SATURDAY NOT A HOLIDAY.—The business men of the town have decided to have everything going as usual on Saturday, so that country visitors may be sure of finding open doors. The bank may be an exception. God Save the King is their wish all the same.

Dr. Gun bought a Happy Thought Range at The Big Store Hardware.

Only 2 more Happy Thought t Ranges left at The Big Store Hardware.

MORE PROTECTION.—The council, very wisely, are planning to have a capacious tank built near Wolfe's property for more efficient protection of the Furniture Factory, and other property near by. This will also safe-guard the two grain warehouses, very important structures for the winter grain trade and all that it means to the town.

You can have a Worsted Suit made to your order at Ireland's for fifteen dollars. Best material and trimmings.

The Superintendent, Teachers, children and friends of Lawrence's Hall S. S. held their annual picnic in Ector's grove on Friday afternoon last. Mr. George Whitmore and his assistants deserve great praise for the interest and labor they expended in making and carrying out all arrangements.

Sunlight, Surprise, Comfort, Searchlight, Gold, Castile and Monkey Brand Soaps at 5c a cake at Grant's.

ALMOST A BLAZE.—Saturday last about 3 p. m. Mr. Nedigar's little daughter noticed the roof of Mr. Black's hardware store at the station on fire. She at once gave the alarm, and in a minute or two a number of men within call got to work with pails, and did it so effectively that danger was soon over. A few minutes more and there would have been great loss, for the engine could not have saved it.

Strictly pure Paris Green, 20c a lb at Macfarlane's.

Saturday next having been appointed Coronation Day, by His Majesty the King, there will be Divine Service in Trinity Church at 11 o'clock. By command of the King, the service to be used will be the same as that which will be used in Westminster Abbey as far as the Coronation service can be used in other churches. There will be special music and a special sermon suitable for the occasion. God save the King.

CEMENT VISITORS.—As usual last Thursday a number of outside visitors were shown through the works and had its features explained to them. At the close they were rounded up in Dr. Jamieson's lawn and addressed by Messrs. Gilbert McKechnie, Bogardus and Irving on our cement proposition and its possibilities. Our attention has been called to a notice in the Guelph Mercury of this gathering and we regret it is impossible to reproduce it this week. Watch for it next week and see "how it strikes a stranger."

LACROSSE PROBLEM.—What happens when an irresistible force strikes an immovable body? Go to the exhibition grounds Friday afternoon and see Owen Sound Lacrosse team, not yet defeated, plays with Durham, not yet defeated on its own ground. MATRIMONIAL.—O. Sound papers report the marriage of Mr. Harold Moffat, an old Durham boy, to Miss Etta Hodson, on Wednesday, July 30. Congratulations, Harold, Shelburne papers report the marriage of Rev. Hugh Crozier's daughter to Rev. W. J. Knox, of Strathroy. The bride's father and brother were the officiating clergymen. The bride was born in Holstein during her father's pastorate in Egremont. How time flies!

COUNTY ASSESSMENT.—The appeal of O. Sound against the assessment placed on them by the County was successful. Judge Creasor took the course of increasing the County Assessment of 1902 from \$20,746,000 to \$23,120,478, and by raising others more of course O-Sound is less. Every municipality is raised excepting Glenelg, Durham, Dundalk, Hanover and Markdale. The amounts we will give next week.

Mrs. Kennedy, for many years a resident of Allan Park, where her husband died about three years ago, died at the residence of her daughter, Mrs. T. Reid, of town, on Wednesday of last week. She leaves three daughters as chief mourners, Mrs. Reid, Mrs. Porter, Hepworth, and Mrs. Arch Hunter, Allan Park, where she made her home. She was buried in Hanover cemetery, Friday. Rev. Mr. Smith conducting the services. She was 54 years of age.

THE LATE ALLAN MCFARLANE.—On Friday afternoon last the mortal remains of Mr. Allan McFarlane were laid to rest many friends and neighbors being present to perform the last sad rites. Rev. Mr. Farquharson conducting the services. He died Wednesday evening the end coming rather suddenly, for though very infirm for months past, he was around a few days previously. The deceased was born in Mull, Scotland, in 1825, and came to this country in the early 50's, settling in Durham 45 years ago. He chopped and cleared the rear end of his lot and for a time conducted the Argyle Hotel. On retiring from this he began the carpenter business with which his name was so long associated. He leaves as chief mourners 4 sons Wm. Jas., David, Rod. and Duncan, 2 daughters, Mary and Maggie.

LACROSSE.

DURHAM AND MT. FOREST.

DURHAM LOSES—6 GOALS TO 2.

