Hon. Dr. McDonald, M. P., Winham, is appointed to the position on the Directorate of the Sun Portland Cement Co., held by the late Dr. Horsey.

A large quantity of McCormack binder twine for sale at the Durham Foundry. C. SMITH.

SURPRISE PARTY.—A load of Durham young people, chiefly of the Baptist Church, drove to Dromore last Thursday evening and spent a pleasant time at the home of Mr. and Mrs. R. Henwick. They got home for the earliest whistle.

THE STAR GROCERY.—Mr. T. J. Jordan has moved into the newly fitted up Sharp building next to Mockler's and should now be near enough the "busy corner" to do an increased business. The internal fittings are taking on attractive forms.

FARM FOR SALE.—Containing 100 acres Lots 45&46, 1st Con., N. D. R. Glenelg, one mile west of Pricville. The farm is well watered, 75 acres under cultivation, with good buildings. For particulars, apply to Peter McKechnie, Newville, N. Dakota, U. S.

ANOTHER OPERATION.—Miss M. Gun, on Saturday last, was taken suddenly ill and a diagnosis by her brother and other town doctors revealed a case of appendicitis. Dr. Fraser, of Stratford was sent for, reaching here on the evening train. The operation was successfully performed Sunday morning and we are glad to say the patient is progressing favorably. All hope this active and public-spirited young lady may soon be restored to active health.

Pure Gold Jelly Powder 10c Package at Grant's.

BUILDING PROGRESS.—Apart from the great Cement works, which we presume are rushing to completion, there is marked progress being made on several buildings. The twin stores of J. M. Hunter are now up first storey and basement, the Baptist parsonage has the roof on, the church is progressing. Mr. Jas. Lenahan and family now occupy their new house, south of Warner's, and F. Peel will soon be occupying his new one on Lambton St. Mr. Thos. Daniels' new brick house opposite the Cement Co's office is progressing and activity is everywhere.

You can have a Worsted Suit made to your order at Ireland's for fifteen dollars. Best material and trimmings.

SMILING FIELDS.—Never, we think, this country present such a prosperous appearance as is now seen in fields and gardens everywhere. All that is wanted to make a phenomenal yield is suitable harvest weather. Unfortunately this feature has been lacking, the heavens, no matter how smiling, seeming to have a wonderful facility of dropping into tears. As we write there is an appearance of nature assuming a more optimistic mood.

Pure Gold Rennet Tablets 15 Quat Tablets for 10c at Grant's.

BAPTIST SOCIABLE.—A very successful gathering under the auspices of the B. Y. P. W. took place on Monday evening. Pres. Allan Bell occupied the chair and choir and part music, an address by Rev. Mr. Newton, and also by Mr. Thos. Coletidge made a very enjoyable evening. The social part was all that could be desired.

GARDEN PARTY.—The Y. P. Society of the Pres. Church must feel like shaking hands with itself over the splendid success of last Friday's gathering on Mr. McLachlan's grounds. The evening was a trifle cool, but it was delightful overhead. The tables were generously surrounded, and the waiters and the viands were O. K. The band enlivened the proceedings and a feature of the evening was the presentation of lovely bouquets to the Lacrosse teams, as a recognition of good-natured rivalry in manly sport. A small program was rendered, a mong those contributing of their talent being Miss Ireland, of Owen Sound, Rev. Mr. Newton and Messrs J. A. Hunter and Wm. Ramage. Rev. Mr. Farquharson presided and little Madeline Darling presented the bouquet gracefully.

KING EDWARD VII.

Born, November 9, 1841
Began to Reign, January 22 1901.
Crowned August 9th 1902.

LONG LIVE KING EDWARD.

The deferred Coronation, surrounded with so many hopes and anxieties, took place on Saturday last, and the eldest son of the great and good Queen Victoria, takes his place on the famous roll of crowned British monarchs. The ceremony was divested of much of the glitter and pomp planned for the great day, June 26, yet the respect for the monarchy and love and regard for the reigning house, and particularly for the King, has been deepened by the human frailty that was the cause of the delay. The following address was issued by the King from Buckingham Palace last Friday:

To my People:
'On the eve of my coronation, an event which I look upon as one of the most solemn and most important in my life, I am anxious to express to my people, at home and in the Colonies and India, my heartfelt appreciation of the deep sympathy they have manifested towards me during the time my life was in such imminent danger.

