While my chin is a fright And my lips are a sight Less lovely whenever I smile. My nose is arched Of a tooth I am shy An eyebrow is gone from its place And one of my ears Will fall off it appears Unless fastened on by a brace. There is patches galore Till there couldn't be more With plasters, splints and a strap Coolness, some opportunities for good shots going wide. A "scrap" delayed play here and on resuming the Sound scored No. 8, and in a minute or so more the Mount boys took another making 6. Exciting moments these for players and observers, but O. Sound's defence prevented Mt. Forest's vigorous efforts for another goal and the referee's whistle declared O. Sound the winner; 8 to 6. The referee gave good satisfaction. The following is the line-up of the teams:

Owen Sound defeats Mt. Forest.

Continued From Page 1. Mount getting even again in about 1 1/2 minutes, Harry Fair and 'Juliey' being especially good. At 4 time Sound was leading 6 to 5.

Two minutes into 4th quarter the Sound got another, and the play was a sight to see. Sinclair several times caught the ball on a high fly to his opponents and the home men attacked the Sound goal with more vigor than coolness, some opportunities for good shots going wide. A "scrap" delayed play here and on resuming the Sound scored No. 8, and in a minute or so more the Mount boys took another making 6. Exciting moments these for players and observers, but O. Sound's defence prevented Mt. Forest's vigorous efforts for another goal and the referee's whistle declared O. Sound the winner; 8 to 6.

The referee gave good satisfaction. The following is the line-up of the teams:

Table with 2 columns: MT. FOREST and OWEN SOUND. Lists players like Hamilton, Sinclair, H. Pickering, Weber, Fair, Lambert, Jones, Martin, Scott, Ross, A. Pickering, Cowan, Allan, Lambert, Goal, Point, C Point, 1st Defence, 2nd Defence, Centre, 3rd Home, 2nd Home, 1st Home, O Home, I Home, Field Captain, Time Keeper, Umpire, Fox.

Referee A Gillespie, Orangeville.

The game which was played on Tuesday of last week between Juniors of Durham and Hanover, was gallantly won by the home team by a score of 4-1. The lining up was as follows:

Goal, Hughes; Point, W. Hunter; C. Point, P. Glass; Defence, T. McDonald, Crawford, B. McDonald; Centre, Gordon; Home, McClocklin, Lavelle, F. Glass; Inside, McIntyre; Outside, Cook.
