DISMISSED.—Hon. J. Israel Tarte has been dismissed from office owing to his most imprudent course during the last two months. Score one for Sifton.

The congregations in the Methodist Church on Sunday and Monday evenings were delighted and impressed by the rendition of the sacred solos sung by Miss King, of Mount Forest.

AUCTION SALE.—In another column will be found an advertisement of an extensive Sale of Farm Stock and Implements on Wednesday, Oct. 23, Mrs. Robt A. Marshall, Proprietor, Lots 2 and 3 of 10, Con. 1, W. G. R. Bentinck.

The Empire Tobacco Co., Limited.

A TRIP TO PARIS.—At the last meeting of Ben Nevis Camp Mr. Jno. H. Hunter gave a half hour's talk of a most interesting nature of his recent trip to the old land. Jack is a keen observer and saw many wonderful things but is home, like Laurier, a prouder Canadian than he was before.

SUDDEN DEATH.—While visiting her sons and daughter at Sault St. Marie, Mrs. Duncan McDonald of Allendale, and formerly of Euphrasia Tp., near Markdale, suddenly dropped dead from heart failure. The remains were taken to Barrie for burial beside her mother, Mrs. Euphemia Sinclair, of Chiltonham, Chingacousi, who died a few months ago. She was a sister of the late Mr. Arch Black, of Bunessan, and was well known in this part.

Mackay and Dunn is the style of a new legal firm which is this week opening an office in town. Mr. Mackay is the well known K. C. of Owen Sound, whose legal reputation is already well established in this county. Mr. Dunn is a younger practitioner who had a brilliant career at Osgoode Hall where he took highest honors. He was formerly in practice with Mackay and Sampson, Owen Sound and with Blake, Lash and Cassels of Toronto. Their card appears in this issue.

LAND GRANTS TO VOLUNTEERS.—Hon. E. J. Davis, Minister of Crown Lands, last week announced that certificates would be issued on Nov. 1 to all volunteers entitled to land grants. The delay has been caused by the practically unanimous opinion of those interested that no certificates should be sent out until all were ready, so that they might all be placed on an equal basis in selecting lands. Another advantage will be that twelve townships which were surveyed this summer will be included in the land available for selection, and will thereby greatly increase the area of choice. It is possible, however, that there will be a limited number of applications, in which special points have arisen, that it may be necessary to hold over for a short time, but the whole list will be completed as soon as possible.

Some good matter received too late for insertion.

HOTEL CHANGE.—Mr. A. McDougall, Williamsfort, has sold his hotel to Mr. Jas. Connors.

There will be a young people's convention and rally in the Methodist church on Tuesday next. Services in the afternoon at 2 o'clock, and in the evening at 7 o'clock. The Monkman Brothers are expected to be present and assist in the service of song.

Black and colored Kid Gloves best make—at Grant's.

Mrs. Elliott, late post-mistress of this place left on Monday for a short visit with her mother in Durham and sister in Orangeville before leaving for the Northwest. Mrs. Elliott has long been a resident of Chatsworth during which time she made many friends and was quite an acquisition to the social circles, by whom she will be greatly missed.—Chatsworth News.

A Dauphin friend has sent us copies of their paper and the Winnipeg Free Press. Marked articles relating to the Doukhobors seem to show that the craze against working or eating their cattle has only affected a very few of them, and that the general character of the bulk of them bids fair to be soon assimilated to their new conditions. The sale of the cattle turned loose was conducted by the government and the proceeds will be retained to the credit of the crazy (for the time being) owners.

CEMENT NOTES.—The closing touches are gradually being put on, and before long we shall hear the noise of the clinker-grinders as we now hear the coal-crushers. The exigency of the directors that they have found it necessary to sanction Sunday labor, a step which the best feeling of the town deeply regrets. We hope the urgency which required this in the construction stage has passed away, and that we shall have our Sundays free as far as possible from the wear and tear of the work-a-day week. Our N. Egremont cor. refer to the work on the dredge.

TWO DELIGHTFUL PICTURES.

The Family Herald and Weekly Star, of Montreal, are this week sending out their new premium pictures, "Purity" and "Alone." They are very handsome, and vastly superior to any premium pictures we have seen.

"Purity" is a beautiful subject, a real work of art, that will be much appreciated. "Alone" is a picture that at once catches the eye and will hold the attention of all who see it. The pair are sure to create a big demand for the Family Herald this season. "Come early and avoid the rush" should be the warning to those who want a big dollar's worth.

Laurier Gets a Great Reception.

The return of the Premier has been fittingly recognized by splendid receptions at Rimouski, Quebec and Montreal, but especially at Ottawa. These have not been given from a party standpoint, for happily there has been a general recognition by men of both parties, that the part taken by Sir Wilfrid in the public functions in which he was a representative, were performed so worthily as to merit national recognition on his return. His addresses are models and happily put expressions, and no wonder that "prolonged cheers" were given to the man who comes home from the brilliancy of European courts, and declares "I am more of a Canadian than ever."

The stories of failing health he gives a denial to, and proves it by asking that welcomes be curtailed that he may get down to work.

Our readers are sure, irrespective of politics, will wish him long years of usefulness in public life, and few there must be, were it not for the strength of party feeling, who would wish to see him separated from the premiership for many years yet. We cannot help contrasting his homecoming with that of Premier Barton of Australia, who has been received with hoots and jeers in public places, and demonstrations adverse to him and his government.

In Laurier we have a personality who looms up as one of the great men of the empire, and we would not be surprised if some day he be chosen for some notable empire enterprise, such perhaps as the settlement of the French Shore question, for which he would be peculiarly well fitted.

ARTEMESIA FALL FAIR.