The postponement of the ceremony owing to my illness caused, I fear, much inconvenience and trouble to all those who intended to celebrate it; but their disappointment was borne by them with admirable patience and temper. The prayers of my people for my recovery were heard, and I now offer up my deepest gratitude to Divine Providence for having preserved my life and given me strength to fulfil the important duties which devolve upon me as Sovereign of this great Empire. 'EDWARD, R. AND I.'

The King's proclamation is a personal and spontaneous expression of His Majesty's feelings. It was conceived and written by himself in an autograph letter to the home Secretary, Mr. C. T. Ritchie.

CORONATION NOTES.

The King on the word of his doctors stood the strain well. No more bulletins will be issued.

The old and frail Archbishop of Canterbury nearly fainted while putting on the crown and would have fallen but for the King sustaining him.

A universal tribute to the beauty of the queen pervades all despatches. The best of it is she's guid as she's bonnie.

A fine touch of nature was that when the Prince of Wales, after having made obeisance to "the King" was called back by "the Father," affectionately embraced and a warm shake of the hand given. It wasn't on the program, but it was nice.

The King, having made a good recovery from typhoid fever years ago, outlived a number of scandals, escaped several assassin's blows, and now convalescent from appendicitis, may live as long as his mother yet: 20 years more?

The King's gift to the nation of Osborne House, the late Queen's Isle of Wight home, is an appropriate Coronation offering.

THE LATE JNO. A. ROBERTSON.

Saturday morning last a gloom struck the town when it was learned that Jno. A. Robertson, barber, had passed away about 5 a. m. An operation for appendicitis, undertaken as a last resort, had been performed two days before, but death was in the cup, and the young man, strong and vigorous a week before, succumbed to this dire disease. He first felt unusual the Sunday evening before and Monday and Tuesday bringing no betterness, medical aid was summoned, and an operation decided upon. A trained nurse was secured, and his sister Ella, also in training as a nurse, came home but skill and tenderness availed not. He was in his 27th year and was the eldest son of his parents, who, with his wife and brother and sisters, will deeply mourn his death. One little child will never know a father's care. He learned the printing business in this town and was no mean workman, but he subsequently took to barbering and during the short time he was in business here, succeeded in building up a good trade.

By intelligence, ability and affability he was looked upon as one of the rising young business men of the place. We voice the sentiment of the whole town in extending deepest sympathy.

LACROSSE VICTORY.

O. SOUND FALLS BEFORE DURHAM.
Score 5 to 2.

Friday last was anxiously looked forward to in Lacrosse circles of Durham and Mt Forest especially, for on the result depended whether O. Sound was to be victor in this league or not. Had victory gone to O. Sound, they had the pennant sure, but Durham's victory has changed that for a time anyway, and if Mt Forest win on Friday, all three teams are on a par and will have to decide the matter on neutral ground.

The weather of the forenoon was doubtful enough, but rig after rig rolled in from Owen Sound with players and supporters, and long before the hour it seemed certain that the weather would be "good" and so it proved.

The players were arranged according to the following table, which shows them in position for playing and relative to one another. Dayment was Durham's goal keeper, Thompson, O. Sound, and by reading Durham names downwards and O. Sound names upwards we have Point, Cover point, 1st def., 2nd def., 3rd def., Centre, 3rd, 2nd and 1st home, Outside and Inside home.

Durham's Field Captain, umpire and timekeeper respectively were P Gagnon, W S Davidson and Dr Mahan. Ramsay was Field captain for Owen Sound.

W Kearns, Orangeville, was referee and we think gave fair decisions.

Durham Goal		
(Dayment)		
Matheon	McKinney	
Crooks	Hay	
McCracken	Ferguson	
Calbeck	Carson	
Meredith	Dowkes	
Collinson	Hammond	
McIntyre	Bolding	
Munroe	Cummings	
Winkler	Bremner	
Lewis	Greenwood	
McCartee	Cameron

Owen Sound Goal		

The record of the game by goals was as follows:

Goals	Team	Time	Scored by
1	Owen Sound	6 min	McKinney
2	Durham	9 min	Munroe
Quarter time			
3	Owen Sound	9 min	
Half time			
4	Durham	3 min	McCartee
Three quarters time			
5	Durham	10 min	McIntyre
6	"	1 1/2 min	Munroe
7	"	6 min	McCartee

The game.