Friday last a special rate to Mt. Forest was given by the G. T. R., the occasion being the return match between our team and Mt. Forest. Never before did such enthusiasm take hold of the town for about 225 tickets were sold and the extra cars provided were packed full of enthusiasts.

The day was lovely, Mt. Forest's unbragued trees, well-kept lawns and fine shady residences were lovely also. Fully half of the invaders were lovely, everything was lovely till they got to the grassy grounds where lacrosse had to be played, and sure enough they had not a tree!! However a closer inspection showed holes and lumps enough to make one think that in removing the trees they had forgotten or been careless in smoothing the ground again. Certainly there was as much tripping and slipping on account of the ground as we ever saw in Durham on a dry day, and we have heard experts say that our grounds, tree and all, was better than Mt. Forest's. However we are not attributing defeat to the grounds, for on these grounds Durham beat Mt. Forest 2 to 1 during the last three quarters of the game.

The game was scarcely started when Mt. Forest scored, our boys seeming to be in hard luck for they couldn't get "on to it," and the goal-keeper certainly had the brightest of sunshine at the worst angle, a few minutes more and the ball, following the identical zig-zag track, found the net again, and yet three times more, making 5 in the first 20 minutes while Durham had none.

The second quarter showed that the paralysis was over for the fight that followed presented some pretty sick-handling and combination work on both sides. Lewis proved a star in centre and in sprinting or passing was nearly always successful. Matheson wriggled through the crowd and retained the ball often, and Winkler and McCracken excelled in this also. Collinson and D. Munroe did some pretty work and severe work too and were well supported by McCarty and McIntyre, who both seemed to us exceedingly good at grounding the ball for safety and catching it again. The defence, W. Munroe, Meredith and Calbeck, put up a splendid game (always excepting that unfortunate first quarter.)

The play on the whole was gentlemanly. Hamilton is certainly a star goal-keeper.

Pickering, Cowan, Sinclair and Fair were the most dangerous of Durham's opponents, though all put up a good game. Durham intends to beat O. Sound this week and we want Mt. Forest to turn the tables on the County team on the 15th and thus leave the three teams on equal footing.

A local photographer took umbrage at something Mr. Laidlaw had said or done, and acted as if he would like to settle it prize ring fashion. Friends calmed down his burst of temper.

A conspicuous Durhamite was Mr. Geo. Williams, colored, who was celebrating Emancipation Day and loyalty wore the Durham ribbons.

The teams lined up as follows:

| DURHAM | Goal | Point | Hamilton |
|-------------|---------------|-------------|---------------------------------|
| Daynet | Goal | Point | Sinclair |
| Winkler | Point | Sinclair | Weber |
| McCracken | C Point | H Pickering | Jones |
| Calbeck | 1st Def | H Pickering | Fair |
| W Munroe | 2nd Def | Jones | Lambert |
| Meredith | 3rd Def | Fair | Martin |
| Lewis | Centre | Lambert | Scott |
| Collinson | 3rd Home | Martin | Ross |

Durham juniors went over to Hanover Tuesday, and played a friendly exhibition game with the junior locals of that town. The Durham boys did well in making the score a tie, 2-2.

Hanover played a championship game in Owen Sound on the 1st. After Owen Sound had added another goal to its string at the beginning of the 4th quarter, the Hanover team, not wishing a larger score piled up against them, left the field when the score stood 16 to 5.

Letters from Miss Gregson.

Saturday last letters to Messrs Carson and Ramage were received from the sister of the Gregson bro's., drowned here on the 6th of July. We give Mr. Carson's letter in full. These, it will be admitted, show her to be a sensible and most estimable young lady, and the town will receive her thanks as kindly as it generously cared for her loved ones.

21st July, 1902.

Dear Mr. Carson,—

I can't tell you how how grateful I feel towards you for all the trouble you have taken for me in writing me such a kind sympathizing letter. I feel it a terrible blow but I must try to bear it bravely. I thank you most kindly for dear George's hair that you so very kindly sent me, and Mr. Ramage has sent me dear Jack's. I feel I owe a great deal to all the Durham people for all they have done and especially to the kind friends that had such a very trying time at the river for so very many long hours, but I am sure God will reward you all. I feel very comforted to have the thought with me that they were so reverently laid to rest in that far-off land. I should dearly love to see the spot where they lie as I loved my dear brothers with very intense love and I shall miss their nice looked forward to letters but they are far better off where they are now resting from their labors. Once again thanking you and all kind friends for the great kindness and sympathy you have shown towards my dear brothers and myself. Believe me ever to remain,

Yours truly,
ANNIE GREGSON.

Dear Mr. Ramage,—

I cannot express in words all the thanks I owe to you and all the very kind friends in Durham for taking such a great share of my grief for my dear brothers who have been taken so