Wednesday last broke dull and cheerless and threatening rain. Tuesday had been delightful in the morning and allowed and encouraged exhibitors to come out with inside stuff, but about noon the second day, the weather man smiled, and success was assured.

The exhibits were as usual very creditable, roots as every where this year being good. This is not much of a fall wheat show but the other grains were up to the mark and Secy Brodie, nearly always ahead in this class, took second place to A Muir in peas, oats and barley. The fruit exhibit was very good floral display very meagre, but some good specimens, while the ladies work, generally good, was this year much enhanced by the contributions of the two Adams' of Egremont.

In a modest corner were two exhibits of boots, and we noticed that Dugald McLean's handiwork was blushing with red tickets, while their creator was receiving with due modesty the congratulations of many friends on the evidence that his skill was not declining with advancing years. In another corner was a new feature brought out by a prize given by Principal Eastman, of Priceville school for the best penmanship. There were some excellent specimens shown many worthy of "special mention" and not inferior in our opinion to the prize winners.

There were some really good horses on the ground, with entries numerous enough to be quite exciting. The bunch of 2 yr-olds in the "General Purpose" class, seemed to be a puzzler to Judge Marsh, who admitted the excellence of all but gave first to A Muir. Fairbairn, of Egremont, had the winning span and won several prizes in other classes. The Pattons are great horsemen and most of the young winners were colts of horses owned by J. Patton in recent years.

In cattle the prizes were well distributed; John Eckhardt, first at Markdale for 2-yr-old bull, got only 2nd here. D. McMillan and D. Campbell have certainly an eye for good stock. There were some very fine grades.

The sheep show in Priceville is always extensive and good, though running to specialism: for instance A. Muir taking everything in Cotswolds and Fairbairn everything in Oxfords. These men want competition, why don't some one invade their field? Geddes, McMillan, Muir, Harrow, Nichol, Kennel, all good sheepmen, watched the difficult task Judges Tucker and Willis had in deciding some of the prizes.

Sharp and Eckhardt carried off everything in Swine.

THE CONCERT.—With such stars as Mr. Jas. Fax, Miss Jean Kenwick, piper McArthur, and Miss Christie accompanist, and others there was material for a good program. See what our Priceville correspondent says.

On the grounds, as in Markdale, was the wheel of fortune man raking in the dollars from the gambling spirit so easily stirred in young boys. This same fair admitted privately that at one fair this season he netted \$175.00, and yet directors will admit these games of chance—of cheat rather.—All honor to East Grey Show which refused him we believe, though it is said he offered \$60.

M. K. Richardson, M. P., and Mrs. Richardson were on the grounds.

Messrs C. McKinnon, Wm. Sharp, T. Jordan, Jos. Barnett and the two editors were present from Durham. Editor Thurston and several others from Flesherton were on the grounds.

Following is the prize list:

HORSES
Draught span—J Patton, A McCannel. Brood mare, W Patton. A McCannel D McInnes. 2 year old colt, D McMillan. 1 year old colt, J Patton, J Burnett. Spring colt, W Patton, D McInnes.

General purpose span, J Fairbairn, J Sharp. Brood mare, Archie McLean. 2 year old colt, A Muir, J Calder. 1 year old colt W L Dixon, A McLean.

Roadster, or carriage, H McLean. Brood mare, H Watson. 2 yr old colt, D McLean, D McMillan. 1 year old colt, W Patton, W Watson. Spring colt, H Watson, W Watson. Single driver, J Fairbairn, N Campbell.

Farmers' trot, J McMillan, H R McLean. Telford's special, H Watson, W Watson, D W Thompson & Co.'s special, W Watson.

CATTLE
Durham, aged bull, D McMillan. Bull, 2 years old, G Snell, J Eckhardt. Bull, 1 year old, D McMillan, G Snell. Bull calf, W Patton, J Eckhardt. Milch cow, G Snell, W Patton, G Snell. 2 year old heifer, J Eckhardt. 1 year old heifer, J Fairbairn, J Eckhardt. Heifer calf, J Fairbairn, G Snell.

UNCLE TOM'S CABIN.

Town Hall, Thursday, October 23rd
One Night Only

The production of Uncle Tom's Cabin at the Casino last night was on a scale of magnificence never before witnessed in this city.

The Davis Company gives a most powerful and intelligent interpretation of this touching masterpiece of dramatic fiction. Every one attending was highly pleased, laughing with the diabolical excellent Topsy, and crying with beautiful, pure, sweet little Eva, when one accord. The scenery used by the company is simply grand, and the use of the calcium light lends an enchanting weirdness to its beauty.

The steamboat race was an extremely clever piece of stage realism that astonished even old theater-goers. Taken altogether, we pronounce this the best "Uncle Tom" we have ever seen, and much more worthy its audience than the wishy washy nonsense given us under the name of society drama, with impossible heroines and ridiculous heroes.

Ed. F. Davis' colossal spectacular Uncle Tom's Cabin Co. will appear at Durham, Town Hall, one night only, Thursday, Oct. 23. Prices 25 & 35 cts.

Do You Want to Buy a House?

Many a man is saving to buy a home for his family and is placing all his spare money in the bank with this end in view. But does it ever occur to such a man that if he were to die before the requisite amount were accumulated, his hard-earned money would have to be taken out of the bank to assist in the support of his family, and they would be as far from owning a house as ever?

Suppose that instead of putting his money in the bank, he used it to pay the premium on a 15 Year Endowment Policy in the Imperial Life Assurance Company of Canada. If he died a week after taking out the insurance, his family would receive the full amount of the policy, and if he survived the full fifteen years the maturing of the policy would furnish him with funds sufficient to complete the purchase of his home at his leisure. Can there be any comparison made between two such methods? Full particulars furnished upon application to W. D. MILLS, Agent, Durham