As usual Durham seemed lethargic at the opening of the game, and the hopes of the visitors were roused when after 6 minutes play, they drew first blood, McKinney their inside home man, finding an opening past Dayment for once, and we may say that but for Dayment's stick, body, and bones, which seemed always in the way, they would have scored about nine in this quarter and perhaps nineteen in the whole game. Immediately after the face up after the first score it could be seen there was blood in the eye of Collinson, McIntyre and Munro, who played with a vigor and directness that must have caused the O. Sound defence to feel they were up against something. After 9 minutes more Munro got it on a pass from McIntyre, and ran with it past two of his opponents and landed it in Thompson's cage. The Durham defence part of this time were not idle, for Ferguson, always a sure catch, was raining shots at Dayment, but he wasn't at his best, and at least two shots went wide that might have got in.

The second quarter opened on more equal terms than the first the locals commencing to get their winning legs—and arms—on. Doug, Munro has a way of his own of snatching a ball from a mix-up, but the O. S. defence did wonders, and neither Lewis the libe, nor Winkler the weighty could get it past Thompson. McIntyre and Collinson ran like deers, Calbeck's lusty length went ploughing through opposition, but all this was only the training for the last half, for when too well drawn out, Dowkes got the ball, and before Durham could "mass" the visitors got another and the game looked blue for Durham, when half time came and against them was a score of two to one.

Never say die. The most unpracticed observer could see plainly at the opening of the 3rd quarter that Durham was forcing things and in short order scored a goal, McCartee doing the deed. Ferguson got the ball once and, no enemy in sight, was preparing to deliver, but all too late, for McCracken, all unseen to Ferguson, came on him like a thousand of brick, giving

Ho! FOR WIARTON. — On Wednesday next, Aug. 20, the Great Scotsmen's demonstration will take place at Wiaraton. 48th Highlanders' Band, Pipers, Dancers, &c. A day of genuine pleasure and profit. Scotch Games and Liberal Prizes. Cheap Railway Rates.

MOVED.—Dr. Gun on Monday moved into his fine new residence opposite the Presbyterian Church and is now conveniently near his office and may be easily found. We wish for the Doctor and his family many happy years in his pleasantly situated "Riverview" residence.

Durham observed the Coronation in a quiet way by the display of flags. Also by service in Trinity church at 11 a. m. and union services in the Presbyterian Church at 3 p. m. Rev. Mr. Farquharson presided at the latter, and brief addresses were made by Rev. Mr. Smith and Newton befitting the occasion. The venerable Rev. Alex. Stewart gave a very appropriate opening prayer and a union of the choirs was effective in leading the appropriate hymns selected.

CORNER STONE LAYING.—On Wednesday next at 2.30 p. m., the corner stone of the new Baptist Church will be laid with appropriate ceremonies. The stone will be laid by Mrs. Dr. Jamieson. Rev. Dr. Spencer, Brautford, and Rev. Mr. Cline, Owen Sound, will be present and deliver addresses, also Dr. Jamieson, M. P. P., the resident clergy and others will be on the platform. As usual, there will likely be an opportunity to weigh down the stone with voluntary offerings of currency or coin of the realm, and doubtless, many will want to have a brick in the structure.

SOUTH GREY WOMEN'S INSTITUTE.

A very successful meeting was held at the home of Mrs. Geo. Binnie, Bunessan, on Thursday Aug. 7th.

Mrs. W. J. Derby, Vickers, gave an excellent paper on "Economy in the Home" which was enjoyed by all, and it was the unanimous wish of the meeting that this paper be printed.

A brief discussion then took place on different house subjects, such as the canning of fruits, making of jellies etc.

Miss Jean Brown, Durham, was present and rendered one of her popular songs, "We Help the Maple Leaf to Live."

After tea we wended our way homeward, feeling that we had had the pleasure of attending a very interesting meeting. The next meeting will be held at the home of Mrs. W. J. Derby, Vickers, on Thursday, Sept. 4th, for which a good program is being prepared.

The October meeting will be held at the home of Mrs. W. L. Dixon, Dromore, on the first Thursday of the month.

Non-members are cordially invited to attend these meetings.
