### AROSE TO THE OCCASION.

Did What He Was Asked to Do. Wiaslow, who is a New Yorker, was in Chicago last week on his way out "'Den, nex', he began to measure to Denver. Shortly before his arrimy feet, an' I say. "What fur you val a new bell boy had been added Not but that Willie meant well. He "De nex' thing he starts to mea- | was undersized, with great blue eyes, sure me round de waist, an' dat he and a sensitive mouth, and he took say was for de robe I was to wear "guying" with a pathetic smile that earned him many a dime in recompense. No one seemed able to decide merely deeper than the average boy. From the time Winslow first saw One Fact is bett-r than ten hearsays. Ask | Willie's innocent face he took a fierce and unreasoning dislike to the boy. Montreal, where they have used it for years. Willie, on his part, became terror-for his opinion of The D. & L." Menthol treet at the first sight of Wingley ized at the first sight of Winslow. The sound of that gentleman's voice caused him to tremble violently. Owing to the fascination that Winslow had for him it became practi- minion to London. cally an impossibility for Willie to and absolute cure for each the morning, lemonade when he and every form of itching. | sought a directory, and cigars when he asked for a telephone.

After a day of it Winslow settled down into a cold study of the boy. In New York boys were bad enough. In Chicago they evidently, through some climatic idiosyncrasy, drew for hotel servitors on the State asylums for the feeble-mind-state asylum ed. So with endurance born of experience he gave his orders and grimly awaited the always startling results. Then he talked to the boy and sent him back. Willie's eyes grew set and his brow despairing, but he toiled on. On the afternoon of Winslow's de-

parture for Denver he was paying his bill, when he called White, hanging fascinatingly near. "I want you," he said slowly, glaring into the boy's eyes, "to go upstairs and see if I left my tooth-

brush and comb in my room. Toothbursh and comb, toothbrush, toothbrush, toothbrush! Don't forget what I want, boy. And hurry, too. Got to get my train." "N-no, sir. y-yes, sir," chattered

Winslow hung about impatiently, watching the clock I ke a hawk. Only two minutes to spare! Just as he caught up his bag to depart Willie came on a dead run across the floor, his face aglow with the sense of a lofty mission, well performed. "Yes, sir." he cried eagerly, "you

Winslow gazed hard at his emptyhanded emissary. His lips moved, but no words came forth. Then with an inarticulate snarl he stepped into the waiting carriage.-Chicago

### HOW WOMEN ENCOURAGE MEN.

"Just listen to this!" exclaimed a young woman, in a tone of disgust, looking up from the periodical she was reading. "Of all the old, unsound ideas that ever got rooted this is the worst."

"Perhaps if you stopped commenting long enough to read it to me I might have some idea of what you are talking about," suggested has room mate mildly, putting her needle carefully into the heart of a silken pansy.

"Well, here it is: 'No right minded girt will encourage a man who she sees is becoming seriously interestested in her when she has no intention of accepting him. She can easily prevent him from coming to the be sure she "has any intention of accepting him, or not till she sees how he makes love? Answer me that, will you?" "Dear me!" remarked the other

girl, merrily, raising her hands in mock alarm, "don't attack me for the sins-or inanities, which are "But," persisted the critic, irate-

"doesn't it make you tired with a soul-and-body-permeating weariness to hear all the sage advice that is poured out upon the girls who happen to be fortunate enough to attract masculine attention by the nice conventional old ladies who married the first and probably only man who asked or ever would ask them? "Every woman who has had but one offer thinks every other woman who has had more a deep dyed firt, on conquest intent-else how would she

get so many proposals? And it is such an effete method of reasoning, too. For no sensible girl goes around with her weather eye out for love signs, hoping piously to ward them off. She has other things to fill her thoughts. It is a bona fide evidence that the woman is vair if she is all the time expecting every man who is nice to heror who even makes love to her, for that matter-to propose marriage to

"Yet he sometimes does just such rash things," roguishly put in the

other girl. "And often gets what he wants, too, even though the girl of his be married if they stopped the man they thought they disliked from 'coming to the point.' Sometimes it puts a man in an entirely new light to have 'popped the question.' You are certainly more interested basis. And love comes just as often after the proposal as before-indeed own heart till she sees he means business. Then, give a fair field, a nice man can make her love him. And how can any one tell from the ordinary man's attitude whether he
